2. **Season Defined.** The “season” is from March 15th to October 31st of each year, except for adjoining landowners, for whom the “season” is the calendar year (January 1st to December 31st).
3. **Check-out.** The license expires each year at the end of the season. Section 10. Indemnification

Licensee will exercise its privileges under this license at its own risk, and, regardless of any negligence of Licensor, Licensee will indemnify Licensor against all liability for damages, costs, losses, and expenses, including the City's reasonable attorneys' fees and costs, resulting from, arising out of, or in any way connected with, the occupation or use of the premises by Licensee, or the licensees, invitees, or guests

of Licensee, or the failure on the part of Licensee to perform fully any and all Licensee's promises, obligations, or duties under this Agreement. Licensor will not be liable to Licensee if, for any reason, Licensee's occupation or use of the premises under this Agreement is hindered or disturbed.

Section 11. Taxes; Liens

Licensees shall pay any taxes and assessments that may be imposed or levied on Licensor's property or anyone claiming under Licensee on the premises and shall keep the premises free and clear of any mechanics' or materialmen's liens for labor performed or materials furnished at the instance or request of Licensee or anyone claiming under Licensee.

Section 12. Privilege Not Assignable

Licensee's privileges under this license shall not be assignable by Licensee in whole or in part.

Section 13. Termination

Licensor and Licensee each reserves the right to terminate the permission given here at any time by providing the other party at least thirty (30) written notice of termination, except that Licensor may, at its election, terminate the permission and this Agreement immediately at any time if Licensee shall fail to comply with or abide by each and all of the provisions of this Agreement or keep any or all Licensee's promises made under this Agreement. Waiver by Licensor of any breach of any term or provision under this Agreement shall not be deemed a waiver of any subsequent breach of the same or any other term or provision of the Agreement.

If the licensee sells or transfers ownership of the adjoining property/parcel and is no longer the titled owner, this Agreement shall automatically terminate, and the then current adjoining landowner shall be required to enter into a separate agreement with the City (see Section 12).

Section 14. Renewal; Inspections

The license pursuant to this Agreement may be renewed annually, in the City's sole and absolute discretion. In determining whether to renew the license, the City will consider all relevant factors, including, but not limited to: (1) whether the Licensee has complied with all ordinances, rules, and regulations as set forth by the City, (2) whether all applicable fees required by the City of Hillsboro have been timely paid, and (3) whether Licensee has used the lot(s) for at least five consecutive years.

If Licensee wishes to renew, the appropriate license fee is due January 1st of each year; a \$50 late fee shall apply if not paid by January 15th. If the fee is not paid by February 1st, the license shall terminate, and the lot shall be forfeited and made available to others.

Inspections of the lots will be performed at the City's discretion. Licensees will be contacted regarding any issues pertaining to the lot(s) and granted 7 days to remedy any issues identified. If the lot is not brought into compliance within 7 days, the City reserves the right to terminate the license without refund.

Section 15. Notice

Any notice to Licensee under this license shall be sufficient if served on Licensee personally, via email to the email address provided by Licensee, by mail, or posted on the premises. Notice shall be deemed served on the date of personal service, emailing, or posting. If mailed to Licensee directed to Licensee's last known address, notice shall be deemed served on the business day next following the day of mailing. Licensee shall be solely responsible for ensuring that the City has current and up-to-date contact information.

Section 16. Removal of Property

On revocation, surrender, or other termination of the permission given here, Licensee will quietly and peacefully surrender the portion of the premises occupied by Licensee in as good condition as the property was at the time of Licensee's entry on it. Licensee will remove all personally property, junk/debris, fixtures, equipment, and other things placed by Licensee on the premises under this license, and, if Licensee fails to do so, Licensors will have the right to conduct removal at Licensee's expense. Licensee will pay to licensors on demand the removal expense, and, if Licensors so elects, it will have the right to take possession of and appropriate to itself without payment any property of Licensee, or anyone claiming under it, then remaining on the premises.

Section 17. Joint Licensees

3. **Check-out.** The license expires each year at the end of the season. 4. **Inspections.** Inspections of the lots will be performed at the beginning and end of each season. Move Procedure:

Permanent Campers at Sherwood Forest Campground have the opportunity to move to other sites as they become available by non-renewal. A "Move List" list has been established. If a permanent camper wishes to consider available sites, let the camp host or City Hall know and you will be added to the "Move List". Those on the list will get the opportunity to choose to move (or stay on the list) starting at the top of the list each procedure. There will be a move procedure before each season (usually two to three weeks in advance of April 1st). A mid-season procedure may be conducted if there are enough vacancies to warrant one. A courtesy notification call may be attempted, but is not guaranteed. It is the responsibility of the camper to learn the date(s) of move procedures. Additionally, the camper on the move list can either be present for the procedure or choose a proxy to act on his/her behalf. The camper on the move list must either choose an available site or state that they'd like to stay on the list. If neither wish is communicated, the camper will be removed from the list. The list will be performed starting at the top and go down until available sites have all been selected or the list has been exhausted. Sites that are selected are assumed "as is". The Developer agrees to have project component number 2 of the Redevelopment Project substantially completed within 1 year of the date of execution of this Agreement. An extension to this deadline may be granted with written approval from the City, of which will not be unreasonably withheld.

The Developer agrees that in order for the Redevelopment Project to be considered substantially complete, all listed components in this Section 1 must be complete to the satisfaction of the City, and all work items must be in compliance with all relevant building codes, ordinances, or other regulations, at the discretion of the City.

The Developer agrees that all work and construction phases will be performed in accordance with all federal, state, and local laws, codes, ordinances, regulations, and other relevant policies which may pertain to the performance of the proposed project.

SECTION 2: Developer Reimbursement Payments. Should the Developer comply with all the obligations in Section 1 and elsewhere in this Agreement in all material respects, the City agrees to reimburse the Developer for certain TIF Eligible Redevelopment Project Costs incurred during the performance of the Redevelopment Project.

Pursuant to this agreement, the City agrees to reimburse the Developer in an amount equal to **one hundred percent (100%)** of the TIF Eligible Redevelopment Project Costs incurred by the Developer during the performance of the Redevelopment Project which are related to work performed to the roof, siding, and flooring, as determined and verified by the City, in

the City's sole discretion, up to a maximum amount of \$ \$32,406.00, (the "Incentive Payment").

Disbursement of funds shall occur at the discretion of the City, upon completion of eligible project components and submission of proper Request of Reimbursement by the Developer to the City. Funding may be provided as costs or specific work items are submitted at the agreed upon rate of one hundred percent of costs incurred at such time, not to exceed the Reimbursement Limit.

"TIF Eligible Redevelopment Project Costs" shall be the costs actually paid and incurred by the Developer in connection with the Redevelopment Project which are authorized to be reimbursed or paid from revenues collected pursuant to the TIF Act as provided in Section 5/11-74.4-3(q) of the TIF Act, as determined and verified by the City, in the City's sole discretion. For the purposes of this agreement, Eligible Redevelopment Project Costs may include, but are not limited to:

Summary of TIF Eligible Redevelopment Project Costs		
Work Item Description	Estimated Total Cost	Estimated TIF Eligible Cost
Roof replacement	\$18,000	\$18,000
Siding replacement	\$4,000	\$4,000
Flooring repairs	\$10,406	\$10,406
TOTAL	\$32,406.00	\$32,406.00

Payment will be exclusively for costs paid and incurred in connection with the Redevelopment Project which are authorized to be reimbursed or paid from the Special Allocation Fund as provided in Section 5/11-74.4-3(q) of the TIF Act. It will be the obligation of the Developer to produce and submit to the City evidence of any and all TIF Eligible Redevelopment Project Costs which they are requesting reimbursement for in accordance with this Agreement prior to the disbursement of any funds from the City. Total payments to the Developer may not exceed the total TIF Eligible Redevelopment Project Costs approved and verified to have been incurred during the completion of the Redevelopment Project as determined in the sole discretion of the City.

SECTION 3: Requests for Payment. The Developer agrees to submit Requests for Payment of the Incentive Payment in substantially the same form as set forth in Exhibit 1 ("Requests for Payment") within 30 days of completion of the Redevelopment Project. All Requests for Payment shall be accompanied by invoices, statements, vouchers or bills for the amount requested (including evidence of payment thereof as to any amounts for which

payment or reimbursement is requested) and lien waivers for all services or materials furnished by subcontractors, except as to any retainage, related to amounts for which reimbursement is requested. It is the sole responsibility of the Developer to submit any all Requests for Payment at the time it believes all obligations of the Developer have been completed and payment may be eligible for disbursement in accordance with the terms of this Agreement. If proper Request for Payment is not submitted within 30 days of completion of the Redevelopment Project, and no extension to this deadline has been granted by the City, the City will have the right to immediately void this Agreement and all Incentive Payments owed to the Developer shall be forfeit.

SECTION 4: Approval of Requests. The City shall approve or deny any Requests for Payment within thirty (30) days of the submittal thereof. If the City disapproves any Request or any portion thereof, it shall state in writing the reasons therefore and provide the Developer a reasonable opportunity to clarify or correct the Request.

SECTION 5: Disbursement of Payment. Disbursement of payment in accordance with this Agreement will be in the form of a one-time lump sum payment and **will only be eligible for disbursement upon substantial completion of all components and conditions of the Redevelopment Project** as verified and approved by the City, in the City's sole discretion, and not before submission of a proper Request for Payment by the Developer, of which must be approved by the Mayor and City Council.

Within 30 days of approval of any Request for Payment, the City shall pay the Developer for such approved Eligible Redevelopment Project Costs to the extent monies are available in the Special Allocation Fund for the TIF District.

SECTION 6: Payment Limited to Special Allocation Fund. Notwithstanding any other term or provision of this Agreement, the City's obligations for payments pursuant to this Agreement are limited to monies in the Special Allocation Fund for the TIF District and from no other source. This Agreement does not compel the City's General Fund, or any other source of funds, to provide monies for any payment or obligation identified herein. The "Special Allocation Fund" shall be the fund or account set up by the City specifically to deposit monies collected pursuant to the TIF Act for the TIF District.

SECTION 7: Administration Fees. The Developer agrees that all payment(s) received from the City may be subject to the deduction of an "Administration Fee" for the creation and administration of this Redevelopment Agreement and all matters related to the context of this Agreement. Administration Fees will be calculated as an amount equal to 10% of any payment made to the Developer from the City pursuant to this agreement, not to exceed a total of \$1,500.00 per occurrence. **The City may waive this fee at their discretion.**

SECTION 8: Default and Remedies The Developer agrees that if any of the following events occur within five (5) years after the disbursement of Incentive Payment(s) pursuant to this agreement (the “Effective Date”), the Developer may be considered to be in default of the Agreement, and the City will have the right to recover from the Developer certain portions of the total payments granted from the City to the Developer as part of this Agreement:

RESOLUTION NO. 2025-08

A RESOLUTION PROVIDING FOR A FEASIBILITY STUDY ON THE DESIGNATION OF AREAS AS REDEVELOPMENT PROJECT AREAS

WHEREAS, the City of Hillsboro (the "City") is a political subdivision, body politic, and municipal corporation of the State of Illinois; and,

WHEREAS, the City, in order to promote and protect the health, safety, morals and welfare of the public, must identify those areas which are blighted, as well as those areas which contain conditions precedent to blight; and,

WHEREAS, the City, in order to determine if such conditions exist, and to determine whether such conditions can be eradicated or ameliorated, may elect to study such areas which may contain such conditions; and,

WHEREAS, the City has determined to study such areas, as specifically provided under 65 ILCS 5/11-74.4, et. seq.

NOW THEREFORE BE IT RESOLVED, by the City Council of the City of Hillsboro, Illinois, that:

The City hereby authorizes Moran Economic Development, LLC to undertake a feasibility study on the designation of a redevelopment project area. Generally, the proposed Area includes parcels of property in the central portion of the City east of the downtown area. Property south of East Tremont Street and west of the railroad right-of-way makes up the southern portion of the boundary, and the Area continues north along the railroad right-of-way to take in property north of IL-16. The Area extends northwest to include the Central Park property and north to the sewer treatment facility. In the eastern portion of the Area the boundary includes property between Lake Road and County Road 1200 East and extends north of Smith Road to include properties adjacent to Lake Hillsboro, which make up the northernmost portion of the boundary.

1. The purpose of the proposed redevelopment plan and project within the City of Hillsboro is to provide incentives for development in an area where development would not occur but for the use of tax increment financing and to provide public infrastructure upgrades throughout the area.
2. A general description of tax increment financing follows:

Tax increment financing was created by the Tax Increment Allocation Redevelopment Act (the "Act"), found at 65 ILCS 5/11-74.4-1 et. seq. Tax increment financing is a technique intended to be used by municipalities to address and eradicate problems which cause areas to qualify, generally, as "conservation" or "blighted" areas, and to carry out redevelopment projects which serve this end. The concept behind the tax increment law is relatively straightforward and allows a municipality to carry out redevelopment activities on a locally controlled basis. Redevelopment, which occurs in a designated Redevelopment Project Area, will increase the equalized assessed valuation of the property and, thus, generate increased property tax revenues. This increase or "increment" can be used to finance "redevelopment project costs" such as land acquisition, site clearance, building rehabilitation, interest subsidy and the construction of public infrastructure within that same Redevelopment Project Area.

3. Submit all comments and suggestions regarding the redevelopment of the areas to be studied to:

“Exhibit A”

WASTEWATER SERVICE AGREEMENT

THIS WASTEWATER SERVICE AGREEMENT (hereinafter, the "Agreement") is entered into by and between the CITY OF HILLSBORO, ILLINOIS (hereinafter, the "CITY"), and the VILLAGE OF BUTLER, ILLINOIS, (hereinafter, the "VILLAGE") (each referred to as a "Party" or, collectively, as the "Parties").

WHEREAS, the CITY and the VILLAGE are non-home rule municipal corporations as set forth in Article VII, Section 7 of the 1970 Illinois Constitution, located in Montgomery County, Illinois; and

WHEREAS, the CITY owns and operates a wastewater collection system and wastewater treatment facilities (hereinafter, the "City's Wastewater System"); and

WHEREAS, the VILLAGE owns and operates a wastewater collection system (hereinafter, the "VILLAGE's Collection System"); and

WHEREAS, the Illinois Municipal Code, 65 ILCS 5/11-146-1 provides, in part, "[t]he corporate authorities of each municipality may contract with * * * any municipality, or any person for the collection and disposal of sewage originating outside of municipalities"; and

WHEREAS, the CITY and the VILLAGE are public agencies within the meaning of the Illinois Intergovernmental Cooperation Act, as specified at 5 ILCS 220/1, *et seq.*, and are authorized by Article VII, Section 10 of the Constitution of the State of Illinois to cooperate for public purposes; and

WHEREAS, the CITY has previously entered into an agreement or agreements with the VILLAGE providing for treatment of wastewater from the VILLAGE's Collection System; and

WHEREAS, the CITY is in the process of upgrading and updating the City's Wastewater System by constructing a new wastewater treatment plant; and

WHEREAS, construction of the CITY's new wastewater treatment plant is being financed, in part, by funds from the United States Department of Agriculture; and

WHEREAS, to comply with standards established by the United States Department of Agriculture, including 7 C.F.R. § 1780.62, the CITY is required to update its existing agreement(s) with the VILLAGE for providing wastewater services.

NOW THEREFORE, in consideration of the mutual terms, conditions, benefits, covenants, and agreements contained herein, the Parties hereto agree as follows:

1. Authority

This Agreement is authorized and is entered into pursuant to Division 147 of the Illinois Municipal Code, 65 ILCS 5/11-147-1, *et seq.* ("Division 147").

2. Quality & Quantity

During the term of this Agreement or any renewal or extension thereof, the CITY shall receive from the VILLAGE at the Point of Delivery (hereinafter defined) the VILLAGE's Wastewater (hereinafter defined) for the purpose of wastewater treatment, not to exceed in a single month a 25% variance from the previous 12-month average flow, measured in gallons and based on historical data regarding the amount of wastewater conveyed to the CITY by the VILLAGE, subject to the terms, conditions, and provisions of this Agreement. Within this Agreement, the "VILLAGE's Wastewater" shall mean those wastewater connections to the VILLAGE's Collection System within the corporate limits of the Village of Butler as existing on the date of this Agreement. The VILLAGE shall not permit any surface drainage or storm water drainage into its Collection System. The CITY expressly recognizes and understands, however, that an Act of God or a system failure could result in surface drainage or stormwater drainage infiltrating the system, and such situations will only be deemed as ones in which the VILLAGE has "permitted" surface drainage or storm water drainage into its Collection System where the facts demonstrate that to be the case or where the VILLAGE has failed to discontinue or remedy such infiltration after notice and a reasonable opportunity to do so.

Further, the VILLAGE shall not allow any septic systems or bulk waste dumping to be discharged, deposited, or transmitted into the City's Wastewater System from the VILLAGE's Collection System. Any waste streams from the VILLAGE that exceed residential concentrations shall be expressly approved by the CITY beforehand and in writing. For purposes of this Agreement, "residential concentrations" shall mean up to 100 gallons per person per day. Sewage from the VILLAGE (*i.e.*, the VILLAGE's Wastewater) that is transmitted or delivered to the Point of Delivery pursuant to this Agreement shall not exceed the concentrations identified by City ordinances as triggering a surcharge.

In case of reduction in the CITY's capacity to provide wastewater treatment services, all of the CITY's wastewater treatment users, including the VILLAGE, will proportionately share the reduction in treatment capacity.

3. Point of Delivery

The VILLAGE's Wastewater shall be transmitted, delivered, and furnished to the CITY at the existing master meter located at the CITY's wastewater treatment

plant. The CITY and the VILLAGE may mutually agree to amend, expand, relocate, or otherwise modify the Point of Delivery by written agreement pursuant to terms and conditions of this Agreement. Unless and until the Point of Delivery is relocated, the CITY agrees to allow the VILLAGE all reasonable access at all reasonable times to access, repair, or otherwise maintain the Point of Delivery and the line leading thereto, and the VILLAGE agrees to notify the CITY prior to entering upon the CITY's property for such purposes or, if prior notice is impractical, at the earliest reasonable opportunity.

4. Risk of Loss; Care, Custody, and Control

Risk of loss of the VILLAGE's Wastewater shall transfer from the VILLAGE to the CITY at the Point of Delivery. Care, custody, and control of the VILLAGE's Wastewater shall transfer from the VILLAGE to the CITY on the CITY's side of the meter within the Point of Delivery.

5. Rates

A. Rates: The CITY shall charge, and the VILLAGE shall pay, for sewage transmitted, conveyed, and delivered to the City's Wastewater System at the rates established by Ordinances of the CITY. The initial rates shall be as set forth by Ordinance No. 1793, approved April 2, 2024. The CITY shall retain the power to raise or lower the VILLAGE's rates charged under this Agreement in a fashion proportionate with any increases or decreases in rates that CITY may make for its regular customers.

B. Surcharges: Should there be an exceedance of the limitations set forth in paragraph 2 or a violation of paragraph 2 that causes the CITY to incur additional costs for operation, maintenance, replacement, or fines and penalties imposed by any court or state or federal agency, the VILLAGE shall pay to the CITY the actual amount of any such costs for operation, maintenance, replacement, fine, or penalty. In addition, the VILLAGE shall reimburse the CITY for any attorneys' fees and legal costs incurred by the CITY related to the CITY's defense against imposition of fines or penalties by such court or state or federal agency.

6. Metering

The CITY shall continue to operate, own, and maintain at the CITY's expense at the Point of Delivery the necessary metering equipment, including the existing master meter, and required devices of standard type for properly measuring the quantity of the VILLAGE's Wastewater. The VILLAGE shall be responsible for maintaining any other metering equipment not located at or located before the Point of Delivery. The metering equipment shall be read monthly. An appropriate official

of the VILLAGE shall have access to the meter at all reasonable times for the purpose of verifying its readings.

The CITY shall calibrate and test the metering equipment at the Point of Delivery upon request by the VILLAGE, at the VILLAGE's expense, but such request shall not be made more frequently than twice per calendar year. Metering equipment registering not more than 2% above or below the calibration result shall be deemed to be accurate. If the VILLAGE requests calibration and testing of the CITY's metering equipment and the metering equipment is found to be inaccurate (*i.e.*, more than 2% above or below the calibration result), then the CITY shall pay the cost of calibration and testing of the metering equipment. The previous readings of any meter disclosed by test to be inaccurate shall be corrected for the 6 months previous to such test in accordance with the percentage of inaccuracy found by such tests.

If any meter fails for any period, the amount of water furnished during such period shall be deemed to be the amount of sewage delivered in the corresponding period immediately prior to the failure, unless the Parties agree upon a different amount.

7. Performance

Any requirements of the CITY in its NPDES permits regarding collection systems or sources shall apply to the VILLAGE with regard to the VILLAGE's Collection System.

8. Billing & Payment

During the term of this Agreement, the CITY shall tender statements to the VILLAGE for the sewage transmitted through the Point of Delivery for the prior billing period consistent with the CITY's regular billing practices and schedule. The VILLAGE shall be subject to penalties, interest, and other terms as may be established by ordinance. Furthermore, if the VILLAGE fails to pay any balance that is more than 180 days overdue, the CITY may, in addition to any other rights afforded to the CITY by ordinance, rule, regulation, or law, terminate this Agreement and discontinue the acceptance and treatment of wastewater from the VILLAGE's Wastewater and collection system. The CITY may also pursue any and all remedies available to the CITY at law or in equity.

9. System Rights

It is understood and agreed that the relationship of the CITY and the VILLAGE is contractual in nature and that any payments by the VILLAGE to the CITY as provided herein shall not be construed as vesting any right, title, or interest in the City's Wastewater System or any improvements, enlargements, or extensions

thereof in favor of the VILLAGE. This Agreement shall not vest or otherwise create in the VILLAGE any right to the City's Wastewater System, nor shall the VILLAGE have any right to use or transmit wastewater through the City's Wastewater System that is not expressly approved by the CITY.

10. Term of Agreement; Renewal

The term of this Agreement shall be forty (40) years. Thereafter, this Agreement shall automatically renew for another term of one (1) year, unless this Agreement is sooner terminated by either Party by sending written notice of its intent to do so to the chief executive officer (i.e., the CITY's Mayor or the VILLAGE's President, as applicable) of the other Party within 180 days of the expiration of the initial term or a renewal term of this Agreement. A courtesy copy of any such notices shall also be provided to the other Party's Clerk.

11. Consultations and Exchanges of Information

During the term of this Agreement, each Party shall provide the other with such data and usage forecasts as either Party may reasonably require for its planning purposes. Either Party may inspect the books and records of the other at reasonable times and places, insofar as such books and records relate to the subject matter of this Agreement, and without the necessity for a formal request pursuant to the Freedom of Information Act. Each Party to this Agreement shall consult with the other whenever reasonably requested to do so.

12. Dispute Resolution

This Agreement and its terms are specifically enforceable by court action, including, without limitation, injunctive relief. It is also agreed that the sole and exclusive jurisdiction and venue for any action for enforcement of this Agreement or for any alleged violation of this Agreement shall be solely the Circuit Court of Montgomery County, Illinois.

13. Regulatory Agencies

This Agreement is subject to such rules, regulations, or laws as may be applicable to similar agreements in this State, and the Parties hereto will collaborate in obtaining such permits, certificates, or the like, as may be required to comply therewith. The CITY hereby pledges this Agreement as part of the security for the loan issued by the United States Department of Agriculture (Rural Development) to facilitate construction of CITY's new wastewater treatment plant.

