

Dear Parents and Students,

The City of Hillsboro is proud and excited to announce that it has been approved to become an official NFL Flag Football league. For the upcoming youth flag football season which is set to begin in July of 2025, the City of Hillsboro will begin offering youth co-ed flag football as part of NFL Flag. NFL Flag offers many opportunities for our community's flag football season to grow. Specifically, by joining NFL Flag, each participant will receive an official NFL Flag jersey and an NFL Flag belt with flags that he or she will be able to keep once the season is over.

The upcoming flag football season is scheduled to begin in early July of 2025 (after youth baseball/softball concludes) and will conclude in early August of 2025 (before youth soccer begins). As in past years, the City of Hillsboro plans to offer youth co-ed flag football for students in grades 1<sup>st</sup> – 4<sup>th</sup> for the upcoming 2025 season. Additionally, since joining NFL Flag, the City of Hillsboro would like to expand its flag football program. The purpose of this flyer is to solicit interest in participating in the upcoming flag football season if it were to be expanded to additional grades (5<sup>th</sup> – 8<sup>th</sup>). If interested in participating in the upcoming flag football season, please complete the below information and turn this flyer into City Hall at 447 S Main, Hillsboro no later than February 28<sup>th</sup>.
