September 2025

Welcome!

What a joy the cooler weather was, but we were definitely spoiled as the September Illinois heat has returned. Let us cool those warm thoughts with news regarding the new Hillsboro Pool that should be of interest!

Pool Name and Groundbreaking

A few months ago, a question was presented regarding what the new pool should be called. That question was answered Tuesday, September 16th, as the Hillsboro City Council voted to approve the name "Constitution Bank Aquatic Center." Constitution Bank purchased the rights to permanently name the pool in exchange for a one-time \$100,000 payment. In addition to the funds, the bank will pay for the signage at the pool where the name is displayed. The City will also be granted the ability to opt-out of the agreement if the bank is ever purchased and renamed. The agreement between the City and bank is still to be finalized, which will further establish the terms and conditions.

A ceremonial groundbreaking of the new aquatic center, which will also feature a splash pad, will be held on Friday, September 19, 2025 at 10:00 a.m. at its future home, the Hillsboro Sports Complex. Representatives from the City, design and construction teams, Constitution Bank, local businesses and members of the community are expected to be in attendance. The pool is expected to open to the public on July 1, 2026.