14. Miscellaneous

This is the entire agreement between the Parties with respect to its subject matter. All oral representations regarding this Agreement prior to the date hereof are expressly disclaimed. Any and all prior agreements between the CITY and the VILLAGE are hereby superseded and declared null and void. This Agreement is effective upon execution and approval of the last to occur of (1) a written resolution of the VILLAGE, signed by the VILLAGE President, authorizing the VILLAGE to enter into this Agreement; (2) a written resolution of the CITY, signed by the Mayor of Hillsboro, authorizing the CITY to enter into this Agreement; and (3) this Agreement being signed by the Mayor and the President and attested by the respective Clerks, provided, however, that this Agreement may be executed in counterparts. The signatories to this Agreement warrant and represent that each has full authority to bind his/her respective Party. All modifications to this Agreement shall be in writing and shall be effective only when approved by written resolutions approved and signed by both Parties. The headings in this Agreement are for convenience only and are not substantive parts of this Agreement. This Agreement shall be governed in accordance with Illinois law. In the event any portion of this Agreement is unenforceable, such shall not affect the enforceability of the remainder of the Agreement.

“Exhibit A”

WASTEWATER SERVICE AGREEMENT

THIS WASTEWATER SERVICE AGREEMENT (hereinafter, the "Agreement") is entered into by and between the CITY OF HILLSBORO, ILLINOIS (hereinafter, the "CITY"), and the STATE OF ILLINOIS DEPARTMENT OF CORRECTIONS, (hereinafter, the "IDOC") (each referred to as a "Party" or, collectively, as the "Parties").

WHEREAS, the CITY is a non-home rule municipal corporation as set forth in Article VII, Section 7 of the 1970 Illinois Constitution, located in Montgomery County, Illinois; and

WHEREAS, the CITY owns and operates a wastewater collection system and wastewater treatment facilities (hereinafter, the "City's Wastewater System"); and

WHEREAS, IDOC operates a medium security adult male correctional facility, namely Graham Correctional Center (hereinafter, "Graham"), which is located at 12068 Illinois Route 185, Hillsboro, Montgomery County, Illinois; and

WHEREAS, since 1991, and prior thereto, the City has treated the wastewater generated at Graham and transmitted to the City from Graham via pipes, valves, lines, fittings, flanges, mains, systems, cleanouts, lift station(s), and/or other hardware, facilities, and appurtenances (hereinafter, "Graham's Collection System"); and

WHEREAS, the CITY has previously entered into an agreement or agreements with IDOC providing for treatment of wastewater from Graham's Collection System; and

WHEREAS, the CITY is in the process of upgrading and updating the City's Wastewater System by constructing a new wastewater treatment plant; and

WHEREAS, construction of the CITY's new wastewater treatment plant is being financed, in part, by funds from the United States Department of Agriculture; and

WHEREAS, to comply with standards established by the United States Department of Agriculture, including 7 C.F.R. § 1780.62, the CITY is required to update its existing agreement(s) with IDOC for providing wastewater services; and

WHEREAS, the Illinois Procurement Code, 30 ILCS 500/1-10(b)(1), provides that its provisions do not apply to "[c]ontracts between the State and its political subdivisions"; and

WHEREAS, the CITY and IDOC are public agencies within the meaning of the Illinois Intergovernmental Cooperation Act, as specified at 5 ILCS 220/1, *et seq.*,

and are authorized by Article VII, Section 10 of the Constitution of the State of Illinois to cooperate for public purposes.

NOW THEREFORE, in consideration of the mutual terms, conditions, benefits, covenants, and agreements contained herein, the Parties hereto agree as follows:

1. Authority

This Agreement is authorized and is entered into pursuant to the Illinois Intergovernmental Cooperation Act, as specified at 5 ILCS 220/1, *et seq.*, and Article VII, Section 10 of the Constitution of the State of Illinois.

2. Quality & Quantity

During the term of this Agreement or any renewal or extension thereof, the CITY shall receive from IDOC/Graham at the Point of Delivery (hereinafter defined) Graham's Wastewater (hereinafter defined) for the purpose of wastewater treatment, not to exceed in a single month a 25% variance from the previous 12-month average flow, subject to the terms, conditions, and provisions of this Agreement. Within this Agreement, "Graham's Wastewater" shall mean those wastewater connections to Graham's Collection System as existing on the date of this Agreement and being discharged to the City for treatment pursuant to any prior agreement. Graham shall be the only property provided with service pursuant to this Agreement. In case of shortages in the CITY's capacity to provide wastewater treatment services, all of the CITY's wastewater treatment users will proportionately share the shortage.

3. Point of Delivery

Graham's Wastewater shall be transmitted, delivered, and furnished to the CITY at the existing lift station located on P.I.N. 16-12-376-001. The CITY and IDOC may mutually agree to amend, expand, relocate, or otherwise modify the Point of Delivery by written agreement pursuant to terms and conditions of this Agreement.

4. Risk of Loss; Care, Custody, and Control

Risk of loss of Graham's Wastewater shall transfer from IDOC to the CITY at the Point of Delivery. Care, custody, and control of Graham's Wastewater shall transfer from IDOC to the CITY at the Point of Delivery.

5. Rates

A. Rates: The CITY shall charge, and IDOC shall pay, for sewage transmitted, conveyed, and delivered to the City's Wastewater System at the rates established by Ordinances of the CITY. The initial rates shall be as set forth by Ordinance No. 1793, approved April 2, 2024. The CITY shall retain the power to raise

or lower IDOC's rates charged under this Agreement in a fashion proportionate with any increases or decreases in rates that CITY may make for its regular customers.

B. Surcharges: In addition to the above rates, and notwithstanding anything to the contrary within this Agreement, surcharges will be calculated at the time of exceedance, measured in gallons, and based on historical data regarding the amount of wastewater conveyed to the CITY by IDOC. IDOC shall pay the rate set forth in paragraph 5.A. on any excesses over and above the effluent limitations set forth in paragraph 2.

6. Metering

The CITY shall continue to operate, own, and maintain at the CITY's expense at or after the Point of Delivery any necessary metering equipment and required devices of standard type for properly measuring the quantity of the Graham's Wastewater. IDOC shall be responsible for maintaining any other metering equipment not located at or located before the Point of Delivery. An appropriate official of the IDOC shall have access to the CITY's meter at all reasonable times for the purpose of verifying its readings.

The CITY shall calibrate and test its metering equipment upon request by IDOC, at the IDOC's expense, but such request shall not be made more frequently than twice per calendar year. Metering equipment registering not more than 2% above or below the calibration result shall be deemed to be accurate. If IDOC requests calibration and testing of the CITY's metering equipment and the metering equipment is found to be inaccurate (*i.e.*, more than 2% above or below the calibration result), then the CITY shall pay the cost of calibration and testing of the metering equipment. The previous readings of any meter disclosed by test to be inaccurate shall be corrected for the 6 months previous to such test in accordance with the percentage of inaccuracy found by such tests.

If any meter fails for any period, the amount of water furnished during such period shall be deemed to be the amount of sewage delivered in the corresponding period immediately prior to the failure, unless the Parties agree upon a different amount.

7. Performance

Any requirements of the CITY in its NPDES permits regarding collection systems or sources shall apply to IDOC with regard to Graham's Collection System.

8. Billing & Payment

During the term of this Agreement, the CITY shall tender statements to IDOC for the sewage transmitted through the Point of Delivery for the prior billing period

consistent with the CITY's regular billing practices and schedule. All payments by the State (or IDOC) under this Agreement are subject to the Illinois State Prompt Payment Act (30 ILCS 540) and the Illinois Finance Act (30 ILCS 105). If the State fails to make a payment within 90 days after receipt of a proper invoice or the date specified in the contract, whichever is later, interest may be payable as provided by the Prompt Payment Act.

9. System Rights

It is understood and agreed that the relationship of the CITY and IDOC is contractual in nature and that any payments by IDOC to the CITY as provided herein shall not be construed as vesting any right, title, or interest in the City's Wastewater System or any improvements, enlargements, or extensions thereof in favor of IDOC. This Agreement shall not vest or otherwise create in IDOC any right to the City's Wastewater System, nor shall IDOC have any right to use or transmit wastewater through the City's Wastewater System that is not expressly approved by the CITY.

10. Term of Agreement

The term of this Agreement shall be ten (10) years.

11. Consultations and Exchanges of Information

During the term of this Agreement, each Party shall provide the other with such data and usage forecasts as either Party may reasonably require for its planning purposes. Either Party may inspect the books and records of the other at reasonable times and places, insofar as such books and records relate to the subject matter of this Agreement, and without the necessity for a formal request pursuant to the Freedom of Information Act. Each Party to this Agreement shall consult with the other whenever reasonably requested to do so.

12. Regulatory Agencies

This Agreement is subject to such rules, regulations, or laws as may be applicable to similar agreements in this State, and the Parties hereto will collaborate in obtaining such permits, certificates, or the like, as may be required to comply therewith. The CITY hereby pledges this Agreement as part of the security for the loan issued by the United States Department of Agriculture (Rural Development) to facilitate construction of CITY's new wastewater treatment plant.

13. Miscellaneous

This is the entire agreement between the Parties with respect to its subject matter. All oral representations regarding this Agreement prior to the date hereof are expressly disclaimed. Any and all prior agreements between the CITY and IDOC

are hereby superseded and declared null and void. This Agreement is effective upon execution and approval of the last to occur of (1) this Agreement being signed by Graham's Warden or other person authorized to enter into this Agreement by IDOC and (2) a written resolution of the CITY, signed by the Mayor of Hillsboro, authorizing the CITY to enter into this Agreement, together with this Agreement being signed by the Mayor of the CITY and attested by the CITY's Clerk, provided, however, that this Agreement may be executed in counterparts. The signatories to this Agreement warrant and represent that each has full authority to bind his/her respective Party. All modifications to this Agreement shall be in writing and shall be effective only when approved by written resolutions approved and signed by both Parties. In accordance with this agreement, the City agrees to cause for financial assistance to be made available to the Developer in the following forms:

(A) One-Time Cost Reimbursement Grant Payment

Pursuant to this agreement, the City agrees to reimburse the Developer in an amount equal to **eighty percent (80%)** of the total Eligible Redevelopment Project Costs related to the

SECTION 5: Approval of Requests. The City shall approve or disapprove any Requests for Payment within 30 days of the submittal thereof. If the City disapproves any Request or any portion thereof, it shall state in writing the reasons therefore and provide the Developer a reasonable opportunity to clarify or correct the request.

SECTION 6: Disbursement of Payment. Disbursement of payment in accordance with this Agreement will be in the form of a one-time lump sum grant payment, and will only be eligible for disbursement upon completion of all components and conditions of the Redevelopment Project as verified and approved by the City, in the City's sole discretion, and not before submission of a proper Request for Payment by the Developer, of which must be approved by an authorized representative of the City.

Within 30 days of approval of any Request for Payment, the City shall pay the Developer for such approved Eligible Redevelopment Project Costs to the extent monies are available in the Special Allocation Fund for which revenues collected pursuant to the Business District Act for the Business District are deposited.

SECTION 7: Payment Limited to Special Allocation Funds. Notwithstanding any other term or provision of this Agreement, the City's obligations for payments pursuant to this Agreement are limited to monies in the Special Allocation Funds for the Business District and from no other source. This Agreement does not compel the City's General Fund, or any

other source of funds, to provide monies for any payment or obligation identified herein.

SECTION 8: Administration Fees. The Developer agrees that all payment(s) received from the City may be subject to the deduction of an "Administration Fee" for the creation and administration of this Redevelopment Agreement and all matters related to the context of this Agreement. Administration Fees will be calculated as an amount equal to **10%** of any payment made to the Developer from the City pursuant to this agreement, **not to exceed a total of \$500.00 per occurrence.** The City may choose to waive this fee at their discretion.

SECTION 9: Default and Remedies The Developer agrees that if any of the following events occur within five (5) years after the disbursement of any payments made to the Developer by the City pursuant to this agreement (the "Effective Date"), the Developer may be considered to be in default of the Agreement, and the City will have the right to recover from the Developer certain portions of the total payments granted from the City to the Developer as part of this Agreement:

- a) Failure to begin or substantially complete the Redevelopment Project within the identified timeframes.
- b) The Redevelopment Project or Property is determined to have been destroyed, unfit for occupation or redevelopment, or otherwise unusable for public or private purposes and such condition is not remedied within one year after written notice of such determination, subject to extension for delays arising from Force Majeure (defined below).
- c) The Property ceases to be used for the purposes of operating an approved or otherwise authorized commercial business, which is open to the public on a regular basis, or for any other lawfully authorized purposes as approved by the City, and such use is not re-commenced within thirty (30) days of written notice of such determination, subject to extension for delays arising from Force Majeure (defined below).
- d) The Developer is found to have not maintained proper insurance as may be required by any federal, state, or local regulations or requirements.
- e) The Property or Developer is found to be in violation of any federal, state, or local laws, codes, ordinance, or other regulations which may be applicable to the Property, Developer, or businesses operating thereon, and such violations are not corrected in a reasonable or timely manner after written notice of such default.
- f) The Property becomes exempt from the payment of property taxes, or the Developer, or any representative thereof protests or appeals the assessed value of the property.
- g) All general ad valorem taxes and assessments charged or imposed upon the

Property, Developer, business, or any part thereof that at any time are not paid in full at the time they become due and such failure is not cured within thirty (30) days after Developer's receipt of written notice thereof from the City or County.

If a default occurs within five (5) years from the Effective Date, the Developer will return 100% of any payments made to the Developer by the City pursuant to this Agreement.

Upon the occurrence of a default or a breach which requires either party to undertake any action to enforce any provision of this Agreement, the defaulting party shall pay upon demand, all of the non-defaulting party's charges, costs and expenses, including the reasonable fees of attorneys, agents and others, as may be paid or incurred by such non-defaulting party in enforcing any of the defaulting party's obligations under this Agreement or in any litigation, negotiation or transaction in connection with this Agreement in which the defaulting party causes the non-defaulting party, without the non-defaulting party's fault, to become involved or concerned.

The City reserves the right to pursue recovery of any and all payments made to the Developer pursuant to this agreement at their own discretion. Request for repayment will be required to be made in writing to the Developer and is not automatically triggered by the above-mentioned events.

SECTION 10: Liability of the Developer. It is expressly agreed that the signatory(s) of this Agreement, on behalf of the Developer, shall be personally liable for all payments or obligations for payment to the City which have resulted from default or breach of this Agreement.

SECTION 11: Liability of the City. All covenants, stipulations, promises, agreements and obligations of the City contained herein shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the City and not of any of its Corporate Authorities, officials, agents, employees or independent contractors in their individual capacities. No member of the Corporate Authorities, officials, agents, employees or independent contractors of the City shall be personally liable to the Developer **(i)** in the event of a Default or Breach by any party under this Agreement, or **(ii)** for the payment of any portion of the Reimbursement Amount which may become due and payable under the terms of this Agreement.

SECTION 12: City Not Liable for Damages. Notwithstanding anything herein to the contrary, the City shall not be liable to the Developer for damages of any kind or nature whatsoever arising in any way from this Agreement, from any other obligation or agreement made in connection therewith or from any Default or Breach under this Agreement; provided that nothing in this Section 11 shall limit otherwise permissible

claims by the Developer against the TIF District or Special Allocation Fund(s), or actions by the Developer seeking specific performance of this Agreement or other relevant contracts in the event of a Breach of this Agreement by the City.

SECTION 13: Hold Harmless of the City. The Developer agrees to indemnify, defend and hold harmless the City, its Corporate Authorities, officials, agents, employees and independent contractors, from and against any and all suits, claims and cost of attorneys' fees, resulting from, arising out of, or in any way connected with **(i)** any of the Developer's obligations under or in connection with this Agreement, **(ii)** the performance of the Redevelopment Project, **(iii)** the Developer's compliance with fair labor practices including the Prevailing Wage Act if, as and when applicable to the Project, and **(iv)** the negligence or willful misconduct of the Developer, its officials, agents, employees or independent contractors in connection with the management, development, redevelopment, construction or installation of the Project, except as such may be caused by the intentional conduct, gross negligence, negligence or breach of this Agreement by the City, its Corporate Authorities, officials, agents, employees or independent contractors.

SECTION 14: Provision Enforceability. In the event any term or provision of this Agreement is held to be unenforceable by a court of competent jurisdiction, the remainder shall continue in full force and effect, to the extent the remainder can be given effect without the invalid provision.

SECTION 15: Assignment. The Developer agrees that it shall not sell, assign or otherwise transfer any of its rights and obligations under this Agreement without the prior written consent of the City. Any assignment in whole or in part shall be void and shall, at the option of the City, terminate this Agreement. No such sale, assignment or transfer, including any with the City's prior written consent, shall be effective or binding on the City, however, unless and until the Developer delivers to the City a duly authorized, executed and delivered instrument which contains any such sale, assignment or transfer and the assumption of all the applicable covenants, agreements, terms and provisions of this Agreement by the applicable parties thereto.

SECTION 16: No Joint Venture, Agency, or Partnership Created. Nothing in this Agreement nor any actions of either of the City or the Developer shall be construed by either of the City, the Developer or any third party to create the relationship of a partnership, agency, or joint venture between or among the City and any party being the Developer.

SECTION 17: Force Majeure. Neither the City nor Developer nor any successor in interest shall be considered in breach or default of their respective obligations under this

Agreement, and times for performance of obligations hereunder shall be extended in the event of any delay caused by Force Majeure, including, without limitation, damage or destruction by fire or casualty; strike; lockout; civil disorder; war; restrictive government regulations; lack of issuance of any permits and/or legal authorization by the governmental entity necessary for Redeveloper to proceed with construction of the Work or any portion thereof, including rezoning; shortage or delay in shipment of material or fuel; acts of God; or other causes beyond the parties' reasonable control, including but not limited to, any litigation, court order or judgment resulting from any litigation affecting the validity of this Agreement (each an event of "Force Majeure"), provided that such event of Force Majeure shall not be deemed to exist as to any matter initiated or unreasonably sustained by Redeveloper or the City in bad faith, and further provided that the party seeking an extension notifies the other party.

SECTION 18: Entire Agreement and Amendments. The parties hereto stipulate that each has obtained advice and consultation of legal counsel of its own choosing and have not relied upon legal representation or opinions of the other party. All agreements between the parties are expressly set forth herein, and no statements or expressions of the separate parties previously made and not set forth in writing in this document shall be binding upon said party.

The parties agree that this Agreement constitutes the entire agreement between the parties and that no other agreements or representations other than those contained in this Agreement have been made by the parties. This Agreement shall be amended only in writing and effective when signed by the authorized agents of the parties.

IN WITNESS WHEREOF, the City and the Developer have caused this Agreement to be executed by their duly authorized officers or manager(s) as of the date set forth below.

- by any federal, state, or local regulations or requirements.
- e) The Property or Developer is found to be in violation of any federal, state, or local laws, codes, ordinance, or other regulations which may be applicable to the Property, Developer, or businesses operating thereon, and such violations are not corrected in a reasonable or timely manner after written notice of such default.
 - f) The Property becomes exempt from the payment of property taxes, or the Developer, or any representative thereof protests or appeals the assessed value of the property.
 - g) All general ad valorem taxes and assessments charged or imposed upon the Property, Developer, business, or any part thereof that at any time are not paid in full at the time they become due and such failure is not cured within thirty (30) days after Developer's receipt of written notice thereof from the City or Williamson County.

If any of the foregoing defaults occur within five (5) years from the Effective Date, and such default is not timely cured, the Developer will return to the City the amount equal to 100% of any payments provided pursuant to this agreement.

Upon the occurrence of a default or a breach which results in either party to undertaking any action to enforce any provision of this Agreement, the defaulting party shall pay upon demand all of the non-defaulting party's charges, costs and expenses, including the reasonable fees of attorneys, agents and others, as may be paid or incurred by such non-defaulting party in enforcing any of the defaulting party's obligations under this Agreement or in any litigation, negotiation or transaction in connection with this Agreement in which the defaulting party causes the non-defaulting party, without the non-defaulting party's fault, to become involved or concerned.

The City reserves the right to pursue recovery of any and all payments made to the Developer pursuant to this Agreement at their own discretion after material default by Developer. Request for repayment will be required to be made in writing to the Developer and is not automatically triggered by the above-mentioned events.

SECTION 10: Liability of the Developer. It is expressly agreed that the signatory(s) of this Agreement, on behalf of the Developer, shall be personally liable for all payments or obligations for payment to the City which have resulted from default or breach of this Agreement.

SECTION 11: Liability of the City. All covenants, stipulations, promises, agreements and obligations of the City contained herein shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the City and not of any of its Corporate Authorities, officials, agents, employees or independent contractors in their individual capacities. No member of the Corporate Authorities, officials, agents, employees or

independent contractors of the City shall be personally liable to the Developer **(i)** in the event of a Default or Breach by any party under this Agreement, or **(ii)** for the payment of any portion of the Reimbursement Amount which may become due and payable under the terms of this Agreement.

SECTION 12: City Not Liable for Damages. Notwithstanding anything herein to the contrary, the City shall not be liable to the Developer for damages of any kind or nature whatsoever arising in any way from this Agreement, from any other obligation or agreement made in connection therewith or from any Default or Breach under this Agreement; provided that nothing in this Section 11 shall limit otherwise permissible claims by the Developer against the Fund or actions by the Developer seeking specific performance of this Agreement or other relevant contracts in the event of a Breach of this Agreement by the City.

SECTION 13: Hold Harmless of the City. The Developer agrees to indemnify, defend and hold harmless the City, its Corporate Authorities, officials, agents, employees and independent contractors, from and against any and all suits, claims and cost of attorneys' fees, resulting from, arising out of, or in any way connected with **(i)** any of the Developer's obligations under or in connection with this Agreement, **(ii)** the performance of the Redevelopment Project, **(iii)** the Developer's compliance with fair labor practices including the Prevailing Wage Act if, as and when applicable to the Project, and **(iv)** the negligence or willful misconduct of the Developer, its officials, agents, employees or independent contractors in connection with the management, development, redevelopment, construction or installation of the Project, except as such may be caused by the intentional conduct, gross negligence, negligence or breach of this Agreement by the City, its Corporate Authorities, officials, agents, employees or independent contractors.

SECTION 14: Provision Enforceability. In the event any term or provision of this Agreement is held to be unenforceable by a court of competent jurisdiction, the remainder shall continue in full force and effect, to the extent the remainder can be given effect without the invalid provision.

SECTION 15: Assignment. The Developer agrees that it shall not sell, assign or otherwise transfer any of its rights and obligations under this Agreement without the prior written consent of the City. Any assignment in whole or in part shall be void and shall, at the option of the City, terminate this Agreement. No such sale, assignment or transfer, including any with the City's prior written consent, shall be effective or binding on the City, however, unless and until the Developer delivers to the City a duly authorized, executed and delivered instrument which contains any such sale, assignment or transfer and the assumption of all the applicable covenants, agreements, terms and provisions of this Agreement by the

applicable parties thereto.

SECTION 16: No Joint Venture, Agency, or Partnership Created. Nothing in this Agreement nor any actions of either of the City or the Developer shall be construed by either of the City, the Developer or any third party to create the relationship of a partnership, agency, or joint venture between or among the City and any party being the Developer.

SECTION 17: Force Majeure. Neither the City nor Developer nor any successor in interest shall be considered in breach or default of their respective obligations under this Agreement, and times for performance of obligations hereunder shall be extended in the event of any delay caused by Force Majeure, including, without limitation, damage or destruction by fire or casualty; strike; lockout; civil disorder; war; restrictive government regulations; lack of issuance of any permits and/or legal authorization by the governmental entity necessary for Developer to proceed with construction of the Redevelopment Project or any portion thereof, including rezoning; shortage or delay in shipment of material or fuel; acts of God; pandemic or epidemic; or other causes beyond the parties' reasonable control, including but not limited to, any litigation, court order or judgment resulting from any litigation affecting the validity of this Agreement (each an event of "Force Majeure"), provided that such event of Force Majeure shall not be deemed to exist as to any matter initiated or unreasonably sustained by Developer or the City in bad faith, shall not act to delay any payment obligation under this Agreement, and further provided that the party seeking an extension notifies the other party.

SECTION 18: Entire Agreement and Amendments. The parties hereto stipulate that each has obtained advice and consultation of legal counsel of its own choosing and have not relied upon legal representation or opinions of the other party. All agreements between the parties are expressly set forth herein, and no statements or expressions of the separate parties previously made and not set forth in writing in this document shall be binding upon said party.

The parties agree that this Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof, and that no other such agreements or representations other than those contained in this Agreement have been made by the parties. This Agreement shall be amended only in writing and effective when signed by the authorized agents of the parties.

RE: Illinois EPA Section 319 Grant Application

Dear Jim May, Superintendent of Parks, Lakes & Recreation

Northwater Consulting, a Spheros Environmental Company (Northwater) is pleased to submit this proposal/contract to assist with the preparation and submission of an Illinois EPA Section 319 implementation grant for practices in the Glenn Shoals Lake watershed. Applications are due by July 23, 2025, 1:00PM CST via the AmpliFund site.

1. SCOPE OF SERVICES

The scope of services and tasks associated with the submittal of the 319 grant shall include:

1. Develop program/grant scope and strategy including practices, practice quantities and costs, expected load reductions and any required engineering, permitting and project management.
2. With input from the city, prepare application narrative, maps, uniform grant application form, application workbook and all necessary attachments.
3. Enter application into the Illinois AmpliFund site. The city will be required to enter some information and submit the final package.
4. Provide general guidance and support for practices on private property, including letters of support and match templates.

Northwater will ensure all necessary information is entered in AmpliFund no later than the close of business Monday, July 21st, 2025 to allow sufficient time for the city to complete a final review and submit.

2. TIME REQUIRED

We can begin the proposed services as soon as we receive authorization to proceed. We estimate the services under Part I can be completed in under 40 hours.

Delays caused by major changes in the project plans or by circumstances beyond the control of Northwater could extend the time of completion.

3. PAYMENT

The services described above can be accomplished for no more than **\$7,500**. Invoices are submitted routinely, but no more than monthly, for time and expenses incurred. Terms of payment are net 30 days. Overdue accounts are subject to an interest charge of 1.5 percent per month and services will stop whenever payment is overdue more than 75 days.

Routine expenses such as telephone and copies are included in the rates above. Outside expenses, or other special services incurred directly in connection with the project, are billed at cost plus 5 percent to cover handling and administration. Reimbursable expenses billed at cost include mileage.

The scope described under Part I represents our estimate of the services required based on the information provided. As the project proceeds and additional facts are discovered, it may be necessary to perform additional services and some items described may not be needed. For these reasons, we can provide only a total maximum, not-to-exceed budget for completing the services.

4. LIMITATION OF LIABILITY AND CONSEQUENTIAL DAMAGES

In recognition of the relative risks and benefits of the project to both the City of Hillsboro and Northwater, the risks have been allocated such that The City of Hillsboro agrees, to the fullest extent permitted by law, to limit the liability of Northwater and its officers, employees, and sub-consultants, to the City of Hillsboro and all of the City of Hillsboro's contractors and consultants, for any and all claims, losses, costs, damages of any nature whatsoever; or claims expenses from any cause or causes, including attorneys' fees and costs and expert witness fees and costs, so that the total aggregate liability of Northwater to the City of Hillsboro shall not exceed the total amount of \$15,000 or the total fees billed to this project, whichever is less. It is intended that this limitation apply to any and all liability or cause of action however alleged or arising, unless otherwise prohibited by law.

Notwithstanding anything to the contrary herein, in no event shall either Party hereto be liable to the other for any special, indirect, incidental, exemplary, or punitive damages, including without limitation, loss of profits, loss of business opportunity or loss of prospective revenue, arising out of this Contract/Proposal, however same may be caused. This Section shall survive the expiration or termination of this Contract/Proposal.

5. SPECIAL SERVICES

Services in addition to those described under Part I will be performed or obtained for the client's account upon request and approval at rates currently in effect.

6. INSURANCE

Northwater maintains the following insurance:

1. Commercial General Liability
2. Automobile Liability
3. Workers' Compensation and Employer's Liability
4. Professional Liability Insurance

7. ANTI-DISCRIMINATION

Northwater, its officers, directors, employees and subconsultants, hereby incorporate the requirements of 41 C.F.R. § 60-1.4(a) and 29 C.F.R. § 471, Appendix A to Subpart A, if applicable. Northwater, its officers, directors, employees and subconsultants shall also abide by the requirements of 41 CFR 60-300.5(a) and 41 CFR 60-741.5(a), if applicable. These regulations prohibit discrimination against qualified protected veterans and qualified individuals with disabilities and require affirmative action by covered prime contractors and subcontractors to employ and advance in employment qualified protected veterans and qualified individuals with disabilities.

Acceptance of this Contract/Proposal and authorization to proceed with the services can be indicated by signing one copy and returning it to us for our files.

We look forward to discussing this Contract/Proposal with you and if you have any questions or concerns about the services offered in the Contract/Proposal please call Jeff Boeckler at 217-725-3181.

(i) The value, nature, quality, or condition of the Subject Property, including, without limitation, the water, soil, and geology;

(ii) Any income to be derived from the Subject Property;

(iii) The suitability of the Subject Property for any and all activities and uses which Buyer may conduct or hope to conduct thereon;

(iv) The compliance of or by the Subject Property or its operation with any laws, rules, ordinances, or regulations of any applicable governmental authority or body;

(v) The title, description, possession, habitability, merchantability, marketability, profitability, or fitness for a particular purpose of the Subject Property or any part thereto;

(vi) The manner or quality of the construction or materials, if any, incorporated into the Subject Property;

(vii) The manner, quality, state of repair, or lack of repair of the Subject Property or any portion thereof or any improvements thereto;

(viii) The existence, quality, nature, adequacy, or physical condition of any utilities serving the Subject Property; or

(ix) Any other matter with respect to the Subject Property and, specifically, that Seller has not made, does not make, and specifically disclaims any representations regarding compliance with any environmental protection, pollution, or land use laws, rules, regulations, orders, or requirements, including, without limitation, the disposal or existence, in or on the Subject Property or any part thereof, of any hazardous materials;

(b) Buyer has fully inspected the Subject Property to his/her/its satisfaction. The conveyance of the Subject Property is "AS IS" and "WITH ALL FAULTS", and Seller has no obligation to alter, repair, or improve the Subject Property or any portion thereof or any improvements thereto. Buyer has made, will make, or hereby waives all inspections of the Subject Property deemed necessary or appropriate by Buyer to determine the Subject Property's value and condition, including, without limitation, inspections for the presence of asbestos, pesticide residues, underground storage tanks, hazardous waste, and any other hazardous material, and all investigations to determine whether any portion of the Subject Property lies within any flood hazard area as determined by the U.S. Army Corps of Engineers or other applicable authority. Buyer's inspection of the Subject Property or waiver thereof relieves Seller of any liability to Buyer as a result of any environmental hazard on or to the Subject Property, and Buyer hereby accepts all liability therefor as between Seller and Buyer and indemnifies and holds Seller harmless from and against any and all claims, liabilities, demands, or actions incident to, resulting from, or in any way arising out of such hazard. This indemnity shall survive closing and shall not be merged therein.

- (c) No warranty has arisen through trade, custom, or course of dealing with Seller.

7. Conditions to Closing.

(a) Buyer's Conditions. Buyer's obligation to consummate the transactions contemplated in this Agreement and pay the Purchase Price and accept title to the Subject Property shall be subject to the following conditions precedent on and as of the Closing Date, or the waiver thereof by the Buyer, which waiver shall be binding upon Buyer only to the extent made in writing and dated as of the Closing Date:

- (i) A Warranty Deed in the manner and form agreed upon by the parties hereto, duly executed and acknowledged by Seller, and prepared at Buyer's expense; and

- (ii) Such affidavits and other documents as may be required in connection with the conveyance of the Subject Property to Buyer.

(b) Seller's Conditions. Seller's obligation to consummate the transactions contemplated in this Agreement and convey the Subject Property to Buyer shall be subject to the following conditions precedent on and as of the Closing Date:

- (i) Buyer's delivery of the Purchase Price, subject to adjustment of such prorations set forth in this Agreement;

- (ii) Buyer's delivery of payment representing reimbursement of the City's expenses incurred for publication of the Resolution authorizing this transaction, the City's attorneys' fees (including all document preparation fees related to the negotiation, preparation, and consummation of the transactions contemplated hereby), recording fees and other fees to Montgomery County (including any parcel split), and any and all other out-of-pocket expenses paid or payable by the City and associated with the transaction contemplated by this Agreement, which shall be prepared by the City, forwarded to the title company, and paid by Buyer at Closing;

8. Closing Prorations. Buyer shall pay their own attorneys' fees incurred in connection with the negotiation, preparation, and consummation of the transactions contemplated hereby, as well as the City's, as stated in 7(b)(ii) above. Buyer shall bear the cost of recording the deed of conveyance, which shall be payable to Seller as of the Closing Date, as indicated above. Except as is otherwise provided herein, all closing costs, transfer taxes, and costs of the title company, inclusive of Buyer's and Seller's customary closing charges, shall be solely borne by Buyer. Any prorations shall be made as of the Closing Date with tax proration projected from latest available tax bill, which proration shall be final as of Closing. Any installments of special assessments due and payable prior to Closing shall be paid by Seller. Any installments of special assessments which are a lien on date of Closing but are due and payable after Closing shall be paid by Buyer. Buyer shall be responsible for any tax transfer stamps.

9. Indemnification.

(a) By Buyer. In addition to and not in lieu, place, stead and/or substitution of any other indemnity set forth elsewhere herein, Buyer shall indemnify, save, protect, defend, and hold harmless Seller and its employees, managers, officers, directors, and agents, from and against all liabilities, claims, demands and causes of action of any nature whatsoever ("Claims") arising out of Buyer's ownership of, and Buyer's activities conducted on, the Subject Property subsequent to the time of Closing, and/or Buyer's breach of its obligations, representations, warranties, or covenants hereunder. Buyer further agrees to pay any reasonable attorney's fees and expenses of Seller arising from its indemnification obligation hereunder. This covenant shall survive the closing of the transactions contemplated by this Agreement.

(b) Method of Indemnification. In the event that any claim (hereinafter "Indemnitee's Claim") which is indemnified against by or under any term, provision, section or paragraph of this Agreement is made against or received by any indemnified party (hereinafter "Indemnitee") hereunder, said Indemnitee shall notify the indemnifying party (hereinafter "Indemnitor") in writing within ninety (90) calendar days of Indemnitee's receipt of written notice of said Indemnitee's Claim; provided, however, that Indemnitee's failure to timely notify Indemnitor of Indemnitee's receipt of an Indemnitee's Claim shall not impair, void, vitiate and/or invalidate Indemnitor's indemnity hereunder nor release Indemnitor from the same, which duty, obligation and indemnity shall remain valid, binding, enforceable and in full force and effect so long as Indemnitee's delay in notifying Indemnitor does not, solely by itself, directly and materially prejudice Indemnitor's right or ability to defend the Indemnified Claim. Upon its receipt of any or all Indemnitee's Claim(s), Indemnitor shall, in its sole, absolute and unreviewable discretion, diligently and vigorously defend, compromise or settle said Indemnitee's Claim at Indemnitor's sole and exclusive cost and expense and shall promptly provide Indemnitee evidence thereof within fourteen (14) calendar days of the final, unappealable resolution of said Indemnitee's Claim. Upon the receipt of the written request of Indemnitee, Indemnitor shall within five (5) calendar days provide Indemnitee a true, correct, accurate and complete written status report regarding the then current status of said Indemnitee's Claim. Prior to an Indemnification Default (as defined herein), Indemnitee may not settle or compromise an Indemnitor's Claim without Indemnitor's prior written consent. Failure to obtain such consent shall be deemed a forfeiture by Indemnitee of its indemnification rights hereunder. In the event that Indemnitor fails or refuses to indemnify, save, defend, protect or hold Indemnitee harmless from and against an Indemnitee's Claim and/or to diligently pursue the same to its conclusion, or in the event that Indemnitor fails to timely report to Indemnitee the status of its efforts to reach a final resolution of an Indemnitee's Claim, on seven (7) calendar days prior written notice to Indemnitor during which time Indemnitor may cure any alleged default hereunder, the foregoing shall immediately, automatically and without further notice be an event of default hereunder (an "Indemnification Default") and thereafter Indemnitee may, but shall not be obligated to, immediately and without notice to Indemnitor, except such notice as may be required by law and/or rule of Court, intervene in and defend, settle and/or compromise said Indemnitee's Claim at Indemnitor's sole and exclusive cost and expense, including but not limited to attorneys' fees, and, thereafter, within seven (7) calendar days of written demand for the same Indemnitor shall promptly reimburse Indemnitee all said Indemnitee's Claims and the reasonable costs, expenses and attorneys' fees incurred by Indemnitee to defend, settle or compromise said Indemnitee's Claims plus interest thereon from the date incurred until paid in full at the then published prime rate announced from time to time by the Wall Street Journal plus three (3%) percent.

10. Brokerage Commissions. Seller and Buyer warrant and represent to the other that it has not used any broker and, to the best of either party's knowledge, there is no entity entitled to a commission for the purchase and sale of the Subject Property.

11. Default. If Seller fails to perform any of its obligations hereunder, Buyer's exclusive remedy for such default is termination of this Agreement by written notice thereof. In no event shall Seller be liable to Buyer for any actual, punitive, speculative, or consequential damages. If Buyer fails to perform any of its obligations hereunder, Seller, in its sole and absolute discretion, may either (i) terminate this Agreement by written notice to Buyer, or (ii) bring a claim to enforce specific performance of this Agreement.

12. Notices. All notices, demands or other communications given hereunder shall be in writing and shall be deemed to have been duly delivered (i) upon the delivery (or refusal to accept delivery) by messenger or overnight express delivery service (or, if such date is not on a business day, on the business day next following such date), or (ii) on the third (3rd) business day next following the date of its mailing by certified mail, postage prepaid, at a post office maintained by the United States Postal Service, or (iii) upon the receipt by facsimile transmission or e-mail as evidenced by a receipt transmission report if requested by the recipient as follows:

The law of this Agreement shall be the law of the State of Illinois. (d) Headings. The headings of the various Sections of this Agreement have been inserted only for the purposes of convenience, are not part of this Agreement and shall not be deemed in any manner to modify, explain, qualify or restrict any of the provisions of this Agreement.

(f) Successors and Assigns. This Agreement shall bind and inure to the benefit of the respective heirs, executors, administrators, personal representatives, successors and assigns of the parties hereto.

(g) No Third Party Beneficiaries. Nothing in this Agreement shall create or be deemed to create any third party beneficiary rights in any party or entity not a party to this Agreement.

(h) Further Assurances. Each of Seller and Buyer shall provide to the other such further assurances as may reasonably be required hereunder to effectuate the purposes of this Agreement and, without limiting the foregoing, shall execute and deliver such affidavits, certificates and other instruments as may be so required hereunder so long as the same shall not materially increase the liability of the party so executing and delivering said instrument.

(i) Severability. If any term or provision of this Agreement shall to any extent be held invalid or unenforceable, the remaining terms and provisions of this Agreement shall not be affected thereby, but, each term and provision shall be valid and be enforced to the fullest extent permitted by law.

A. Purchase & Sale: The CITY shall sell, transmit, deliver, and convey to the VILLAGE, and the VILLAGE shall purchase and accept, potable water pursuant to the terms and conditions of this Agreement. The potable water sold, transmitted, delivered, and conveyed by the CITY to the VILLAGE shall be delivered by the CITY F.O.B. to the Interconnection Point as defined herein, and shall be accepted and purchased by the VILLAGE at the Interconnection Point as defined herein, and thereafter transmitted into the Village System at the VILLAGE's expense, which potable water shall be transmitted to the VILLAGE's customers which are located within the Village System. The "Village System" shall be defined as those connections within the corporate limits of the Village of Schram City, Illinois as existing on the date of this Agreement. No amount of potable water sold, transmitted, delivered, and conveyed by the CITY to the VILLAGE shall be transmitted to the VILLAGE customers that are located outside of the Village System, including any annexations into the corporate limits of the Village of Schram City after the date of this Agreement, without first obtaining the CITY's written approval.

B. Interconnection Point: The interconnection point is the existing meter dedicated to distributing water to the VILLAGE, which is located at 39°09'22.8"N 89°28'31.3"W, north of School Street/Illinois Route 16 and northwest of Industrial Park Drive in Hillsboro, Montgomery County, Illinois (hereinafter referred to as the "Interconnection Point"). The CITY and the VILLAGE may mutually agree to amend, expand, relocate or otherwise modify the Interconnection Point by written agreement pursuant to terms and conditions of this Agreement. Recognizing that the Interconnection Point is not located on property owned by the CITY, the VILLAGE shall be responsible for securing/maintaining appropriate permission and rights to access the Interconnection Point, and the CITY agrees to cooperate with the VILLAGE in that regard. The CITY will allow the VILLAGE all reasonable access at all reasonable times to CITY property for the VILLAGE's purpose of accessing or repairing the Interconnection Point or the line leading thereto, and the VILLAGE

agrees to notify the CITY prior to entering upon the CITY's property for such purposes or, if prior notice is impractical, at the earliest reasonable opportunity.

C. Risk of Loss; Care, Custody, and Control: Risk of loss of the potable water shall transfer from the CITY to the VILLAGE on the VILLAGE's side of the Interconnection Point. Care, custody, and control of the potable water shall transfer from the CITY to the VILLAGE on the VILLAGE's side of the Interconnection Point.

4. Operation & Transmission of Water at Interconnection Point

A. Measurement of Water: The VILLAGE shall, at its expense, maintain and operate metering equipment at the Interconnection Point. The CITY shall measure water supplied to the VILLAGE by unit of measurement of 1,000 gallons of water per United States Standard Liquid Measure.

B. Utilities: The VILLAGE shall remain solely responsible for all, utilities, maintenance, and upgrade costs that may be required to the Village System.

C. Quantity & Pressure: Subject to the terms and conditions of this Agreement, the CITY shall transmit and deliver to the VILLAGE at the Interconnection Point (for distribution within Village System for sale and consumption by the VILLAGE's retail and wholesale customers within the Village System) a volume of potable water not to exceed an annual increase of more than 25% over the average consumption over the prior 3-year period (hereinafter referred to as the "Maximum Quantity"), at a flow rate not to exceed one hundred gallons per minute (100 gpm) at a suction pressure of thirty-five pounds per square inch (35 psi). The quantity of water and pressure transmitted by the CITY to the VILLAGE through the Interconnection Point may be modified by the mutual written agreement of the parties, and the Parties shall negotiate new terms if the VILLAGE exceeds the Maximum Quantity. Any pressure or flow rates in excess of the foregoing pressure and flow rates necessary to operate the Village System shall be the responsibility and expense of the VILLAGE. The CITY shall not be entitled to and shall not be obligated to transmit and deliver to the VILLAGE any amount of potable water in excess of the Maximum Quantity. However, from time to time the CITY may voluntarily allow the VILLAGE to purchase potable water in excess of the Maximum Quantity; provided, however, that such sale and purchase of potable water in excess of the Maximum Quantity shall not create any continuing obligation of the CITY to continue to sell to the VILLAGE potable water in excess of the Maximum Quantity, shall not create any continuing obligation of the VILLAGE to purchase potable water in excess of the Maximum Quantity, and shall not be deemed to create any course of dealing compelling the VILLAGE or the CITY to purchase or sell potable water in excess of the Maximum Quantity.

5. Rates

The CITY shall charge and the VILLAGE shall pay to the CITY \$5.63700 per 1,000 gallons of water transmitted, conveyed and sold to the VILLAGE pursuant to the terms and conditions of this Agreement. This rate shall be effective through and including April 30, 2027. The CITY shall retain the power to raise or lower the VILLAGE's rate(s) charged under this Agreement in a fashion proportionate with any increases or decreases in rates that CITY may make by ordinance for its regular customers, or to create by ordinance different rate scales for the VILLAGE, but any such adjusted rate(s) shall not be effective until May 1, 2027.

6. Billing & Metering

Upon forty-eight (48) hours prior notice, the CITY may review the VILLAGE's metering equipment for the purpose of verifying meter readings. The VILLAGE shall calibrate and test the metering equipment at the Interconnection Point upon request by the CITY, but not more frequently than once per calendar year. Metering equipment registering not more than 2% above or below the calibration result shall be deemed to be accurate. If the CITY requests calibration and testing of the VILLAGE's metering equipment and the metering equipment is found to be accurate (*i.e.*, within 2% above or below the calibration result), then the CITY shall pay the cost of calibration and testing of the meter. If the VILLAGE's metering equipment is found to be inaccurate (*i.e.*, more than 2% higher or lower than the calibration result), in addition to making the adjustments provided for herein, the VILLAGE shall reimburse the CITY for the cost of calibration and testing of the metering equipment.

The CITY shall maintain the meter registers and cellular transmitters to read the meters for billing purposes.

If, after the exercise of due diligence, it is impractical or impossible to determine if the metering equipment has become inaccurate, the previous meter readings of any meter disclosed by calibration to be inaccurate shall be corrected for the six-month period immediately prior to such calibration test in accordance with the percentage of inaccuracy found by such calibration, which correction shall be the sole and exclusive remedy and measure of damages for any metering equipment deemed to be inaccurate. If any metering equipment fails to register for any period, the amount of water furnished during such period shall be deemed to be the amount of water delivered in the corresponding period of time one year prior to the failure. The metering equipment shall be read on a monthly basis.

7. Force Majeure

Failures of pressure or water supply due to water main line breaks, power failure, flood, drought, fire, acts of God, acts of terrorism, use of water to fight fire, earthquake, windstorm or other casualty, or other causes beyond the reasonable control of the CITY (hereinafter referred to as an "Event of Force Majeure") shall excuse the CITY from any and all liability or obligation under this Agreement for such reasonable period of time as may be necessary to effect repairs and restore pressure or water supply to the VILLAGE. The CITY shall not be liable to the VILLAGE for any loss, liability, claim, demand, cause of action, cost, expense of attorney fee arising out of any Event of Force Majeure; provided, however, that the CITY shall use commercially reasonable efforts at all times to maintain its public water system in good and working order in accordance with the rules and regulations of the Illinois Department of Public Health and the Illinois Environmental Protection Agency, and the CITY shall exercise commercially reasonable efforts to repair any damage to its public water system as soon as reasonably practicable. In the event the CITY experiences an extended shortage of water due to an Event of Force Majeure, or the supply of water available to the CITY is otherwise diminished over an extended period of time, the CITY's supply of water to the VILLAGE shall be reduced or diminished in the same ratio or proportion as the supply to the CITY's other customers is reduced or diminished. It is expressly understood and agreed that the VILLAGE shall not at any time pump water from the CITY for the Village System.

8. Water Quality

The CITY shall deliver to the VILLAGE water at the Interconnection Point potable water in compliance with the regulations established by the Illinois Department of Public Health and the Illinois Environmental Protection Agency as required, as the same may be amended from time to time in accordance with applicable Illinois law (hereinafter referred to as the "Water Quality Requirements"). Compliance with the Water Quality Requirements shall be measured at the Interconnection Point. The CITY shall be responsible for meeting the Water Quality Requirements at the Interconnection Point at the CITY's expense. The VILLAGE shall be responsible for compliance with the Water Quality Requirements within the Village System on the VILLAGE's side of the Interconnection Point at the VILLAGE's expense.

9. Billing & Payment

During the term of this Agreement, the CITY shall tender statements to the VILLAGE for the water transmitted through the Interconnection Point for the prior billing period consistent with the CITY's regular billing practices and schedule. If the

VILLAGE fails to pay any balance that is more than 90 days overdue, the CITY may, in addition to any other rights afforded to the CITY by ordinance, rule, regulation, or law, terminate this Agreement and discontinue the transmission, delivery, conveyance, and sale of potable water to the VILLAGE. The CITY may also pursue any and all remedies available to the CITY at law or in equity. If the VILLAGE contests a bill, it shall nevertheless pay the bill, and the Parties shall promptly confer to determine if any refund or credit is appropriate.

10.Exclusivity; System Rights; Service Areas

A. All Requirements: This Agreement is an all-requirements contract, and the VILLAGE shall be obligated to purchase all of its potable water for all of its needs and requirements to serve all of its customers within the Village System pursuant to the terms and conditions of this Agreement up to the Maximum Quantity.

B. Exclusivity: The VILLAGE shall not purchase or accept any potable water from any other source to supply the Village System, and the VILLAGE shall purchase all of its potable water needs and requirements necessarily to supply the Village System exclusively from the CITY as provided for in this Agreement. Except for any customers located within the Village System, the VILLAGE shall not sell any potable water to any third party on a wholesale or retail basis without the prior, express, written consent of the CITY.

C. System Rights: It is understood and agreed that the relationship of the CITY and the VILLAGE is contractual in nature and that any payments by the VILLAGE to the CITY, as provided herein, shall not be construed as vesting any right, title, or interest in the Hillsboro Water System, or any improvements, enlargements, or extensions thereof. This Agreement shall not vest or otherwise create in the VILLAGE any right to the Hillsboro Water System, nor shall the VILLAGE have any right to transmit water thorough the Hillsboro Water System.

11.Consultations & Exchanges of Information

During the term of this Agreement, each Party shall provide the other with such data and usage forecasts as either Party may reasonably require for its planning purposes. Either Party may inspect the books and records of the other at reasonable times and places, insofar as such books and records relate to the subject matter of this Agreement, and without the necessity for a formal request pursuant to the Freedom of Information Act. Each Party to this Agreement shall consult with the other whenever reasonably requested to do so.

12. Regulatory Agencies

This Agreement is subject to such rules, regulations, or laws as may be applicable to similar agreements in this State, and the parties hereto will collaborate in obtaining such permits, certificates, or the like, as may be required to comply therewith. This Agreement shall be subject to all of the rules and regulations of the USDA-RD, as the same be amended from time to time. Subsequent to the date hereof, this Agreement may be supplemented, modified or otherwise amended by mutual agreement of the parties hereto. Such supplements, modifications or amendments, if any, must be in the form of a written amendment to this Agreement, and signed by authorized representatives of all parties to this Agreement. The Parties agree that they shall cause this Agreement to be amended if necessary to cause the Agreement to be in compliance with any and all rules and regulations of the USDA-RD, as the same be amended from time to time. The CITY hereby pledges this Agreement as part of the security for the loan issued by the USDA-RD.

13. Term of Agreement

The term of this Agreement shall be forty (40) years. Thereafter, this Agreement shall automatically renew annually for another term of one (1) year, unless this Agreement is sooner terminated by either Party by sending written notice of its intent to do so to both (1) the chief executive officer (*i.e.*, the CITY's Mayor or the VILLAGE's President, as applicable) of the other Party and (2) the other Party's Municipal Clerk within 90 days of the expiration of the initial term or a renewal term of this Agreement.

14. Dispute Resolution

A. If any claim, breach, dispute, or controversy arising out of or relating to this Agreement occurs, the aggrieved Party shall serve written notice of such claim, breach, dispute, or controversy to all other Parties (hereinafter referred to as the "Notice of Claim"). Within a period of thirty (30) days after the date of the Notice of Claim, then each Party shall nominate a representative to meet at a mutually agreed time and place no later than sixty (60) days after the date of the Notice of Claim to attempt to resolve such claim, breach, dispute or controversy. To aid the attempt to resolve such claim, each representative shall promptly prepare and exchange memoranda stating the issues in dispute and their respective positions, summarizing the negotiations which have taken place to that point and attaching relevant documents. If the Parties are unable to reach a resolution of such claim, breach, dispute, or controversy within one hundred twenty (120) days after the date of the Notice of Claim, then the Party issuing the Notice of Claim shall issue a written demand to the other Party that such claim, breach, dispute, or controversy be

resolved through alternative dispute resolution ("ADR") in accordance with the following paragraph "B". **If no such written demand is made within one hundred twenty (120) days after the date of the Notice of Claim, then the alternative dispute resolution procedure outlined in paragraph "B" shall be permissive and not mandatory.**

B. The CITY shall designate one engineer, the VILLAGE shall designate another engineer, and the two engineers designated by the CITY and the VILLAGE shall select an Illinois licensed professional engineer having not less than ten (10) years' experience designing public wastewater systems in Illinois to resolve the dispute (the "Arbitrator"). The Party that issued the Notice of Claim shall name its engineer in the demand for ADR, and the responding Party shall name its engineer within ten (10) days after receipt of the demand for ADR. The Arbitrator shall be named within ten (10) days after the appointment of the second engineer. If the two engineers appointed by the CITY and the VILLAGE cannot agree to an Arbitrator, then the Arbitrator shall be designated by the Chairman of the Montgomery County Board upon request of the Party that issued the Notice of Claim. The decision rendered by the Arbitrator shall be final, and the Parties shall thereafter have ninety (90) days within which to resolve their claim, dispute, or controversy in a manner consistent with the Arbitrator's decision or as may otherwise be agreed in writing by the Parties. The prevailing Party (as determined by the Arbitrator) shall thereafter be entitled submit to the Circuit Court of Montgomery County the Arbitrator's written decision for enforcement as an additional or supplemental term of this Agreement. Upon such application for judicial enforcement, the Prevailing Party shall be entitled to reimbursement of its expenses, including reasonable attorney's fees, incurred in connection with the ADR and any judicial enforcement of this Agreement, unless the Arbitrator determined that it would be manifestly unfair to award such reimbursement of expenses, including reasonable attorney's fees.

C. Notwithstanding the duty to engage in ADR pursuant to paragraph "B" above, in the event of a breach of this Agreement which, in the absence of the ADR clause would give rise to the right of a Party to apply for a temporary restraining order, either Party may apply to the Circuit Court of the Fourth Judicial Circuit, Montgomery County, Illinois, for a temporary restraining order maintaining the status quo pending referral of the matter to ADR.

15. Miscellaneous

A. Entire Agreement: This Agreement shall be deemed to set forth the full and complete understanding and agreement of the Parties hereto relating to the subject matter hereof and supersedes any and all negotiations, agreements, and

representations made or dated prior to the date hereof. All oral representations regarding this Agreement prior to the date hereof are expressly disclaimed. Any and all prior agreements between the CITY and the VILLAGE are hereby superseded and declared null and void. All modifications to this Agreement shall be in writing and shall be effective only when approved by written resolutions approved and signed by both Parties.

B. Agreement to be Approved; Due Authority: This Agreement is effective upon execution and approval of the last to occur of (1) a written resolution of the VILLAGE, signed by the VILLAGE President, authorizing the VILLAGE to enter into this Agreement; (2) a written resolution of the CITY, signed by the Mayor of Hillsboro, authorizing the CITY to enter into this Agreement; and (3) this Agreement being signed by the Mayor and the President and attested by the respective Clerks, provided, however, that this Agreement may be executed in counterparts. The signatories to this Agreement warrant and represent that each has full authority to bind his/her respective Party.

C. Invalidity: The invalidity or unenforceability of any portion or provision of this Agreement shall not affect the validity or enforceability of any other portion or provision. Any invalid or unenforceable portion or provision shall be deemed severed from this Agreement, and the balance of this Agreement shall be construed and enforced as if this Agreement did not contain such invalid or unenforceable portion or provision. Notwithstanding the provisions of the preceding sentence, should any term or provision of this Agreement be found invalid or unenforceable, the CITY and the VILLAGE shall immediately renegotiate in good faith such term or provision as is necessary to eliminate such invalidity or unenforceability.

D. Counterparts: This Agreement may be executed in any number of counterparts and by each of the parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same Agreement.

E. Assignability: This Agreement shall be binding upon and shall inure to the benefit of the parties hereto, and their respective successors and assigns. Neither the CITY nor the VILLAGE shall assign this Agreement without prior written consent of the other party, which such consent shall not be unreasonably withheld; provided, however, that in no event shall this Agreement be assigned without the prior written consent of the USDA-RD.

F. Governing Law: This Agreement shall be governed by and construed in accordance with the internal laws of the State of Illinois except as preempted by applicable federal law. The parties hereto shall comply with all applicable federal law.

G. Waiver: The waiver of any breach or failure to enforce any of the terms, covenants or conditions of this Agreement shall not in any way affect, limit, modify or waive the future enforcement of such terms, covenants, or conditions.

WASTEWATER SERVICE AGREEMENT

THIS WASTEWATER SERVICE AGREEMENT (hereinafter, the "Agreement") is entered into by and between the CITY OF HILLSBORO, ILLINOIS (hereinafter, the "CITY"), and the VILLAGE OF SCHRAM CITY, ILLINOIS, (hereinafter, the "VILLAGE") (each referred to as a "Party" or, collectively, as the "Parties").

WHEREAS, the CITY and the VILLAGE are non-home rule municipal corporations as set forth in Article VII, Section 7 of the 1970 Illinois Constitution, located in Montgomery County, Illinois; and

WHEREAS, the CITY owns and operates a wastewater collection system and wastewater treatment facilities (hereinafter, the "City's Wastewater System"); and

WHEREAS, the VILLAGE owns and operates a wastewater collection system (hereinafter, the "VILLAGE's Collection System"); and

WHEREAS, the Illinois Municipal Code, 65 ILCS 5/11-147-1 provides, in part, that a municipality that is adjacent to another municipality may contract with each other regarding sewage disposal and treatment; and

WHEREAS, the CITY and the VILLAGE are public agencies within the meaning of the Illinois Intergovernmental Cooperation Act, as specified at 5 ILCS 220/1, *et seq.*, and are authorized by Article VII, Section 10 of the Constitution of the State of Illinois to cooperate for public purposes; and

WHEREAS, the CITY has previously entered into an agreement or agreements with the VILLAGE providing for treatment of wastewater from the VILLAGE's Collection System; and

WHEREAS, the CITY is in the process of upgrading and updating the City's Wastewater System by constructing a new wastewater treatment plant; and

WHEREAS, construction of the CITY's new wastewater treatment plant is being financed, in part, by funds from the United States Department of Agriculture; and

WHEREAS, to comply with standards established by the United States Department of Agriculture, including 7 C.F.R. § 1780.62, the CITY is required to update its existing agreement(s) with the VILLAGE for providing wastewater services.

NOW THEREFORE, in consideration of the mutual terms, conditions, benefits, covenants, and agreements contained herein, the sufficiency and receipt of which is hereby acknowledged, the Parties hereto agree as follows:

1. Authority

This Agreement is authorized and is entered into pursuant to Division 147 of the Illinois Municipal Code, 65 ILCS 5/11-147-1, *et seq.* ("Division 147").

2. Incorporation; Approval by USDA-RD

The findings made in the prefatory portion of this Agreement are hereby adopted by the parties. This Agreement is subject to and conditioned upon the United States Department of Agriculture - Rural Development (hereinafter referred to as "USDA-RD") consent to and approval of this Agreement.

3. Quality & Quantity

Within this Agreement, the "VILLAGE's Wastewater" shall mean those wastewater connections to the VILLAGE's Collection System within the corporate limits of the Village of Schram City as existing on the date of this Agreement. The VILLAGE shall not permit any surface drainage or storm water drainage into its Collection System. The CITY expressly recognizes and understands, however, that an Act of God or a system failure could result in surface drainage or stormwater drainage infiltrating the system, and such situations will only be deemed as ones in which the VILLAGE has "permitted" surface drainage or storm water drainage into its Collection System where the facts demonstrate that to be the case or where the VILLAGE has failed to discontinue or remedy such infiltration after notice and a reasonable opportunity to do so.

Further, the VILLAGE shall not allow any septic systems or bulk waste dumping to be discharged, deposited, or transmitted into the City's Wastewater System from the VILLAGE's Collection System. Any waste streams from the VILLAGE that exceed residential concentrations shall be expressly approved by the CITY beforehand and in writing. For purposes of this Agreement, "residential concentrations" shall mean up to 100 gallons per person per day. Sewage from the VILLAGE (*i.e.*, the VILLAGE's Wastewater) that is transmitted or delivered to the Point of Delivery pursuant to this Agreement shall not exceed the concentrations identified by City ordinances as triggering a surcharge.

In case of reduction in the CITY's capacity to provide wastewater treatment services, all of the CITY's wastewater treatment users will proportionately share the reduction in treatment capacity.

4. Point of Delivery

The VILLAGE's Wastewater shall be transmitted, delivered, and furnished to the CITY at the lift station located at 1700 Klar Avenue. The CITY and the VILLAGE may mutually agree to amend, expand, relocate, or otherwise modify the Point of

Delivery by written agreement pursuant to terms and conditions of this Agreement. Unless and until the Point of Delivery is relocated, the CITY agrees to allow the VILLAGE all reasonable access at all reasonable times to access, repair, or otherwise maintain the Point of Delivery and the line leading thereto, and the VILLAGE agrees to notify the CITY prior to entering upon the CITY's property for such purposes or, if prior notice is impractical, at the earliest reasonable opportunity.

5. Risk of Loss; Care, Custody, and Control

Risk of loss of the VILLAGE's Wastewater shall transfer from the VILLAGE to the CITY at the Point of Delivery. Care, custody, and control of the VILLAGE's Wastewater shall transfer from the VILLAGE to the CITY at the Point of Delivery.

6. Rates

A. Rates: The CITY shall charge, and the VILLAGE shall pay, for sewage transmitted, conveyed, and delivered to the City's Wastewater System at the rates established by Ordinances of the CITY. The initial rates shall be as set forth by Ordinance No. 1793, approved April 2, 2024. Those rates, as set forth in Section 2 and Section 3 of said Ordinance, are attached hereto as "Exhibit A" and "Exhibit B", respectively. Pursuant to this Agreement, however, the "Phase 2" rates shall not be effective until May 1, 2026, and the "Phase 3" rates shall not be effective until May 1, 2027. These rates, as amended herein, shall be effective through and including April 30, 2028. The CITY shall retain the power to raise or lower the VILLAGE's rate(s) charged under this Agreement in a fashion proportionate with any increases or decreases in rates that CITY may make by ordinance for its regular customers, or to create by ordinance different rate scales for the VILLAGE, but any such adjusted rate(s) shall not be effective until May 1, 2028.

B. Surcharges: Should there be an exceedance of the limitations set forth in paragraph 3 or a violation of paragraph 3 that causes the CITY to incur additional costs for operation, maintenance, replacement, or fines and penalties imposed by any court or state or federal agency, the VILLAGE shall pay to the CITY the actual amount of any such costs for operation, maintenance, replacement, fine, or penalty.

7. Metering

The VILLAGE shall continue to operate, own, and maintain at the VILLAGE's expense the necessary metering equipment, including the existing master meter located before the Point of Delivery, and required devices of standard type for properly measuring the quantity of the VILLAGE's Wastewater. The VILLAGE shall be responsible for maintaining any other metering equipment not located at or before the Point of Delivery. The metering equipment shall be read monthly. An appropriate

official of the CITY shall have access to the meter at all reasonable times for the purpose of verifying its readings.

The VILLAGE shall calibrate and test its metering equipment before the Point of Delivery upon request by the CITY, at the CITY's expense, but such request shall not be made more frequently than twice per calendar year. Metering equipment registering not more than 2% above or below the calibration result shall be deemed to be accurate. If the CITY requests calibration and testing of the VILLAGE's metering equipment and the metering equipment is found to be inaccurate (*i.e.*, more than 2% above or below the calibration result), then the VILLAGE shall pay the cost of calibration and testing of the metering equipment. The previous readings of any meter disclosed by test to be inaccurate shall be corrected in accordance with the percentage of inaccuracy found by such tests for later of (a) the 12 months previous to such test or (b) the last test at the CITY's expense which was deemed to be accurate.

If any meter fails to register for any period, the amount of water furnished during such period shall be deemed to be the amount of sewage delivered in the corresponding period immediately prior to the failure, unless the Parties agree upon a different amount.

The CITY shall operate, own, and maintain at the CITY's expense at or after or beyond the Point of Delivery any metering equipment and required devices of standard type for properly measuring the quantity of the VILLAGE's Wastewater as it deems necessary or prudent. An appropriate official of the VILLAGE shall have access to any such meters at all reasonable times for the purpose of verifying their readings.

8. Performance

Any requirements of the CITY in its NPDES permits regarding collection systems or sources shall apply to the VILLAGE with regard to the VILLAGE's Collection System.

9. Billing & Payment

During the term of this Agreement, the CITY shall tender statements to the VILLAGE for the sewage transmitted through the Point of Delivery for the prior billing period consistent with the CITY's regular billing practices and schedule. All payments by the VILLAGE under this Agreement are subject to the Local Government Prompt Payment Act (50 ILCS 505/1, *et seq.*). If the VILLAGE fails to make a payment within 60 days after receipt of a proper invoice, interest may be payable as provided by the Local Government Prompt Payment Act.

10. System Rights

It is understood and agreed that the relationship of the CITY and the VILLAGE is contractual in nature and that any payments by the VILLAGE to the CITY as provided herein shall not be construed as vesting any right, title, or interest in the City's Wastewater System or any improvements, enlargements, or extensions thereof in favor of the VILLAGE. This Agreement shall not vest or otherwise create in the VILLAGE any right to the City's Wastewater System, nor shall the VILLAGE have any right to use or transmit wastewater through the City's Wastewater System that is not expressly approved by the CITY.

11. Consultations & Exchanges of Information

During the term of this Agreement, each Party shall provide the other with such data and usage forecasts as either Party may reasonably require for its planning purposes. Either Party may inspect the books and records of the other at reasonable times and places, insofar as such books and records relate to the subject matter of this Agreement, and without the necessity for a formal request pursuant to the Freedom of Information Act. Each Party to this Agreement shall consult with the other whenever reasonably requested to do so.

12. Regulatory Agencies

This Agreement is subject to such rules, regulations, or laws as may be applicable to similar agreements in this State, and the Parties hereto will collaborate in obtaining such permits, certificates, or the like, as may be required to comply therewith. This Agreement shall be subject to all of the rules and regulations of the USDA-RD, as the same be amended from time to time. Subsequent to the date hereof, this Agreement may be supplemented, modified or otherwise amended by mutual agreement of the parties hereto. Such supplements, modifications or amendments, if any, must be in the form of a written amendment to this Agreement, and signed by authorized representatives of all parties to this Agreement. The Parties agree that they shall cause this Agreement to be amended if necessary to cause the Agreement to be in compliance with any and all rules and regulations of the USDA-RD, as the same be amended from time to time. The CITY hereby pledges this Agreement as part of the security for the loan issued by the USDA-RD to facilitate construction of CITY's new wastewater treatment plant.

13. Term of Agreement; Renewal

The term of this Agreement shall be forty (40) years. Thereafter, this Agreement shall automatically renew annually for another term of five (5) years, unless this Agreement is sooner terminated by either Party by sending written notice

of its intent to do so to both (1) the chief executive officer (*i.e.*, the CITY's Mayor or the VILLAGE's President, as applicable) of the other Party and (2) the other Party's Municipal Clerk within 180 days of the expiration of the initial term or a renewal term of this Agreement.

14. Dispute Resolution

This Agreement and its terms are specifically enforceable by court action, including, without limitation, injunctive relief. It is also agreed that the sole and exclusive jurisdiction and venue for any action for enforcement of this Agreement or for any alleged violation of this Agreement shall be solely the Circuit Court of Montgomery County, Illinois.

15. Miscellaneous

A. Entire Agreement: This Agreement shall be deemed to set forth the full and complete understanding and agreement of the Parties hereto relating to the subject matter hereof and supersedes any and all negotiations, agreements, and representations made or dated prior to the date hereof. All oral representations regarding this Agreement prior to the date hereof are expressly disclaimed. Any and all prior agreements between the CITY and the VILLAGE are hereby superseded and declared null and void. All modifications to this Agreement shall be in writing and shall be effective only when approved by written resolutions approved and signed by both Parties.

B. Agreement to be Approved; Due Authority: This Agreement is effective upon execution and approval of the last to occur of (1) a written resolution of the VILLAGE, signed by the VILLAGE President, authorizing the VILLAGE to enter into this Agreement; (2) a written resolution of the CITY, signed by the Mayor of Hillsboro, authorizing the CITY to enter into this Agreement; and (3) this Agreement being signed by the Mayor and the President and attested by the respective Clerks, provided, however, that this Agreement may be executed in counterparts. The signatories to this Agreement warrant and represent that each has full authority to bind his/her respective Party.

C. Invalidity: The invalidity or unenforceability of any portion or provision of this Agreement shall not affect the validity or enforceability of any other portion or provision. Any invalid or unenforceable portion or provision shall be deemed severed from this Agreement, and the balance of this Agreement shall be construed and enforced as if this Agreement did not contain such invalid or unenforceable portion or provision. Notwithstanding the provisions of the preceding sentence, should any term or provision of this Agreement be found invalid or unenforceable,

the CITY and the VILLAGE shall immediately renegotiate in good faith such term or provision as is necessary to eliminate such invalidity or unenforceability.

satisfaction of the City, and all work items must be in compliance with all relevant building codes, ordinances, or other regulations, at the discretion of the City.

If proper Request for Payment is not submitted within the designated time period, and no extension to this deadline has been granted by the City, the City will have the right to immediately void this Agreement and all Incentive Payments owed to the Developer shall be forfeit.

SECTION 5: Approval of Requests. The City shall approve or deny any Requests for Payment within thirty (30) days of the submittal thereof. If the City disapproves any Request or any portion thereof, it shall state in writing the reasons therefore and provide the Developer a reasonable opportunity to clarify or correct the Request.

SECTION 6: Disbursement of Payment. Disbursement of payment in accordance with this Agreement will be in the form of a one-time lump sum grant payment and **will only be eligible for disbursement upon completion of all components and conditions of the Redevelopment Project** as verified and approved by the City, in the City's sole discretion, and not before submission of a proper Request for Payment by the Developer, of which must be approved by an authorized representative of the City.

Within 30 days of approval of any Request for Payment, the City shall pay the Developer for such approved Eligible Redevelopment Project Costs to the extent monies are available in the Special Allocation Fund for the TIF District.

SECTION 7: Payment Limited to Special Allocation Fund. Notwithstanding any other term or provision of this Agreement, the City's obligations for payments pursuant to this Agreement are limited to monies collected pursuant to the TIF Act which have been deposited into the Special Allocation Fund for the TIF District and from no other source.

This Agreement does not compel the City's General Fund, or any other source of funds, to provide monies for any payment or obligation identified herein. The "Special Allocation Fund" shall be the fund or account set up by the City specifically to deposit monies collected pursuant to the TIF Act for the TIF District.

SECTION 8: Administration Fees. The Developer agrees that all payment(s) received from the City may be subject to the deduction of an "Administration Fee" for the creation and administration of this Redevelopment Agreement and all matters related to the context of this Agreement. SECTION 9: Default and Remedies The Developer agrees that if any of the following events occur within five (5) years after the disbursement of any payment from the City pursuant to this agreement (the "Effective Date"), the Developer may be considered to be in default of the Agreement, and the City will have the right to recover from the Developer certain portions of the total payments granted from the City to the Developer as part of this Agreement:

- a) Failure to complete the Redevelopment Project within the required timeframe.
- b) The Redevelopment Project or Property is determined to have been destroyed, unfit for occupation or redevelopment, or otherwise unusable for public or private purposes and such conditions are not remedied within 90 days after written notice of such determination, subject to extension for delays arising from Force Majeure.
- c) The Property ceases to be used in the operation of a commercial business, which is open to the public on a regular basis, or for any other lawfully authorized purposes as approved by the City, and such use is not re-commenced within thirty (30) days of written notice of such determination, subject to extension for delays arising from Force Majeure.

- g) All general ad valorem taxes and assessments charged or imposed upon the Property, Developer, business, or any part thereof that at any time are not paid in full at the time they become due and such failure is not cured within thirty (30) days after

Developer's receipt of written notice thereof from the City or any other authorized party.

If any of the foregoing defaults occur within five (5) years from the Effective Date, and such default is not timely cured, the Developer will return to the City the amount equal to one hundred percent (100%) of any payments provided pursuant to this agreement.

Upon the occurrence of a default or a breach which results in either party to undertaking any action to enforce any provision of this Agreement, the defaulting party shall pay upon demand all of the non-defaulting party's charges, costs and expenses, including the reasonable fees of attorneys, agents and others, as may be paid or incurred by such non-defaulting party in enforcing any of the defaulting party's obligations under this Agreement or in any litigation, negotiation or transaction in connection with this Agreement in which the defaulting party causes the non-defaulting party, without the non-defaulting party's fault, to become involved or concerned.

The City reserves the right to pursue recovery of any and all payments made to the Developer pursuant to this Agreement at their own discretion after material default by Developer. Request for repayment will be required to be made in writing to the Developer and is not automatically triggered by the above-mentioned events.

Hillsboro, Montgomery County, Illinois

Dear Mr. Downs:

Hurst-Rosche, Inc. is pleased to present this proposal to provide engineering services for the continued development of the east side of Main Street from Wood Street to Seward Street. It is understood that preliminary development to this point was administered under an initial NTE contract that helped secure the grant which is exhausted. WHEREAS, the City of Hillsboro has established a Façade Improvement Grant Program for application within a designated program boundary area; and

WHEREAS, said Façade Improvement Grant Program is administered and implemented by the City, and is funded with Special Allocation Funds for the purposes of remediating conditions of blight, as well as repairing, rehabilitating, and improving the conditions of buildings located with the City; and

WHEREAS, pursuant to the Façade Improvement Grant Program, the City has agreed to participate, subject to its sole discretion, in reimbursing owners/lessees for the cost of eligible exterior improvements to qualifying commercial establishments up to a maximum of one-half (1/2) of the cost actually incurred during the performance of approved projects, not to exceed a total of \$5,000.00, as set forth herein; and

WHEREAS, the OWNER/LESSEE'S property is located within the City of Hillsboro, and the OWNER/LESSEE desires to participate in the Façade Improvement Program pursuant to the terms and provisions of this Agreement.

NOW THEREFORE, in consideration of the mutual covenants and agreements obtained herein, the CITY and the OWNER/LESSEE do hereby agree as follows:

COVENANTS & AGREEMENTS

SECTION 1

With respect to approved exterior façade improvements performed to an approved existing building, the CITY shall reimburse the OWNER/LESSEE for the cost incurred in the performance of such improvements in an amount equal to fifty percent (50%) of the total costs of such work, not to exceed a maximum amount of \$5,000.

The actual total reimbursement amounts per this Agreement shall not exceed \$5,000 for eligible project components related to the approved façade improvements. The improvement costs, which are eligible for CITY reimbursement, include all labor, materials, equipment, and other contract items necessary for the proper execution of the work as shown on the plans, design drawings, specifications, and estimates approved by the CITY. Such plans, design drawings, specifications, and estimates are attached hereto as EXHIBIT A.

SECTION 2

No improvement work shall be undertaken until its design has been submitted to and approved by the CITY. Following approval, the OWNER/LESSEE shall contract for the work and shall commence within one hundred and twenty (120) days and be completed within one (1) year from the date of such approval. The OWNER/LESSEE may request a ninety-day (90) extension provided there is a demonstrated hardship. Any variations, deviations, or changes to the approved plans ("change orders") shall be required to be presented to the Historic Preservation Committee, or other authorized CITY official or staff member, for review and consideration prior to authorization of any payment to be made in accordance with this agreement. Any costs incurred pursuant to change orders which are not approved by the CITY shall not be eligible for reimbursement in accordance with this agreement.

SECTION 3

The CITY shall periodically review and inspect the progress of any work performed pursuant to the Agreement at their full discretion. Such inspections shall not replace any required permit inspection by authorized building inspectors. All work found to be non-conforming with the approved plans, design drawings, and specifications shall be required to immediately cease until proper change order review is submitted and authorization to proceed is provided by the CITY. If authorization is not provided, the OWNER/LESSEE may be required to immediately remedy or replace any unauthorized or improper work at OWNER/LESSEE expense in order to comply with the approved plans, design drawings, and specifications and the terms of this Agreement.

SECTION 4

Upon completion of the improvements and upon their final inspection and approval by the CITY, the OWNER/LESSEE shall submit to the CITY a properly executed and certified contractor statement showing the full cost of the work as well as each separate component amount due to the contractor and each and every subcontractor involved in furnishing labor, materials, or equipment

necessary to complete the façade improvement related work. In addition, the OWNER/LESSEE shall submit to the CITY proof of payment of the contract cost pursuant to the contractor's statement and final lien waivers from all contractors and subcontractors. The CITY shall, within forty-five (45) days of receipt of the contractor's statement, proof of payment, and lien waivers, issue a check to the OWNER/LESSEE as reimbursement for one-half of the approved construction cost estimate or one-half of the actual construction cost, whichever is less, up to a maximum amount of \$5,000.00, subject to the limitations set forth in this Agreement.

SECTION 5

SECTION 6

Upon completion of the improvement work pursuant to this Agreement and for a period of four (4) years thereafter, the OWNER/LESSEE shall be responsible for properly maintaining such improvements in finished form and without change or alteration thereto, as provided in this Agreement, and for the said period of four (4) years following completion of the construction thereof, the OWNER/LESSEE shall not enter into any Agreement or contract or take any other steps to alter, change, or remove such improvements, or the approved design thereof, nor shall the OWNER/LESSEE undertake any other changes, by contract or otherwise, to the improvements provided in this Agreement unless such changes are first submitted to the CITY, and any additional review body designated by the CITY, for approval.

Such approval shall not be unreasonably withheld if the proposed changes do not substantially alter the original design concept of the improvements as specified in the plans, design drawings, and specifications approved pursuant to this Agreement. OWNER/LESSEE shall execute and record a restrictive covenant at the CITY'S request.

SECTION 7

This Agreement shall be binding upon the CITY and upon the OWNER/LESSEE and its successors, to said property for a period of four (4) years from and after the date of completion and approval of the façade improvements provided herein. It shall be the responsibility of the OWNER/LESSEE to inform subsequent OWNER(S)/LESSEE(S) of the provisions of this Agreement.

SECTION 8

The OWNER/LESSEE releases the CITY from, and covenants and agrees that the CITY shall not be liable for, and covenants and agrees to indemnify and hold harmless the CITY and its officials, officers, employees, and agents from and against any and all losses, claims, damages, liabilities, or expenses, of every conceivable kind, character and nature whatsoever arising out of, resulting from

or in any way connected with directly or indirectly with the façade improvement(s). Including but not limited to actions arising from the Prevailing Wage Act (820 ILCS 30/0.01 et seq.) The OWNER/LESSEE further covenants and agrees to pay for or reimburse the CITY and its officials, officers, employees, and agents for any and all costs, reasonable attorney's fees, liabilities, or expenses incurred in connection with investigating, defending against or otherwise in connection with any such losses, claims, damages, liabilities, or causes of action. The CITY shall have the right to select legal counsel and to approve any settlement in connection with such losses, claims, damages, liabilities, or causes of action. The provisions of this section shall survive the completion of said façade improvement(s).

SECTION 9

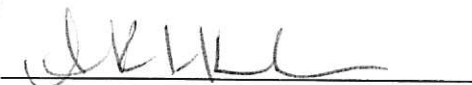

Nothing herein is intended to limit, restrict, or prohibit the OWNER/LESSEE from undertaking any other work in or about the subject premises, which is unrelated to the façade improvement provided for in this Agreement.

IN WITNESS THEREOF, the parties hereto have executed this Agreement on the date first appearing above.

By signing this agreement, you are acknowledging you have read and understood all terms and conditions of this agreement and of the Hillsboro Façade Improvement Grant Program, and are hereby confirming and agreeing to comply with and be bound to all terms, conditions, and other requirements of this Agreement.

Please provide a written summary of the proposed project below (proposed project components, colors, materials, phases, estimated start and completion date, vendors or contractors to be used, demonstration of need, etc.).

This project is to repair the masonry on the building at the bay window areas to improve the facade and to also prepare the bays for future new replacement windows.

The masons of Dobrinich and Johns Brick will grind any bad/deteriorated mortar joints out above and at least one foot around the five bay areas. Then, refill mortar joints with new mortar and replace any loose bricks in these areas. The new mortar will be a buff color to blend in with the aged patina of the facade on all areas except the darker band/design area. The darker band/design area would be filled with black mortar to properly match. Cleanup of any debris would be included. Estimate includes mortar, sand, mortar dye, and any other necessary materials as well as lift rental.

The start date for the project will be contingent upon the mason's availability at the time of grant application approval, as well as weather conditions. With colder temperatures approaching, certain types of masonry work may be limited during the winter months. If the mason's schedule does not permit completion before winter, remaining work will be deferred and completed in the spring.

The following items must be submitted with the Facade Grant Application:

1. Completed and signed Hillsboro Façade Grant Application Form.
2. Current photographs of the building and property where work is to be performed.
3. Bids, estimates, and other preliminary project cost estimates.
4. Renderings, site plans, drawings, or other items which may be available to assist the City in understanding your project.

WHEREAS, said Façade Improvement Grant Program is administered and implemented by the City, and is funded with Special Allocation Funds for the purposes of remediating conditions of blight, as well as repairing, rehabilitating, and improving the conditions of buildings located with the City; and

WHEREAS, pursuant to the Façade Improvement Grant Program, the City has agreed to participate, subject to its sole discretion, in reimbursing owners/lessees for the cost of eligible exterior improvements to qualifying commercial establishments up to a maximum of one-half (1/2) of the cost actually incurred during the performance of approved projects, not to exceed a total of \$5,000.00, as set forth herein; and

WHEREAS, the OWNER/LESSEE'S property is located within the City of Hillsboro, and the OWNER/LESSEE desires to participate in the Façade Improvement Program pursuant to the terms and provisions of this Agreement.

NOW THEREFORE, in consideration of the mutual covenants and agreements obtained herein, the CITY and the OWNER/LESSEE do hereby agree as follows:

COVENANTS & AGREEMENTS

SECTION 1

With respect to approved exterior façade improvements performed to an approved existing building, the CITY shall reimburse the OWNER/LESSEE for the cost incurred in the performance of such improvements in an amount equal to fifty percent (50%) of the total costs of such work, not to exceed a maximum amount of \$5,000.

The actual total reimbursement amounts per this Agreement shall not exceed \$5,000 for eligible project components related to the approved façade improvements. The improvement costs, which are eligible for CITY reimbursement, include all labor, materials, equipment, and other contract items necessary for the proper execution of the work as shown on the plans, design drawings, specifications, and estimates approved by the CITY. Such plans, design drawings, specifications, and estimates are attached hereto as EXHIBIT A.

SECTION 2

No improvement work shall be undertaken until its design has been submitted to and approved by the CITY. Following approval, the OWNER/LESSEE shall contract for the work and shall commence within one hundred and twenty (120) days and be completed within one (1) year from the date of such approval. The OWNER/LESSEE may request a ninety-day (90) extension provided there is a demonstrated hardship. Any variations, deviations, or changes to the approved plans ("change orders") shall be required to be presented to the Historic Preservation Committee, or other authorized CITY official or staff member, for review and consideration prior to authorization of any payment to be made in accordance with this agreement. Any costs incurred pursuant to change orders which are not approved by the CITY shall not be eligible for reimbursement in accordance with this agreement.

SECTION 3

The CITY shall periodically review and inspect the progress of any work performed pursuant to the Agreement at their full discretion. Such inspections shall not replace any required permit inspection by authorized building inspectors. All work found to be non-conforming with the approved plans, design drawings, and specifications shall be required to immediately cease until proper change order review is submitted and authorization to proceed is provided by the CITY. If authorization is not provided, the OWNER/LESSEE may be required to immediately remedy or replace any unauthorized or improper work at OWNER/LESSEE expense in order to comply with the approved plans, design drawings, and specifications and the terms of this Agreement.

SECTION 4

Upon completion of the improvements and upon their final inspection and approval by the CITY, the OWNER/LESSEE shall submit to the CITY a properly executed and certified contractor statement showing the full cost of the work as well as each separate component amount due to the contractor and each and every subcontractor involved in furnishing labor, materials, or equipment

necessary to complete the façade improvement related work. In addition, the OWNER/LESSEE shall submit to the CITY proof of payment of the contract cost pursuant to the contractor's statement and final lien waivers from all contractors and subcontractors. The CITY shall, within forty-five (45) days of receipt of the contractor's statement, proof of payment, and lien waivers, issue a check to the OWNER/LESSEE as reimbursement for one-half of the approved construction cost estimate or one-half of the actual construction cost, whichever is less, up to a maximum amount of \$5,000.00, subject to the limitations set forth in this Agreement.

SECTION 5

If the OWNER/LESSEE or the OWNER/LESSEE'S contractor fails to complete the improvement work provided for herein in conformity with the approved plans, design drawings, and specifications and the terms of this Agreement, then upon written notice being given by the CITY to the OWNER/LESSEE, by certified mail to the address listed above, this Agreement shall terminate and the financial obligation on the part of the CITY shall cease and become null and void.

SECTION 6

Upon completion of the improvement work pursuant to this Agreement and for a period of four (4) years thereafter, the OWNER/LESSEE shall be responsible for properly maintaining such improvements in finished form and without change or alteration thereto, as provided in this Agreement, and for the said period of four (4) years following completion of the construction thereof, the OWNER/LESSEE shall not enter into any Agreement or contract or take any other steps to alter, change, or remove such improvements, or the approved design thereof, nor shall the OWNER/LESSEE undertake any other changes, by contract or otherwise, to the improvements provided in this Agreement unless such changes are first submitted to the CITY, and any additional review body designated by the CITY, for approval.

Such approval shall not be unreasonably withheld if the proposed changes do not substantially alter the original design concept of the improvements as specified in the plans, design drawings, and specifications approved pursuant to this Agreement. OWNER/LESSEE shall execute and record a restrictive covenant at the CITY'S request.

SECTION 7

This Agreement shall be binding upon the CITY and upon the OWNER/LESSEE and its successors, to said property for a period of four (4) years from and after the date of completion and approval of the façade improvements provided herein. It shall be the responsibility of the OWNER/LESSEE to inform subsequent OWNER(S)/LESSEE(S) of the provisions of this Agreement.

SECTION 8

The OWNER/LESSEE releases the CITY from, and covenants and agrees that the CITY shall not be liable for, and covenants and agrees to indemnify and hold harmless the CITY and its officials, officers, employees, and agents from and against any and all losses, claims, damages, liabilities, or expenses, of every conceivable kind, character and nature whatsoever arising out of, resulting from

or in any way connected with directly or indirectly with the façade improvement(s). Including but not limited to actions arising from the Prevailing Wage Act (820 ILCS 30/0.01 et seq.) The OWNER/LESSEE further covenants and agrees to pay for or reimburse the CITY and its officials, officers, employees, and agents for any and all costs, reasonable attorney's fees, liabilities, or expenses incurred in connection with investigating, defending against or otherwise in connection with any such losses, claims, damages, liabilities, or causes of action. The CITY shall have the right to select legal counsel and to approve any settlement in connection with such losses, claims, damages, liabilities, or causes of action. The provisions of this section shall survive the completion of said façade improvement(s).

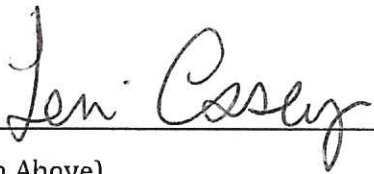

SECTION 9

Nothing herein is intended to limit, restrict, or prohibit the OWNER/LESSEE from undertaking any other work in or about the subject premises, which is unrelated to the façade improvement provided for in this Agreement.

IN WITNESS THEREOF, the parties hereto have executed this Agreement on the date first appearing above.

By signing this agreement you are acknowledging you have read and understood all terms and conditions of this agreement and of the Hillsboro Façade Improvement Grant Program, and are hereby confirming and agreeing to comply with and be bound to all terms, conditions, and other requirements of this Agreement.

3.1 Cost Reimbursement Structure. After substantial completion of the following indicated portions of the Redevelopment Project, the City agrees to reimburse the Developer for certain TIF Eligible Redevelopment Project Costs incurred during the completion of the Redevelopment Project ("Incentive Payments"). Such Incentive Payments shall be at the

indicated reimbursement rates and reimbursement limits:

#	Work Item	Reimbursement Rate

3.2 Reimbursement Limit. The total reimbursement the City shall provide to the Developer for qualifying work items and activities performed under this Agreement shall not exceed a cumulative total amount of **\$60,000.00** (the "Reimbursement Limit"), regardless of the actual costs incurred or the allocation among different categories of improvements.

SECTION 4: Disbursement of Payment(s).

All payments made from the City to the Developer pursuant to this Agreement shall be subject to the following terms, limitations, and requirements.

4.1 Conditions Precedent. Reimbursement under this Agreement is conditioned upon:

- (a) Substantial completion of the approved work items in compliance with all laws and City approvals;

All Requests for Payment shall be accompanied by invoices, statements, vouchers or bills for the amount requested (including evidence of payment thereof as to any amounts for which payment or reimbursement is requested) and lien waivers for all services or materials furnished by subcontractors, except as to any retainage, related to amounts for which reimbursement is requested. It is the sole responsibility of the Developer to submit any all Requests for Payment at the time it believes all obligations of the Developer have been completed and payment may be eligible for disbursement in accordance with the terms of this Agreement.

4.2 Approval of Requests. The City shall approve or deny any Requests for Payment within 30 days of the submittal thereof. If the City denies any Request for Payment or any portion thereof, it shall state in writing the reasons therefore and provide the Developer a reasonable opportunity to clarify or correct any deficiency in the Request for Payment without penalty.

4.2 Release of Payment. Within thirty (30) days of the City's approval of any Request for

Payment, the City shall release such payments to the extent monies are available in the Special Allocation Fund for the TIF District. Disbursement of payment in accordance with this Agreement will be in the form of a one-time lump sum grant payment and will only be eligible for disbursement upon completion of all components and conditions of the Redevelopment Project as verified and approved by the City, in the City's sole discretion, and not before submission of a proper Request for Payment by the Developer, of which must be approved by an authorized representative of the City.

4.3 Payment Limited to Special Allocation Fund. Notwithstanding any other term or provision of this Agreement, the City's obligations for payments pursuant to this Agreement are limited to monies in the Special Allocation Fund for the TIF District and from no other source. This Agreement does not compel the City's General Fund, or any other source of funds, to provide monies for any payment or obligation identified herein. The "Special Allocation Fund" shall be the fund or account set up by the City specifically to deposit monies collected pursuant to the TIF Act for the TIF District.

4.4 Administration Fees. The Developer agrees that all payment(s) received from the City may be subject to the deduction of an "Administration Fee" for the creation and administration of this Redevelopment Agreement and all matters related to the context of this Agreement. Administration Fees will be calculated as an amount equal to **10%** of any payment made to the Developer from the City pursuant to this agreement, **not to exceed a total of \$500.00.** The City may waive this fee at it's own discretion.

SECTION 5: Default, Remedies, and Termination of Agreement.

The Developer agrees that if any of the following events occur after the date of execution of this Agreement (the "Effective Date") and for the following five (5) consecutive years thereafter, the Developer may be considered to be in default of the Agreement, all pending and future payments shall immediately be forfeit by the Developer, and the City will have the right to recover from the Developer certain portions of the total payments granted from the City to the Developer pursuant to this Agreement, as well as terminate the Agreement in its entirety.

5.1 Conditions of Default. The following conditions of default shall apply to the Developer:

- a) **Failure to Timely Perform the Redevelopment Project:** The Developer fails to commence, diligently pursue, or complete the Redevelopment Project or any material portion thereof within the timeframes set forth in this Agreement, including failure to achieve Substantial Completion in accordance with the approved schedule of performance, including any period of extension to these deadlines.
- b) **Failure to Open Business:** The Developer fails to open and actively operate a commercial business on the Property on or before **March 1, 2026**, or any other date

resulting from an approved extension to this deadline.

- c) Failure of Continuous Operation: The cessation of business operations for a period exceeding thirty (30) consecutive days during the first five (5) years following issuance of a certificate of occupancy or opening of the business; provided, however, that temporary closures due to casualty, force majeure, government orders, or other circumstances beyond the reasonable control of the Developer shall not constitute an Event of Default, so long as the Developer undertakes commercially reasonable efforts to resume operations within a reasonable time.
- d) Misuse of Funds: The Developer uses any funds disbursed pursuant to this Agreement for purposes not authorized by this Agreement or provides false or materially misleading documentation in support of a payment or reimbursement request.
- e) Failure to Submit Required Documentation: The Developer fails to submit the required cost certification, lien waivers, permits, or other documentation required as conditions precedent to disbursement of funds.
- f) Failure to Maintain Insurance or Legal Compliance: The Developer fails to maintain the required insurance coverage or violates any applicable federal, state, or local law, regulation, or ordinance in connection with the Redevelopment Project.
- g) Abandonment or Unauthorized Transfer: The Developer abandons the Redevelopment Project or transfers the Property or the Developer's interest in this Agreement without the prior written consent of the City.
- h) Insolvency or Bankruptcy: The Developer becomes insolvent, makes an assignment for the benefit of creditors, or files or has filed against it a petition in bankruptcy that is not dismissed within sixty (60) days.
- i) Change in Property Tax Status: The Property, or any portion thereof, becomes exempt from ad valorem property taxation for any reason not previously approved in writing by the City.
- j) Failure to Pay Property Taxes: The Developer fails to pay any real estate taxes or assessments levied against the Property when due.
- k) Failure to Cure After Notice: The Developer fails to cure any non-monetary default under this Agreement within thirty (30) days after receiving written notice from the City specifying the nature of the default (or such longer period as may be reasonably necessary if the default cannot be cured within thirty (30) days, provided that the Developer commences and diligently pursues such cure).

5.2 Remedies. In the event the Developer is determined by the City to be in default under this Agreement, and such default occurs or is discovered within five (5) years of the Effective Date, the City shall be entitled to the following remedies, in addition to any other rights or remedies available at law or in equity:

- a) Repayment Obligation: The Developer shall, upon written demand by the City, repay to the City one hundred percent (100%) of any and all funds disbursed to the

Developer pursuant to this Agreement. Such repayment shall be due in full within sixty (60) days of the date of the City's written demand, unless otherwise agreed in writing by the City.

- b) Termination of Agreement: The City may terminate this Agreement upon written notice to the Developer, in which case the Developer shall no longer be entitled to receive any further disbursements under this Agreement.
- c) Legal Action: The City shall have the right to pursue any and all legal or equitable remedies available to enforce the terms of this Agreement, including the right to seek injunctive relief, specific performance, and recovery of reasonable attorneys' fees and costs incurred in enforcing its rights.

5.3 Enforcement of Provisions. Upon the occurrence of a default or a breach which results in either party to undertaking any action to enforce any provision of this Agreement, the defaulting party shall pay upon demand all of the non-defaulting party's charges, costs and expenses, including the reasonable fees of attorneys, agents and others, as may be paid or incurred by such non-defaulting party in enforcing any of the defaulting party's obligations under this Agreement or in any litigation, negotiation or transaction in connection with this Agreement in which the defaulting party causes the non-defaulting party, without the non-defaulting party's fault, to become involved or concerned.

5.4 Discretionary Recovery. The City reserves the right to pursue recovery of any and all payments made to the Developer pursuant to this Agreement at their own discretion after material default by Developer. Request for repayment will be required to be made in writing to the Developer and is not automatically triggered by the above-mentioned events.

SECTION 6: MISCELLANEOUS PROVISIONS

The following additional provisions also apply to this Agreement.

6.1 No Individual Liability of the City. All covenants, stipulations, promises, agreements and obligations of the City contained herein shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the City and not of any of its Corporate Authorities, officials, agents, employees or independent contractors in their individual capacities. No member of the Corporate Authorities, officials, agents, employees or independent contractors of the City shall be personally liable to the Developer **(i)** in the event of a Default or Breach by any party under this Agreement, or **(ii)** for the payment of any portion of the Reimbursement Amount which may become due and payable under the terms of this Agreement.

6.2 City Not Liable for Developer Obligations. Notwithstanding anything herein to the contrary, the City shall not be liable to the Developer for damages of any kind or nature

whatsoever arising in any way from this Agreement, from any other obligation or agreement made in connection therewith or from any default or breach under this Agreement; provided that nothing in this Agreement shall limit otherwise permissible claims by the Developer against the TIF District or Special Allocation Fund, or actions by the Developer seeking specific performance of this Agreement or other relevant contracts in the event of a breach of this Agreement by the City.

6.3 Hold Harmless of the City. The Developer agrees to indemnify, defend and hold harmless the City, its Corporate Authorities, officials, agents, employees and independent contractors, from and against any and all suits, claims and cost of attorneys' fees, resulting from, arising out of, or in any way connected with **(i)** any of the Developer's obligations under or in connection with this Agreement, **(ii)** the performance of the Redevelopment Project, **(iii)** the Developer's compliance with fair labor practices including the Prevailing Wage Act if, as and when applicable to the Project, and **(iv)** the negligence or willful misconduct of the Developer, its officials, agents, employees or independent contractors in connection with the management, development, redevelopment, construction or installation of the Project, except as such may be caused by the intentional conduct, gross negligence, negligence or breach of this Agreement by the City, its Corporate Authorities, officials, agents, employees or independent contractors.

6.4 Provision Enforceability. In the event any term or provision of this Agreement is held to be unenforceable by a court of competent jurisdiction, the remainder shall continue in full force and effect, to the extent the remainder can be given effect without the invalid provision.

6.5 Assignment. - 2.2 **Renewal.** Immediately after the expiration of the Initial Term, this Agreement will automatically renew for additional successive one (1) year terms, unless either party notifies the other in writing at least sixty (60) days in advance of the renewal term commencement date that the Agreement will not be renewed.
- 2.3 **Expiration.** If either party provides notice that the Agreement will not be renewed, unless otherwise instructed by PaintCare, the Service Provider, before the end of the Term of the Agreement, shall assemble all Collection Bins supplied by PaintCare whether or not full, and shall make them available for pick up by a Hauler at one of the Drop-Off Sites.

ARTICLE 3 – GENERAL OBLIGATIONS OF THE SERVICE PROVIDER

- 3.1 **Managing Program Products.** In consideration of PaintCare's payments, if any, to the Service Provider for the Services, and for activities undertaken at the expense of PaintCare, the Service Provider shall perform the Services provided for in Attachment A ("Scope of Work"). The Service Provider shall manage at its own expense all PaintCare Products Collected at the Drop-Off Sites only in accordance with Attachment A ("Scope of Work") and not process or dispose of PaintCare Products by any other method without the prior written approval of PaintCare.
- 3.2 **Covered Permanent Drop-Off Sites.** Either party may amend Attachment C ("Drop-Off Site Information") to add or delete sites subject to the other party's prior written approval for each such addition/deletion.
- 3.3 **Covered Temporary Collection Events.** Service Provider's Temporary Collection Events will automatically be added under this Agreement on an ongoing basis with the following conditions and exclusions:
 - a. Service Provider must provide PaintCare with at least ten (10) days' advance written notice of when each Temporary Collection Event is to take place. If Service Provider fails to provide at least ten (10) days' advance written notice of a Temporary Collection Event as required hereunder, the Temporary Collection Event will not be added unless expressly approved by PaintCare in writing.
 - b. In instances where PaintCare receives timely advance notice of a Temporary Collection Event as required hereunder, PaintCare may decline the addition of a Temporary Collection Event(s) by providing Service Provider with written notice to that effect no later than ten (10) days after PaintCare received notice of that Temporary Collection Event(s) from Service Provider.
- 3.4 **Operational Responsibility.**
 - a. The Service Provider (and not PaintCare) is responsible for:
 - i. making day-to-day and critical decisions regarding the Services, including the management and supervision of all activities comprising the Services; and

- ii. complying with all applicable Law relating to the Services and the operation of the Drop-Off Sites.
- b. The Service Provider is responsible for and will manage at its sole expense any and all Non-PaintCare Products it collects at the Drop-Off Sites. PaintCare in no way accepts responsibility for such Non-PaintCare Products.
- c. The Service Provider shall provide the Services at its own risk and take all reasonable precautions to protect all public and private property during the performance of the Services. If the Service Provider's personnel or equipment cause any damage to PaintCare's or one of its contractor's property, the Service Provider, at its sole expense, shall promptly replace the damaged property or repair it to the condition existing before the damage.
- d. Work under this Agreement shall be performed only by competent personnel under the management, supervision, and direction of, or in the employment of, the Service Provider. All personnel working for or at the direction of Service Provider must be managed, supervised, and directed by the Service Provider.

3.5 Compliance with PaintCare Program Guidelines.

- a. The Service Provider shall make best efforts to comply in all material respects with the Program Guidelines (except to the extent the Program Guidelines conflict with the terms of this Agreement or any applicable Law). The Service Provider must notify PaintCare in writing if the Service Provider is unable to comply with any aspect of the Program Guidelines.
- b. The Service Provider shall not charge Program participants a fee relating to any costs that are covered by the Program, unless approved by PaintCare, such approval not to be unreasonably withheld. Nothing in this Agreement prohibits the Service Provider from charging fees to participants for dropping off Non-PaintCare Products.

3.6 Spill Prevention and Response. The Service Provider is responsible for promptly containing and cleaning up any spills that may occur at the Drop-Off Sites, including (i) maintaining spill kits or other appropriate spill containment and clean-up materials at all Drop-Off Sites, (ii) instituting spill prevention and response procedures at the Drop-Off Sites, and (iii) training Drop-Off Site personnel on all such spill prevention and response procedures.

3.7 Reporting. The reporting and notification requirements identified in Attachment A ("Scope of Work") and elsewhere in this Agreement are an integral part of the Services. The Service Provider shall comply with all reasonable requests from PaintCare for preparation, access, review, and/or adjustment of these deliverables throughout the Term of this Agreement.

3.8 Collection Bins. The Service Provider shall inspect the Collection Bins upon arrival and determine whether they are in proper condition for use. PaintCare is responsible for replacing any defective Collection Bins and repairing normal wear-and-tear to the Collection Bins. The Service Provider shall immediately notify the Hauler if at any point during the Term of the Agreement a Collection Bin(s) is not in proper condition for use and shall not use any such defective Collection Bins until they are repaired or replaced by the Hauler. The Service Provider is responsible for its use (or misuse) of any equipment it uses to perform the Services, including any Collection Bins.

ARTICLE 4 – REPRESENTATIONS AND WARRANTIES

4.1 Mutual Representations and Warranties. The parties each represent, covenant, and warrant that:

- a. it is an entity in good standing and qualified to carry on business in the State and has all necessary approval, capacity, and authority to enter into this Agreement and fully perform its obligations under this Agreement; and
- b. this Agreement does not in any way conflict with any of its other agreements.

4.2 Service Provider's Additional Representations and Warranties. The Service Provider additionally represents, covenants, and warrants that:

- a. it possesses the business, professional, and technical expertise, training, personnel, and equipment required to perform the Services;
- b. it will perform the Services in a diligent, safe, and workmanlike manner that conforms with generally accepted industry and professional practices, and the care and skill ordinarily exercised, for such Services; and
- c. it and/or its facilities, employees, or agents, have been issued, as of the date of this Agreement and throughout the Term of the Agreement, all permits, licenses, certificates, or approvals required by applicable Law to perform the Services.

ARTICLE 5 – GENERAL OBLIGATIONS OF PAINTCARE

5.1 Coordinating Transportation and Processing.

- a. PaintCare shall arrange for a Hauler to be available to pick up Collected PaintCare Products from any permanent Drop-Off Site within ten (10) business days of the Drop-Off Site placing a pick-up request to the Hauler, with the exception of Drop-Off Sites located in any island communities. The parties recognize and agree that pick up turnaround times for Drop-Off Sites located in any island communities may exceed the turnaround timeframe specified above. PaintCare shall, at its expense, arrange for the Hauler to transport such PaintCare Products after pick-up to intermediary locations, processors, or other final destinations that are part of the Program.
- b. Provided that the Service Provider provides PaintCare with sufficient notice as required under this Agreement, PaintCare (or its Hauler) will coordinate with the Service Provider to arrange for the timely pick-up of PaintCare Products Collected at a Temporary Collection Event at a date and time designated by the Service Provider.
- c. PaintCare shall require the Haulers and their subcontractors to treat, store, and dispose of all PaintCare Products picked up by Hauler from a Drop-Off Site in accordance with all applicable Law and in conformance with PaintCare's program plan. PaintCare shall require that any disposal or recycling facilities utilized as part of the Program are maintained in accordance with all applicable Law.
- d. PaintCare will contract with its Haulers to arrange and provide for the ultimate disposition of the PaintCare Products as set forth in PaintCare's program plan.

5.2 Compensation for Additional Activities. PaintCare shall pay the Service Provider for any Additional Activities as set forth in this Agreement and in accordance with the pricing in Attachment B ("Pricing").

5.3 Collection Bins. For each Drop-Off Site, PaintCare shall arrange for a Hauler to provide Collection Bins to the Service Provider or approve the Service Provider's containers as Collection Bins. All Collection Bins supplied by PaintCare or a Hauler will remain the property of PaintCare.

5.4 No Exclusivity. Nothing herein creates an exclusive arrangement between PaintCare and the Service Provider. The Service Provider may not restrict PaintCare from contracting with other

entities under the Program, including other service providers with waste collection facilities in the Service Provider's geographical region.

- 5.5 **Damage to Property.** If PaintCare or a Hauler causes any damage to the Service Provider's or one of its subcontractor's property, PaintCare shall, at no expense to the Service Provider, either (i) promptly replace the damaged property or have it repaired to the condition existing before the damage, or (ii) require the Hauler to replace the damaged property or have it repaired to the condition existing before the damage.

ARTICLE 6 – TITLE AND RISK OF LOSS; DISCLAIMERS

6.1 Service Provider's Title and Risk of Loss.

- a. As between the Service Provider and PaintCare, the Service Provider has title to and risk of loss and liability for any and all PaintCare Products and Non-PaintCare Products that the Service Provider receives at the Drop-Off Sites, including any risk of loss and liability under the federal Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. § 9601 *et seq.* and under state or local Law.
- b. Notwithstanding the foregoing, once a Hauler accepts for transportation any PaintCare Products Collected by the Service Provider under this Agreement, title to and risk of loss for those PaintCare Products will transfer to that Hauler. PaintCare at no time takes title to or assumes liability for any materials that Service Provider accepts at the Drop-Off Sites; however, for the PaintCare Products that Service Provider Collects under the Program, PaintCare shall require in its contracts with its Haulers that the Haulers accept such title and risk of loss immediately upon accepting those PaintCare Products for transportation from a Drop-Off Site.

- 6.2 **Disclaimer of Responsibility for the Services.** PaintCare has no authority or responsibility to manage, direct, or supervise employees, representatives, or agents of the Service Provider, including how they perform the Services and achieve compliance with applicable Law. PaintCare does not have responsibility for making day-to-day and critical decisions regarding the Services, including the management or supervision of any activities comprising the Services. PaintCare is not responsible for any damage to persons or property resulting from the performance of the Services.

- 6.3 **Waiver of Damages.** NEITHER PARTY WILL BE LIABLE TO THE OTHER FOR ANY CONSEQUENTIAL, PUNITIVE, OR SPECIAL DAMAGES, WHETHER BASED ON BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), OR ANY OTHER LEGAL THEORY, EVEN IF ADVISED OF SUCH POTENTIAL DAMAGES; HOWEVER, NOTHING IN THIS PARAGRAPH CONSTITUTES A LIMIT OF THE INDEMNIFICATION OBLIGATIONS IN ARTICLE 9 ("INDEMNIFICATION").

ARTICLE 7 – PAYMENT AND INVOICING

7.1 Invoicing and Reporting.

- a) If the Service Provider is performing any Additional Activities under this Agreement, the Service Provider shall provide an "Activity Report for Reimbursement" form (Attachment E) to PaintCare on a monthly basis, either by hard copy or electronically, within thirty (30) days after the end of the month in which the invoiced Additional Activity services were performed. The report may be sent with or without a separate invoice. The Service Provider's timely submission to PaintCare of the Activity Report for Reimbursement form in Attachment E is sufficient to meet the invoicing requirements hereunder.

- b) The Service Provider shall submit all Activity Report for Reimbursement forms and invoices, if applicable, together to PaintCare by the method directed by PaintCare and/or at the address specified below.

To: PaintCare Illinois LLC
Attn: Accounting
E-mail: paintcare@bill.com
Address: 901 New York Avenue NW, Suite 300W, Washington, DC 20001

- c) PaintCare reserves the right to refuse payment of any invoice or portion thereof that is not timely submitted or does not meet the requirements set forth in this Agreement.

7.2 **Backup Documentation.** The Service Provider warrants that, to the best of its knowledge, all documents including invoices, billings, back-up information for invoices, and reports submitted by the Service Provider to PaintCare to support amounts invoiced in connection with the Services truly reflect the facts about the activities and transactions to which they pertain. The Service Provider warrants that PaintCare may rely upon all such documents and the data therein as being complete and accurate. The Service Provider shall promptly notify PaintCare upon discovering any errors or discrepancies in any documents that the Service Provider provided to PaintCare under this Agreement. All amounts paid by PaintCare to the Service Provider are subject to audit by PaintCare.

7.3 **Payments.**

- a) PaintCare's payment for any Additional Activities provided by the Service Provider, if any, will be made in U.S. currency and in the manner set forth in Attachment B ("Pricing").
- b) Provided that the Service Provider has supplied the required information and otherwise performed its obligations under this Agreement, PaintCare shall pay such invoice within forty-five (45) days of the date that PaintCare receives the invoice.
- c) In the event PaintCare has a good-faith objection to an invoice, PaintCare shall pay the undisputed amount pursuant to the terms of this Agreement and notify in writing the Service Provider of said objections and describe in reasonable detail the basis for the objections. The Dispute Resolution provisions in Article 16 ("Dispute Resolution") will be used to resolve such disputed portion of an invoice.
- d) PaintCare's payment of all or a part of an invoice neither relieves the Service Provider of any of its obligations under this Agreement nor constitutes a waiver of any claims by PaintCare. Likewise, the Service Provider's acceptance of all or part of a payment neither relieves PaintCare of any of its obligations under this Agreement nor constitutes a waiver of any claims by the Service Provider.

ARTICLE 8 – AUDIT AND INSPECTION RIGHTS

- 8.1 **Compliance Monitoring.** PaintCare and its representatives may (a) monitor and verify that the Service Provider has complied with this Agreement and the applicable Law; and (b) consult with the Service Provider about such compliance; provided, however, that PaintCare shall not, and affirmatively disclaims any ability to, control, supervise, or manage (i) the employees of the Service Provider, (ii) the activities undertaken by the Service Provider in the performance of this Agreement, and (iii) the means by which the Service Provider meets all requirements, including applicable Law.
- 8.2 **Site Inspections.** PaintCare may, audit and inspect, with full access, the Service Provider's Drop-Off Sites during the Drop-Off Sites' hours of operation, as well as any other site at which

the Service Provider performs the Services. PaintCare will provide the Service Provider with at least seventy-two (72) hours' notice before any such audit or inspection.

8.3 **PaintCare Audit Rights.** The Service Provider will maintain and make available to PaintCare, during regular business hours, accurate books and accounting records relating to its Services under this Agreement. The Service Provider will permit PaintCare to audit, examine, and make excerpts and transcripts, of any books or records, and to make audits of invoices, materials, and other data related to all other matters covered by this Agreement. The Service Provider shall maintain such data and records (and ensure that any subcontractors of the Service Provider maintain any such data and records) in an accessible location and condition for a period of not less than three (3) years from the date of the final report or final payment under this Agreement, as applicable, or until after final audit has been resolved, whichever is later.

8.4 **Record Retention.** In addition to those reports detailed in Attachment A ("Scope of Work"), the Service Provider shall maintain the following records:

- a. for each pick-up of PaintCare Products by a Hauler from a Drop-Off Site, a bill of lading, manifest, or equivalent shipping documentation specifying the following:
 - i. the name, address, and telephone number of both the originating Drop-Off Site and the Hauler;
 - ii. the destination of the PaintCare Products;
 - iii. the quantity of PaintCare Products being transported;
 - iv. the date on which the Hauler accepted the PaintCare Products from the originating location; and,
 - v. the signatures of both the Hauler and a representative of the originating Drop-Off Site;
- b. records of any inspections required by Law; and
- c. Employee Training records, as described in and required by the Program Guidelines.

ARTICLE 9 – INDEMNIFICATION

9.1 **The Service Provider's Indemnification of PaintCare.** To the extent permitted by Law, and subject to Article 9.3 below, the Service Provider, its successors and assigns, agrees to indemnify, defend, and hold harmless PaintCare, its affiliate and related companies, and their member companies, officers, directors, employees, agents, successors, and assigns (collectively, "Indemnified Parties") from and against all claims, suits, demands, obligations, losses, damages (including punitive or exemplary damages), liabilities, expenses (including attorney fees, litigation expenses, and reasonable costs of investigation), and causes of action of every kind whatsoever, whether based in contract, tort, statute, common law, or strict liability, which are claimed in any way to result from, arise out of, or be connected with the performance of the Services (whether by the Service Provider or any subcontractor of the Service Provider), the Service Provider's operation of a Drop-Off Site, or the Service Provider's performance of its obligations under the Agreement.

9.2 **Indemnification of Service Provider.**

- a. PaintCare shall require in its contracts with its Haulers that, subject to Article 9.3 below, the Haulers agree to indemnify the Service Provider, its agents, elected officials, and employees, from and against all claims, losses, damages, liabilities, expenses, and causes of action of every kind whatsoever, whether based in contract, tort, statute, common law, or strict liability, which result from or arise out of the Hauler's (or its

subcontractors') transportation or processing/disposal of any PaintCare Products that the Hauler picks up from any of the Service Provider's Drop-Off Sites.

- b. Subject to Article 9.3 below, PaintCare will indemnify, defend, and hold harmless the Service Provider, its agents, elected officials, and employees, from and against all claims, suits, demands, obligations, losses, damages (including punitive or exemplary damages), liabilities, expenses (including attorney fees, litigation expenses, and reasonable costs of investigation), and causes of action of every kind whatsoever, whether based in contract, tort, statute, common law, or strict liability that result from any of the following:
 - i. PaintCare's failure to include the contractual requirement for the Hauler to indemnify the Service Provider, as described in Article 9.2(a), or PaintCare's failure to maintain such a requirement in its Hauler contracts;
 - ii. PaintCare's failure to pay the Haulers for the services rendered by the Haulers (or any subcontractors thereof) relating to the Drop-Off Sites;
 - iii. any breach by PaintCare of its obligations to remedy any property damage caused to a Drop-Off Site by PaintCare or a Hauler, as described in Article 5.5; or
 - iv. the activities of PaintCare staff while present at the Drop-Off Sites.

9.3 Indemnification Exceptions.

- a. The indemnification obligations in this Article 9 do not apply to any claims, suits, demands, obligations, losses, damages, liabilities, expenses, or causes of action that result primarily from the negligence, willful misconduct, or breach of this Agreement attributable to the party seeking indemnification.
- b. For the avoidance of doubt, nothing in this Article 9 is intended to make either party liable for the acts or omissions of the Haulers or any subcontractor thereof relating to their transportation, storage, management, treatment, processing, or disposal of PaintCare Products or other materials.

ARTICLE 10 – INSURANCE

- 10.1 **Service Provider Insurance Requirements.** The Service Provider shall comply with the requirements set forth in Attachment D ("Insurance Requirements for PaintCare Drop-Off Sites").
- 10.2 **Hauler Insurance Requirements.** PaintCare shall require that its Haulers carry appropriate insurance, including the following (collectively, the "Hauler Insurance"):

 - b. Commercial Automobile Liability insurance (owned, non-owned or hired) with limits not less than \$1,000,000 combined single limit; and
 - c. Workers' Compensation Insurance as required by the State or other applicable Law.
- 10.3 **Additional Insurance Requirements for Hazwaste Haulers.** For any Hauler that PaintCare designates to pick up hazardous PaintCare Products from the Drop-Off Sites, the Hauler Insurance will include environmental pollution liability insurance covering liability arising from the handling or release of pollutants by the Hauler, including during transport. Such environmental

pollution liability insurance will have limits not less than \$2,000,000 each occurrence, and \$5,000,000 in the aggregate.

- 10.4 **Hauler Additional Insured Obligations.** PaintCare shall require in its contracts with its Haulers that the Hauler include the Service Provider and its agents, elected officials, and employees as additional insured (which may be by blanket endorsement) under the Hauler Insurance policies (other than Worker's Compensation).

ARTICLE 11 – TERMINATION OF AGREEMENT

- 11.1 **Termination for Cause.** Either party may terminate this Agreement or any Services under this Agreement under the following conditions:
- a. Immediately upon prior written notice if the other party has breached any material provision of this Agreement, and has failed to cure such breach within thirty (30) days of receiving written notification of such breach; or
 - b. upon ten (10) days' prior written notice if the other party has violated applicable Law.

Any notice of termination must specify the date of termination and the reasons for termination.

- 11.2 **Termination for Convenience.** Either party may terminate this Agreement (in whole or in connection with one or more particular Drop-Off Sites) at any time without cause upon thirty (30) days' written notice to the other party.
- 11.3 **Effect of Termination.** If this Agreement is terminated under this Article, PaintCare shall pay the Service Provider for any unpaid fees validly owed under the Agreement for any Additional Activities performed before the date of the termination. Upon any termination of this Agreement, unless otherwise instructed by PaintCare, the Service Provider promptly shall assemble all Collection Bins supplied by PaintCare, whether or not full, and shall make them available for pick up by a Hauler at one of the Service Provider's Drop-Off Sites.

ARTICLE 12 – ASSIGNMENT AND SUBCONTRACTING

- 12.1 **Limitations on Assignment.** Neither party may assign, novate, or otherwise transfer (including transfer by operation by law) this Agreement or the obligations and rights hereunder without the express written consent of the other party, which consent shall not be unreasonably withheld. Any attempted assignment, novation, or other transfer made in violation of this Article is void and has no effect. Notwithstanding the foregoing, PaintCare will provide notice but does not require prior consent to assign the Agreement to an entity that is at least fifty percent (50%) owned or controlled by PaintCare or to an entity that owns or controls at least fifty percent (50%) of PaintCare.
- 12.2 **Service Provider's Subcontracting Rights.** The Service Provider may subcontract any part of its obligations under this Agreement by providing written notice to PaintCare. Nothing contained in this Agreement or otherwise, creates any contractual relationship between PaintCare and any subcontractor of the Service Provider. A subcontract does not relieve the Service Provider of its responsibilities and obligations hereunder. It is the Service Provider's responsibility to ensure that any subcontractor is aware of and complies with the terms of this Agreement relating to the services being performed by that subcontractor. The Service Provider agrees to be as fully responsible to PaintCare for the acts and omissions of its subcontractors as it is for its own acts and omissions.
- 12.3 **Subcontractor Payment Obligations.** The Service Provider's obligation to pay its subcontractors is an obligation independent from PaintCare's obligation to make payments to

the Service Provider. PaintCare has no obligation to pay or to enforce the payment of any moneys to any subcontractor of the Service Provider.

ARTICLE 13 – FORCE MAJEURE

- 13.1 Any delay or failure of either party to perform its obligations hereunder will be suspended if, and to the extent, caused by the occurrence of a Force Majeure. In the event that either party intends to rely upon the occurrence of a Force Majeure to suspend or to terminate its obligations, such party shall notify the other party in writing immediately, or as soon as reasonably possible (but no later than ten (10) calendar days), setting forth the particulars of the circumstances. Written notices shall likewise be given after the effect of such occurrence has ceased.

ARTICLE 14 – NOTICES

- 14.1 **Delivery of Notices.** Except where otherwise expressly authorized, notice will be by email, first class certified or registered mail, or by commercial delivery service issuing a receipt for delivery. Notices will be addressed as set forth below. Either party may change the address information below by providing written notice to the other party. Notice is effective upon delivery. If delivery is refused, notice must be attempted by an alternate method hereunder. If delivery is refused for more than one method of notice specified herein, notice is deemed to be effective as of the date the second notice was attempted.

ARTICLE 15 – INDEPENDENT CONTRACTOR STATUS

- 15.1 **Relationship Between the Parties.** The parties intend that the Service Provider, in performing the Services specified herein, is acting as an independent contractor and that the Service Provider will control the work and the manner in which it is performed. This Agreement is not intended and may not be construed to create the relationship between the parties of agent, servant, employee, partnership, joint venture, or association.
- 15.2 **Compensation of Employees.** Each party, or its subcontractors, as appropriate, is solely liable and responsible for providing all compensation and benefits due to, or on behalf of, all persons performing work on its behalf in connection with this Agreement. Neither party has any liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the other party.

- 15.3 **Workers' Compensation.** Each party understands and agrees that all persons performing work pursuant to this Agreement on its behalf are, for purposes of Workers' Compensation liability, solely employees of that party and not employees of the other party. Each party is solely liable and responsible for furnishing any and all Workers' Compensation benefits to its employees as a result of any injuries arising from or connected with any work performed by or on behalf of that party pursuant to this Agreement.
- 15.4 **Relationship of Haulers.** The Haulers are independent third-party contractors and are not employees, partners, or agents of either party. Neither party is liable for the acts or omissions of the Haulers under this Agreement.

ARTICLE 16 – DISPUTE RESOLUTION

- 16.1 **Good Faith Negotiation.** Both parties shall, in good faith, attempt to negotiate resolutions to all disputes arising out of this Agreement.
- 16.2 **Agreement to Arbitration.** Subject to the conditions and limitations of this Article, any controversy or claim arising out of or relating to this Agreement will be exclusively settled by arbitration under the laws of the State, in accordance with the rules of the American Arbitration Association. Any decision of an arbitrator engaged under this Article is final, binding and enforceable upon both parties. The parties agree to consolidation of any arbitration between them with any other arbitration involving, arising from, or relating to this Agreement.
- 16.3 **Enforcement of Arbitration.** Each party hereto accepts the jurisdiction of the courts of the State for the purposes of commencing, conducting and enforcing an arbitration proceeding or arbitration decision pursuant to this Article. Each party will accept service of notice of the other party's intent to proceed with arbitration, and of any other step in connection therewith or enforcement thereof, if such notice is in writing and sent by certified letter addressed to said party according to Article 14.1, and such notice will have the same effect as if the party had been personally served within the State.
- 16.4 **Performance During Dispute Resolution.** The parties shall continue to perform their respective obligations during the dispute resolution process in a diligent and timely manner in accordance with all applicable provisions of this Agreement.
- 16.5 **Dispute Resolution Costs.** Each party hereto shall bear the costs and expenses incurred by it in connection with such arbitration processes. The cost of any independent decision maker shall be shared equally between the parties.

ARTICLE 17 – COMPLIANCE WITH LAW

- 17.1 **Compliance with Law.** Each party shall comply with all Law applicable to the performance of its obligations under this Agreement.
- 17.2 **Cumulative Obligations and Remedies.** Duties and obligations imposed by the Agreement, and rights and remedies available thereunder, are in addition to (and not a limitation of) duties, obligations, rights, and remedies otherwise imposed on or afforded to the parties under applicable Law.

ARTICLE 18 – SAFETY, HEALTH, AND ENVIRONMENTAL PROTECTION; RELEASES OF HAZARDOUS SUBSTANCES; EMERGENCY RESPONSE

- 18.1 **Health and Environmental Safety.** The Service Provider is responsible for safety, health, and environmental protection related to the performance of the Services and shall take appropriate

measures required by applicable Law and legal standards to ensure that it (and any of its subcontractors):

- a. provide and maintain safe, health-protective, and environmental-protective working areas at or in proximity to where the Services are performed;
 - b. protect and safeguard (i) all persons at or in proximity to the Services, including those in adjacent areas, from risk or injury and danger to health, and (ii) all property and equipment from damage or loss;
 - c. comply with all applicable Law governing the generation, handling, management, treatment, storage, or disposal of hazardous wastes, including the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), 42 U.S.C. § 6901 *et seq.*, the Hazardous Materials Transportation Act, 49 U.S.C. § 1801 *et seq.*, and all requirements for household waste collection facilities pursuant to all applicable permits and state law; and
 - d. comply with all other applicable health, safety and environmental Law, including the requirements of the U.S. Occupational Safety and Health Administration ("OSHA"), U.S. Environmental Protection Agency ("EPA"), and delegated state programs authorized by OSHA and EPA.
- 18.2 **Notification of Releases.** The Service Provider shall notify PaintCare within twenty-four (24) hours of any circumstance or occurrence during the performance of the Services that requires reporting to any governmental authority under any applicable permit or Law, including reporting to the National Response Center because of the release of a reportable quantity of hazardous substances pursuant to 42 U.S.C. § 9603 or under applicable State or local law. The Service Provider shall ensure that any such reports are made within the applicable time limits and shall not delay making such reports because of any inability to notify PaintCare.
- 18.3 **Notification of Dangerous Conditions at Drop-Off Sites.** In the event of any action or occurrence during the performance of the Services which causes or threatens a release of a hazardous substance, hazardous waste, or hazardous material into the environment which presents or may present an imminent and substantial endangerment to public health or welfare or the environment and/or requires cleanup or a response action under applicable Law, the Service Provider shall (i) immediately take all appropriate action to prevent, abate, minimize, and cleanup such release and endangerment in conformance with applicable Law and cleanup standards, and (ii) notify PaintCare of the incident within twenty-four (24) hours. As between the parties, the Service Provider is solely responsible for the costs of such action and any liability and damages of any type arising from any action or occurrence identified in this Article. The Service Provider shall not delay the undertaking of appropriate action because of any inability to notify PaintCare.

ARTICLE 19 – PUBLICITY

- 19.1 The Service Provider shall not, and shall not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the PaintCare service mark without the prior written consent of PaintCare. The Drop-Off Sites and any events may be listed, referenced, or advertised as Collection sites by PaintCare for the Program during the Term of this Agreement in accordance with the Program Guidelines.

ARTICLE 20 – MISCELLANEOUS PROVISIONS

- 20.1 **No Waiver.** The failure at any time to enforce any provision of this Agreement or failure to exercise any right herein granted does not constitute a waiver of such provision or of such right thereafter to enforce any or all of the provisions of this Agreement.
- 20.2 **Selective Waiver.** Either party may waive any default by the other party under this Agreement by an instrument in writing to that effect, and no such waiver will extend to any subsequent or other default by the other party. No failure or delay on the part of either party to exercise any right hereunder operates as a waiver thereof. Either party may elect to selectively and successively enforce its rights hereunder, such rights being cumulative and not alternative.
- 20.3 **Amendment or Modification.** Unless otherwise provided herein, no amendments, changes, alterations, variations, or modifications to this Agreement will be effective unless in writing and signed by the respective duly authorized representatives of the parties hereto.
- 20.4 **Governing Law/Venue.** The laws of the State, without giving effect to its principles of conflicts of law, govern the interpretation and effect of this Agreement. Subject to the provisions of Article 16 ("Dispute Resolution"), any legal proceedings regarding this Agreement initially will be brought before a court of jurisdiction prescribed by law in the State.
- 20.5 **Severability.** If any term, covenant, condition, or provision of this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of the provisions hereof will remain in full force and effect and will in no way be affected, impaired, or invalidated thereby.
- 20.6 **Calendar Days.** Any reference to the word "day" or "days" herein shall mean calendar day or calendars days, respectively, including weekends and federal holidays unless otherwise expressly provided. If a deadline falls on a weekend or federal holiday, the next business day will be the applicable deadline.
- 20.7 **No Third-Party Beneficiary.** This Agreement is intended solely for the benefit of the parties hereto, and no third party has any right or interest in any provision of this Agreement or as a result of any action or inaction by any party in connection therewith.
- 20.8 **Authorization.** Each party represents and warrants that it has full power and authority to enter into this Agreement and to perform its obligations set forth herein. The representative(s) signing this Agreement on behalf of each party represents that he/she has the authority to execute this Agreement on behalf of the applicable party and to bind it to its contractual obligations hereunder.
- 20.9 **Headings.** The section and subsection headings used in this Agreement are for convenience only and are not intended to define or limit any of the terms or provisions herein.
- 20.10 **Survivability.** All continuing obligations, rights, and remedies of the parties under this Agreement will survive the expiration or termination of this Agreement, including the continuing obligations in the following articles: Article 6 ("Title and Risk of Loss; Disclaimers"); Article 8 ("Audit and Inspection Rights"); Article 9 ("Indemnification"); Article 10 ("Insurance"); Article 16 ("Dispute Resolution"); Article 17 ("Compliance With Law"); and Article 18 ("Safety, Health, and Environmental Protection; Releases of Hazardous Substances; Emergency Response).

 - a. **Commercial General Liability** insurance written on an occurrence coverage basis covering claims for bodily injury, death, and property damage (including loss of use), personal injury, and advertising injury, at least as broad as the 1986 (or later) *Insurance Services Office Commercial General Liability Policy form CG 0001* ©, current edition occurrence form.
 - b. **Automobile Liability** insurance covering liability arising from the use or operation of any auto, including owned, hired, leased, rented and non-owned vehicles. The coverage must be at least as broad as the *Insurance Services Office Business Automobile Policy form CA 0001* ©, current edition.
 - c. **Workers' Compensation** meeting or exceeding the requirements imposed by statute or law in (i) the State, and (ii) all other states, if any, in which Services are performed, including as may be available on a voluntary basis. Statutory coverage must be provided in all state(s) in which any of the Services are being performed, including as may be available on a voluntary basis.
 - d. **Employer's Liability** insurance providing coverage for liability to employees for work-related bodily injury or disease, other than liability imposed by a workers' compensation law.
 - e. **Pollution Legal Liability** insurance applying to all locations at which the Service Provider stores, consolidates, sorts, processes, recycles, handles, treats, or otherwise manages any materials received pursuant to this Agreement. The Pollution Legal Liability insurance must cover: bodily injury, sickness, disease, death or mental anguish or shock sustained by any person; property damage including physical injury to or destruction of tangible property including the resulting loss of use thereof, on-site and off-site clean-up costs, natural resource damages, and the loss of use of tangible property that has not been physically injured or destroyed; defense including costs, charges and expenses incurred in the investigation, adjustment or defense of claims; and products and completed operations. The Pollution Legal Liability insurance must be maintained with at least minimum limits as outlined herein covering sudden and gradual pollution losses arising out of the operations and completed operations associated with work performed under this Agreement.
2. **Minimum Limits of Insurance.**
 - a. All insurance that the Service Provider and any Subcontractors are required to carry pursuant to this Agreement must meet the following minimum limits (or any higher limits that may be mandated by applicable law):

Type of Insurance	Minimum Limits Required <i>Per Claim/Occurrence</i>	Minimum Limits Required <i>Aggregate Policy Limits</i>
1. Commercial General Liability	\$ 1,000,000	\$ 2,000,000
a. Bodily Injury/Property Damage	\$ 1,000,000	\$ 2,000,000

d. Loss of Use Insurance	\$ 1,000,000	\$ 2,000,000
2. Commercial Automobile Liability	\$1,000,000 Combined Single Limit Each Accident	\$ N/A
3. Worker's Compensation	Statutory Limits	Statutory Limits
4. Employer's Liability (Bodily Injury by Accident)	\$ 1,000,000	\$ N/A

c. Each Employee	\$ 1,000,000	\$ N/A
5. Pollution Liability Insurance (Facility Coverage)	\$ 2,000,000	\$ 5,000,000

- b. Should any of the Service Provider's insurance be provided under a form of coverage that includes a general annual aggregate limit, such general annual aggregate limit must be at least double the each-occurrence or each-claim limits specified above that are applicable to the type of insurance covered by such general annual aggregate limit.
 - c. Should the Service Provider's Commercial General Liability policy provide that claims investigation or legal defense costs be included in any each-occurrence, each-claim, or general aggregate limit, each such limit must be at least double the corresponding limit specified in the table above.
 - d. Claims-made coverage is permitted, provided the policy retroactive date is continuously maintained prior to the commencement of the Services through the longer of the applicable repose and statute of limitations periods. The policy must not include a reverse retroactive date.
 - e. The Service Provider may utilize self-insurance to satisfy some or all of its insurance carriage obligations hereunder. To the extent that the Service Provider relies on its self-insurance to meet its obligations, the Service Provider warrants that it satisfies all of the insurance-related requirements of this Agreement by virtue of its self-insurance. The intent of this paragraph is to impose on the Service Provider all of the same requirements and obligations that would have been imposed on one or more insurance carriers had the Service Provider procured the required insurance instead of relying on self-insurance.
3. **Deductibles and Self-insured Retentions.** As between PaintCare and the Service Provider, the funding of deductibles and self-insured retentions under all insurance maintained by the Service Provider (or any Subcontractor) is the sole responsibility of the Service Provider, including any amounts applicable to deductibles or self-insured retentions applicable to claims involving PaintCare, as an additional insured. Any self-insured retentions in excess of \$100,000 must be declared to and approved by PaintCare in writing.
4. **Additional Insurance Requirements.**
- a. All insurance that the Service Provider (and any Subcontractor) is required to carry hereunder must contain the following additional provisions:
 - i. **Additional Insured** – PaintCare, its officers, agents, and employees must be listed as additional insureds on all Commercial General Liability, Automobile Liability, and Pollution Liability policies required herein as respects claims or liabilities arising from, or connected with the Services, including completed operations. The additional insured endorsements must be at least as broad as the current editions of the Insurance Services Offices forms CG 20 10 and CG 20 37. Upon reasonable request, the Service Provider shall provide PaintCare with proof of status as an additional insured under CG 20 10 during the Term of the Agreement, and under CG 20 37 for completed operations through the expiration of the longest applicable statute of limitations or period of repose.
 - ii. **Primary Coverage** – All insurance coverage required hereunder must be primary insurance, and any insurance or self-insurance maintained by PaintCare will be excess of and non-contributory with respect to such insurance.
 - iii. **Severability of Interest** - Except with respect to the limits of insurance, all insurance required hereunder will apply separately to each insured or additional insured.
 - iv. **Notice of Cancellation** – To the extent commercially reasonable, each insurance policy shall be endorsed to require insurer(s) to provide 30 days' advance written notice (except 10 days' advance notice for non-payment of premium)

to PaintCare prior to any suspension, cancellation or non-renewal of the required insurance. For any policy that is not endorsed to provide notice to PaintCare hereunder, the Service Provider shall notify PaintCare of any contemplated or actual modification, nonrenewal, or cancellation of coverage that causes the Service Provider (or any Subcontractor) to be out of compliance with its obligations hereunder.

- v. Waiver of Subrogation – The Service Provider hereby agrees to waive, and to procure from its insurers waivers of, subrogation against PaintCare and its officers, agents, and employees. The Service Provider further agrees to hold harmless, defend and indemnify PaintCare and its officers, agents, and employees for any loss or expense incurred as a result of the Service Provider's (or any Subcontractor's) failure to obtain such waivers of subrogation from its insurers.

5. **Acceptability of Insurers.** All insurance required under this Agreement must be placed with insurers with a current A.M. Best's rating of not less than A- VII, unless otherwise approved in writing by PaintCare.
6. **Verification of Coverage.**
 - a. Upon PaintCare's reasonable request, the Service Provider shall provide to PaintCare a certificate of insurance evidencing the coverage required of it under this Agreement. Likewise, upon PaintCare's reasonable request, the Service Provider shall procure and provide to PaintCare certificates of insurance from any Subcontractors evidencing the coverage required of them under this Agreement. Each certificate shall be signed by a person authorized by the insurer(s) to bind coverage on its/their behalf. The Service Provider shall provide renewal certificates to PaintCare prior to the expiration of any required insurance policy.
 - b. Upon reasonable request, the Service Provider shall provide PaintCare with copies of all policies of insurance and endorsements thereto for all required insurance under this Agreement (including that of any Subcontractors). Such copies may be excerpted or redacted to remove premium pricing or other confidential business information; provided, however, that any such excerpted/redacted copies must include sufficient information for PaintCare to verify the Service Provider's (and its Subcontractor(s)') full compliance with the requirements of this Agreement and to evaluate actual, prospective, or denied claims as additional insured under such policies.
 - c. Failure of PaintCare to request certificates or identify deficiencies will in no way limit or relieve the Service Provider of its obligations to maintain such insurance and require that its Subcontractors maintain such insurance. Failure of the Service Provider (or any of its Subcontractors) to maintain the required insurance constitutes a default under this Agreement and PaintCare may, at its option, terminate this Agreement for cause. PaintCare's acceptance of a non-conforming insurance certificate does not constitute a waiver, compromise or release of PaintCare's rights. If PaintCare is damaged by the failure of the Service Provider (or its Subcontractors) to purchase or maintain insurance required under this Agreement, the Service Provider shall bear all costs (including attorneys' fees, consultant fees and court and settlement expenses) attributable to such failure to purchase or maintain the required insurance.
7. **Subcontractor Insurance.** If the Service Provider uses a Subcontractor to provide any portion of the Services, the Service Provider may satisfy the foregoing requirements applicable to the subcontracted Services by ensuring that the Subcontractor providing those Services satisfies each and all of the insurance requirements herein in the same manner as required had the Service Provider maintained that insurance. To the extent the Subcontractor fails to do so, however, the Service Provider is responsible and shall defend, indemnify and hold harmless PaintCare and its officers, agents, and employees to the same extent had all insurance required hereunder been properly procured and maintained by the Service Provider or its Subcontractor, as applicable.

DROP-OFF SITE GUIDELINES

***** (attached separately) *****

Drop-Off Site Guidelines

This document contains detailed information on PaintCare's program guidelines and operations procedures. In combination with the state-specific guidelines, it is designed to be used by new staff for self-training and for site refresher training without PaintCare staff.

Note: The supplemental training slides included in the training binder summarize only the most important information from these Drop-Off Site Guidelines. The slides are used during training by PaintCare staff and can also be used to supplement refresher training.

Adherence to these guidelines is critical for drop-off sites participating in the program. Exceptions to these guidelines can be made only with PaintCare's express written permission. If your site is unable to comply with any of these guidelines, please contact your PaintCare representative so that we may try to find a solution that works for your site but still achieves compliance with applicable legal and operational requirements for the program.

Section 1. Training and Safety

Training

For the safety of the program and your staff, all employees handling PaintCare products must receive training in product identification, acceptance, handling, packaging, inspection, and emergency response procedures before collecting PaintCare products or engaging in any PaintCare program activities.

Training helps ensure that employees:

- Conduct PaintCare products collection activities in a safe manner that protects workers and the environment
- Are equipped for and understand hazards associated with PaintCare products

Training plans and records should be maintained for each employee. Record staff training using the log included in the training binder.

Safety

Store personal protective equipment (PPE) and spill response equipment in an accessible location adjacent to the collection bins. Ensure those materials are protected from impacts of weather.

The drop-off site must be equipped with appropriate emergency response equipment including a fire extinguisher, spill kit, and PPE. Monthly inspections of equipment are recommended.

PaintCare products collection activities need to follow general safety practices including proper lifting techniques.

Post emergency procedures and emergency contact numbers including police, fire department, and emergency services by a phone and in close proximity to the collection bins, if possible.

If applicable, develop and maintain an emergency action plan as required by OSHA.

If required by federal, state, or local law, familiarize police, fire departments, and emergency response teams with the layout of your facility, properties of PaintCare products handled at your facility, and evacuation routes.

Section 2. General Guidelines

PaintCare Provides Your Site:

- Training binder with recordkeeping logs/forms
- Signage identifying your site as a PaintCare drop-off site
- Printed educational materials for the public

PaintCare's Transporter Provides Your Site:

- Paint collection bins and liners for cardboard/single-use collection bins
- Labels and/or markings for paint collection bins
- Spill kits (excluding HHW programs)

General Guidelines for Drop-Off Sites

Each PaintCare drop-off site has unique logistical and operational considerations. Each drop-off site must make its own decisions and use its best judgment to operate in the safest manner possible in accordance with applicable law. To ensure the highest standards of safety for you and your staff, drop-off sites must:

- Have appropriate signage that informs the public of the hours of operation
- Accept PaintCare products from participants during your regular advertised or posted operating hours
- Display PaintCare signage to identify you as a drop-off site; signage should be posted in a highly visible area, at the entrance of your site
- Assist and supervise participants when they visit to drop off PaintCare products. Site staff should greet participants and must verify eligibility of their leftover paint products as PaintCare products
- **IMPORTANT:** Never allow a participant to open a PaintCare product container
- Have adequate space, staffing, and training to collect and store PaintCare products
- Provide a secure space for empty and full collection bins
- Place all PaintCare products immediately in collection bins approved for use by PaintCare and its transporters
- Pack only PaintCare products into collection bins
- Schedule shipments of PaintCare products from your drop-off site
- Maintain all records relating to the program
- Train staff to be familiar with the requirements and practices of this guide and applicable law

Section 3. Collection Bins and Storage Area

Storage Area and Collection Bin Placement

Establish a dedicated storage area for collection bins and PaintCare products.

Place collection bins on an impermeable surface (i.e., paved asphalt, concrete, or other surface) at all times.

Place collection bins away from ignition sources, storm drains, and floor drains.

Ensure there is adequate ventilation if bins are stored indoors.

If stored outdoors, protect collection bins from the elements (e.g., precipitation, temperature extremes, rain, and snow). Keep collection bins under cover to prevent exposure to precipitation to protect against temperature extremes. If you store collection bins outdoors, you may need approval from your local fire or hazardous materials oversight agency.

Comply with any local fire codes or other regulations that might pertain to your storage of collection bins at your site.

Maintain enough space around collection bins to inspect for leakage and emergency access.

Use good housekeeping standards; keep paint storage areas clean and orderly.

Setting Up, Packing and Maintaining Collection Bins

Collection bins must be set up, used, and closed according to the manufacturer's instructions. PaintCare's transporters should set up the collection bins that they provide, unless otherwise requested by the drop-off site staff.

Ensure liners are inserted in cardboard collection bins. The liners provide secondary containment to contain liquids in the event a can leaks while in storage or transit. Reusable plastic bins that are leak-proof by design do not need liners.

Collection bins must be structurally sound. If you see any evidence of damage to bins (or liners) that may cause a leak or spill, notify PaintCare immediately.

Mark the collection bin with the date the first PaintCare product is placed in it.

Place PaintCare products in bins immediately upon receipt. Keep collection bins closed except when adding PaintCare products.

Pack 5-gallon buckets on the bottom layer of the collection bins for stability.

Pack all PaintCare products (cans, buckets) upright and as tight as possible in the collection bins to protect contents from shifting and leaking in transit.

Do not open containers to verify product.

Do not overfill collection bins; allow enough space for a lid to fit securely.

Do not take PaintCare product out of the bin.

Security

Never allow "self-serve," public access to the collection bins.

The collection bin storage area must be secured and locked when not attended.

Only drop-off site staff should have access to the collection bins and storage area until the collection bins are ready for pick-up by PaintCare's transporter.

Section 4. Identifying and Accepting PaintCare Products

What are PaintCare Products

PaintCare drop-off sites should accept only PaintCare products (architectural paint products) for management under the PaintCare program. Only those PaintCare products accepted from individuals residing in the state and businesses/organizations located in the state can be managed under the PaintCare program.

Listed below are the primary examples of architectural paint products accepted by the PaintCare program and paint or paint-related products not accepted by the PaintCare program.

Generally, PaintCare products include latex and oil-based house paint, stains, and clear coatings (varnish, shellac, etc.). The program excludes anything that is:

- In an aerosol spray can
- Intended and labeled “for industrial use only”
- Mostly used in the manufacture of equipment
- On the list of specifically excluded products for some other reason

PaintCare products are classified as either latex (water-based) or oil-based (alkyd) and the classification is important in order to decide how the product should be handled and processed.

PaintCare Products and Non-PaintCare Products

Acceptable products (PaintCare products)

- Interior and exterior paints: latex, acrylic, water-based, alkyd, oil-based, enamel (including textured coatings)
- Deck coatings and floor paints (including elastomeric)
- Primers, sealers, undercoaters
- Stains
- Shellacs, lacquers, varnishes, urethanes (single component)
- Waterproofing concrete/masonry/wood sealers and repellents (not tar or bitumen-based)
- Metal coatings, rust preventatives
- Field and lawn paints

Unacceptable products (Non-PaintCare products)

- Paint thinner, mineral spirits, solvents
- Aerosol coatings
- Auto and marine paints
- Art and craft paints
- Caulking compounds, epoxies, glues, adhesives
- Paint additives, colorants, tints, resins
- Wood preservatives (containing pesticides)
- Roof patch and repair
- Asphalt, tar, and bitumen-based products
- 2-component coatings
- Deck cleaners
- Traffic and road marking paints
- Industrial Maintenance (IM) coatings
- Original Equipment Manufacturer (OEM) (shop application) paints and finishes

For more information, please see www.paintcare.org/products

If non-PaintCare products end up in a drop-off site's bin, such products will not be returned to the drop-off site and will be managed by PaintCare's transporter. Transporters identify non-PaintCare products and report all instances to PaintCare. PaintCare staff will notify the site of any contamination in the bins. If the problem persists, additional training may be provided.

Acceptable Containers vs. Unacceptable Containers

Before accepting products from participants for management under the PaintCare program, drop-off site staff must (1) check the condition of the container for acceptance in the program, and (2) check the product label to verify that it contains a PaintCare product.

Acceptable

- The PaintCare product must be in its original container
- The container is labeled as containing one of the designated PaintCare products listed above
- The container must be in good condition and not leaking
- The container must be 5 gallons in size or smaller
- The container contains dry latex paint

Not Acceptable

- The container is not original (e.g., paint was transferred into a jar)
- The container does not have an original label
- The container is leaking or has no lid
- The container is larger than 5 gallons
- The container is empty

However, drop-off sites permitted to accept household hazardous waste may accept unlabeled and leaking containers by following the procedures described below.

Unlabeled and Leaking Containers

A drop-off site permitted to accept household hazardous waste may, at its discretion, choose to accept unlabeled and/or leaking containers if it follows the protocols below and otherwise complies with all applicable laws:

Unlabeled Containers

A drop-off site may accept containers that do not have an original label if a staff person appropriately trained in identifying unknown wastes (1) identifies the material in the container as a PaintCare product, and (2) applies a label identifying the contents to the container before placing it in a collection bin.

Leaking Containers

A drop-off site may accept a leaking container or a container with no lid if an appropriately trained drop-off site staff person (1) verifies that the container contains a PaintCare product, (2) places the contents of the leaking/open container into an appropriate substitute container (which can include bulking such PaintCare products into 55-gallon drums), and (3) applies an appropriate label to the substitute container.

Refusing an Unacceptable Product or Container

Do not accept non-PaintCare products from any participant unless they are received as part of normal site operations and are not placed in PaintCare collection bins.

When refusing a material at a drop-off site, drop-off site staff must explain why the material cannot be accepted (for example, material is not a PaintCare product). If a participant tries to drop off products that your location cannot manage, refer the participant to an appropriate alternative resource, such as their local household hazardous waste disposal program, garbage transporter, environmental health agency, or public works department. Local contact information is provided at the front of the training binder.

Paint Volume Acceptance Rules

The program accepts PaintCare products from households and businesses/organizations.

Households. Households may drop off any volume of PaintCare product, subject to the volume limit set by the site.

Businesses/Organizations. In Illinois, non-households may also drop off any volume of latex and oil-based PaintCare products, subject to the volume limit set by the site.

Transporter/Recycler Drop-Off Sites

Maintaining Paint Drop-Off Logs for All Participants

Drop-off sites operated by a PaintCare-contracted transporter and/or recycler must keep and maintain separate drop-off logs to record both latex and oil-based paint volumes from both businesses/organizations and households. While PaintCare offers template logs, an alternative may be used if approved by PaintCare.

Section 5. Participant Paint Volume

How Much Paint to Accept from Participants

While the PaintCare program intends to collect as many PaintCare products as possible, we recognize that your drop-off site may have storage limitations. PaintCare drop-off sites, in agreement with PaintCare, may limit the amount of PaintCare products they accept per participant, however, drop-off sites must accept up to 5 gallons at a minimum per participant. However, drop-off sites must not accumulate 5,000 kilograms or more of universal waste (batteries, pesticides, mercury-containing equipment, lamps, aerosol cans, and paint and paint-related waste, calculated collectively) at any time unless otherwise authorized by law/permit.

What if Bins are Full?

If your collection bins are completely full, inform the participant that you are temporarily unable to accept PaintCare products and redirect them to the nearest alternative PaintCare drop-off site. Refer them to the site locator at www.paintcare.org or the PaintCare hotline at 855-724-6809, or ask them to come back at a later date. Contact the PaintCare transporter immediately to have collection bins picked up and replaced.

If a participant has a significant amount of PaintCare products that your location cannot manage, ask the participant to contact PaintCare directly for additional assistance. PaintCare may direct the participant to another drop-off site or offer our Large Volume Pickup service.

Large Volume Pickup (LVP) Service

PaintCare offers a free pick-up service to painting contractors, property managers, households, and others with a large quantity of leftover PaintCare products. Typically, a minimum of 100 gallons (by container size) is required to qualify for the LVP service.

To refer a participant to the LVP service:

- Provide the participant a LVP fact sheet
- Ask the participant to request a pick-up using the online LVP form
- The LVP fact sheet and online form are available at www.paintcare.org (select the "Request a Pickup" button on the homepage)
- For additional questions, refer the participant to PaintCare for assistance

Section 6. Working with Transporters

PaintCare contracts with transporters for the delivery of supplies, delivery of empty collection bins, and pick-up of full collection bins.

Scheduling the Transporter to Pick Up Collection Bins

When you anticipate your collection bins will be full within your site's pick-up timeframe (generally 5 business days in urban areas, 10 business days in rural areas), call your transporter to schedule a pickup, or use their online order system if they have one. The name and contact information of your transporter is provided at the front of the training binder.

When establishing an appointment for pick-up, please indicate:

- Your site is a PaintCare drop-off site
- Name of drop-off site and address
- Your name
- Your phone number
- Number of full collection bins to be picked up
- Number of empty collection bins needed for replacement

Preparing Collection Bins for Pickup

On the scheduled pickup day, collection bins and the loading area must be readily accessible to the transporter for quick and efficient loading. Complete the following steps:

- Identify which bins are full and ready for pickup
- Make sure the path between your bins and the transporter's vehicle is clear and at least 4 feet wide to accommodate movement of bins
- Sign and keep copies of any shipping documents for your records

The transporter is responsible for labeling, loading/off-loading collection bins, and preparing shipping documents.

Section 7. Spill Response

Spills

The information in this section will assist with spills from damaged or leaking program containers. It is important that all drop-off site staff understand corrective actions to minimize exposure to people and the environment.

Reporting

Report spills as required by law, summarized in the state-specific guidelines. Contact PaintCare within 24 hours of any spill or making such a report.

Spill Response Procedures

Always follow all applicable spill response procedures set forth in your operating permit or as otherwise required by applicable law.

If a spill is small enough to be managed by drop-off site staff, follow these steps:

- Isolate the area and restrict access to the spill
- Ensure personal safety, put on protective gear (glasses and gloves) provided in the spill kit
- Stop the movement of paint by placing the leaking container upright or in a position where the least amount will spill, and place leaking container in plastic bags provided in spill kit, or into the spill kit container
- Contain the spill by placing absorbent pads or granular absorbent around and on the spill – if outdoors, place barriers around storm drains to prevent a release to the environment
- Collect the contaminated absorbent and place it in plastic bag(s) or spill kit container, along with the leaking container and contaminated PPE, seal the bag(s), label it and place in the collection bin
- Remove any clothing that may be contaminated, wash thoroughly to remove spilled material from your hands or body
- Document the date, location, and amount and type of material spilled
- Replace any used spill control supplies as soon as possible

Section 8. Inspections and Records

Inspections and Record Keeping

Drop-off site staff are responsible for regularly inspecting collection bins and spill kits to ensure that such materials are in proper working order and include any necessary labeling. Please report any damaged bins or other problems to PaintCare immediately so PaintCare may arrange for prompt replacement or repair.

Maintain the following records for a minimum of 3 years:

- Internal and external inspection records (if applicable)
- Transporter/Recycler Paint Drop-Off Log or forms (copy provided in the training binder)
- Paint Waivers (copy provided in the training binder; only for sites that do reuse)
- Employee training logs (copy provided in the training binder)
- Shipping documents and/or other documentation required by applicable law for outgoing shipments of PaintCare products

Section 9. Direct Reuse

Direct reuse is an additional service permitted for certain site types, e.g., HHW programs, material reuse stores, and solid waste management facilities. PaintCare may compensate sites for this service. Please see the terms of your PaintCare agreement or contact PaintCare if you need assistance determining if direct reuse is an authorized additional service at your site.

Requirements for Direct Reuse

PaintCare encourages reuse of leftover paint through direct reuse. Reuse sites return good quality unused paint to the local community at low or no cost.

Products offered for reuse to the public must be in their original container, have an original label, and be in good physical and aesthetic condition. Contents must be liquid and relatively new. The container must be closed securely before placing it in the reuse storage area. Containers must never be opened by customers at the drop-off site. Reuse products must be displayed by drop-off site in an area separate from the PaintCare collection bins.

An individual customer may not take more than twenty-five (25) gallons of reuse product per day. If you have a customer that would like to take more paint, let your PaintCare contact know in advance.

Paint Waiver

Customers taking reuse paint from a drop-off site must sign the Paint Waiver included in the training binder (or an approved equivalent thereof). The waiver explains that the material is taken “as-is” with no guarantee of quality or contents and the customer accepts the risks and liability for the materials.

The customer must read the waiver, fill in the date and name fields, and sign their name. Site staff must verify what has been taken by the customer, record on the log the gallons of latex and gallons of oil-based products taken, and add their initials.

When a paint waiver is full or when a site wants to invoice PaintCare, the latex and oil-based columns should be totaled at the bottom of the form. PaintCare does not require the submission of the waiver to PaintCare, but they must be kept by the site for at least three years and made available for review by PaintCare staff upon request.

Drop-off sites may use their own version of the waiver, but it must be approved by PaintCare in advance.

Invoicing Procedures

Drop-off sites should invoice for reuse on a monthly basis by filling out and submitting the Invoice for Direct Reuse at paintcare.org/invoices. This is an online form and is submitted directly on PaintCare’s website. If you are unable to submit an online form, contact your PaintCare contact.

Illinois State Guidelines

SECTION 2: Reimbursement of Eligible Costs.

Should the Developer comply with all the obligations in Section 1 and elsewhere in this Agreement in all material respects, the City agrees to reimburse the Developer for certain Eligible Redevelopment Project Costs incurred during the performance of the Redevelopment Project.

2.1 Eligible Redevelopment Project Costs. “Eligible Redevelopment Project Costs” shall be the actual costs and expenses paid and incurred by the Developer in connection with the Redevelopment Project which are authorized to be reimbursed or paid from revenues collected pursuant to the Business District Act, as determined and verified by the City, in the City’s reasonable discretion. For the purposes of this Agreement, Eligible Redevelopment Project Costs may include, but are not limited to the work items and described and estimated in cost attached hereto as **Exhibit A**.

2.2 Cost Certification. Within thirty (30) days of substantial completion of the Redevelopment Project, or any components thereof, Developer shall submit to the City a completed “**Project Cost Certification Form**” attached as **Exhibit B**, including supporting invoices, receipts, and lien waivers to confirm, verify, and create record of all Eligible Redevelopment Project Costs incurred pursuant to the Redevelopment Project.

2.3 Review and Approval. All submitted costs may be subject to review and approval by the City. The City shall determine, in its sole reasonable discretion, which submitted costs qualify as Eligible Redevelopment Project Costs as allowable under the Business District Act.

SECTION 3: Project Cost Reimbursement Terms & Structure.

Subject to the terms of this Agreement, reimbursement payments of Eligible Redevelopment Project Costs from the City to the Developer shall be made available in the following forms and with the following terms and limitations:

3.1 Cost Reimbursement Structure. After substantial completion of each of the following indicated components of the Redevelopment Project, the City agrees to reimburse the Developer for certain portions of such Eligible Redevelopment Project Costs incurred by the Developer during completion of that component ("Incentive Payments"). Such Incentive Payments shall be at the indicated reimbursement rates and reimbursement limits:

#	Work Item/Category	Reimbursement Rate	Reimbursement Limit	Payable
1	Roof repair	100%	\$100,000	Upon Completion

3.2 Reimbursement Limit. The total reimbursement the City shall provide to the Developer for qualifying work items and activities performed under this Agreement shall not exceed a cumulative total amount of **\$100,000.00** (the "Reimbursement Limit"), regardless of the actual costs incurred or the allocation among different categories of improvements.

SECTION 4: Disbursement of Payment(s).

All payments made from the City to the Developer pursuant to this Agreement shall be subject to the following terms, limitations, and requirements.

4.1 Conditions Precedent. The provisions of Incentive Payments under this Agreement is conditioned upon:

- (a) Substantial completion of the eligible work item for which payment is being requested in compliance with all applicable laws, codes, ordinances, regulations, and approvals of the City.
- (b) Submission to the City, and approval by the City, of the Cost Certification Form and Request for Payment form, together with all necessary supporting documentation reasonably evidencing payment of Eligible Redevelopment Project Costs by the Developer.
- (c) Developer not being found in default under this Agreement.
- (d) Approval by the City for disbursement of any such payment.

4.2 Requests for Payment. Prior to disbursement of any payment, the Developer agrees to submit Requests for Payment of the Incentive Payment(s) in substantially the same form as set forth in **Exhibit C** ("Requests for Payment"). All Requests for Payment shall be accompanied by invoices, statements, vouchers or bills for the amount requested (including evidence of payment thereof as to any amounts for which payment or reimbursement is requested) and lien waivers for all services or materials furnished by subcontractors, except as to any retainage, related to amounts for which reimbursement is requested. It is the sole responsibility of the Developer to submit any all Requests for Payment at the time it believes all obligations of the Developer have been completed and payment may be eligible for disbursement in accordance with the terms of this Agreement.

4.3 Approval of Requests. The City shall approve or deny any Requests for Payment within 30 days of the submittal thereof. If the City denies any Request for Payment or any portion thereof, it shall state in writing the reasons therefore and provide the Developer a reasonable opportunity to clarify or correct any deficiency in the Request for Payment without penalty.

4.4 Release of Payment. Within thirty (30) days of the City's approval of any Request for Payment, the City shall release such payments to the extent monies are available in the Special Allocation Fund for the Business District. Disbursement of payment in accordance with this Agreement will be in the form of a one-time lump sum grant payment and will only be eligible for disbursement upon completion of all components and conditions of the Redevelopment Project as verified and approved by the City, in the City's sole discretion, and not before submission of a proper Request for Payment by the Developer, of which must be approved by an authorized representative of the City.

4.5 Payment Limited to Special Allocation Fund. Notwithstanding any other term or provision of this Agreement, the City's obligations for payments pursuant to this Agreement are limited to monies in the Special Allocation Fund for the Business District and from no other source. This Agreement does not compel the City's General Fund, or any other source of funds, to provide monies for any payment or obligation identified herein. The "Special Allocation Fund" shall be the fund or account set up by the City specifically to deposit monies collected pursuant to the Business District Act.

4.6 Administration Fees. The City shall be entitled to deduct from any payment(s) made to the Developer under this Agreement an administration fee in an amount equal to the City's actual costs incurred in connection with the creation, negotiation, implementation, and administration of this Agreement and all matters related to the Redevelopment Project. Such costs may include, but are not limited to, legal fees, consulting fees, staff time, publication costs, and other out-of-pocket expenses directly attributable to the Redevelopment Project. The City shall provide the Developer with reasonable documentation of such costs upon request.

SECTION 5: Default, Remedies, and Termination of Agreement.

The Developer agrees that if any of the following events occur after the date of execution of this Agreement (the "Effective Date") and for the following five (5) consecutive years thereafter, the Developer may be considered to be in default of the Agreement, all pending and future payments shall immediately be forfeit by the Developer, and the City will have the right to recover from the Developer certain portions of the total payments granted from the City to the Developer pursuant to this Agreement, as well as terminate the Agreement in its entirety.

5.1 Conditions of Default. The following conditions of default shall apply to the Developer:

- a) **Failure to Timely Perform the Redevelopment Project:** The Developer fails to commence, diligently pursue, or complete the Redevelopment Project or any material portion thereof within the timeframes set forth in this Agreement, including failure to achieve Substantial Completion in accordance with the approved schedule of performance, including any period of extension to these deadlines.
- b) **Failure to Open Business:** The Developer fails to open and actively operate a commercial business on the Property within 30 days of substantial completion of the Redevelopment Project, or any other date resulting from an approved extension to this deadline.
- c) **Failure of Continuous Operation:** The cessation of business operations for a period exceeding thirty (30) consecutive days during the first five (5) years following issuance of a certificate of occupancy or opening of the business; provided, however, that temporary closures due to casualty, force majeure, government orders, or other circumstances beyond the reasonable control of the Developer shall not constitute an Event of Default, so long as the Developer undertakes commercially reasonable efforts to resume operations within a reasonable time.
- d) **Misuse of Funds:** The Developer uses any funds disbursed pursuant to this Agreement for purposes not authorized by this Agreement or provides false or materially misleading documentation in support of a payment or reimbursement request.
- e) **Failure to Submit Required Documentation:** The Developer fails to submit the required cost certification, lien waivers, permits, or other documentation required as conditions precedent to disbursement of funds.
- f) **Failure to Maintain Insurance or Legal Compliance:** The Developer fails to maintain the required insurance coverage or violates any applicable federal, state, or local law, regulation, or ordinance in connection with the Redevelopment Project.
- g) **Abandonment or Unauthorized Transfer:** The Developer abandons the Redevelopment Project or transfers the Property or the Developer's interest in this Agreement without the prior written consent of the City.
- h) **Insolvency or Bankruptcy:** The Developer becomes insolvent, makes an assignment for the benefit of creditors, or files or has filed against it a petition in bankruptcy that is not dismissed within sixty (60) days.
- i) **Change in Property Tax Status:** The Property, or any portion thereof, becomes exempt from ad valorem property taxation for any reason not previously approved in writing by the City.
- j) **Failure to Pay Property Taxes:** The Developer fails to pay any real estate taxes or assessments levied against the Property when due.
- k) **Failure to Cure After Notice:** The Developer fails to cure any non-monetary default under this Agreement within thirty (30) days after receiving written notice from the City specifying the nature of the default (or such longer period as may be reasonably

necessary if the default cannot be cured within thirty (30) days, provided that the Developer commences and diligently pursues such cure).

5.2 Remedies. In the event the Developer is determined by the City to be in default under this Agreement, and such default occurs or is discovered within five (5) years of the Effective Date, the City shall be entitled to the following remedies, in addition to any other rights or remedies available at law or in equity:

6.7 Force Majeure. Neither the City nor Developer nor any successor in interest shall be considered in breach or default of their respective obligations under this Agreement, and times for performance of obligations hereunder shall be extended in the event of any delay caused by Force Majeure, including, without limitation, damage or destruction by fire or casualty; strike; lockout; civil disorder; war; restrictive government regulations; lack of issuance of any permits and/or legal authorization by the governmental entity necessary for Developer to proceed with construction of the Redevelopment Project or any portion thereof, including rezoning; shortage or delay in shipment of material or fuel; acts of God; pandemic or epidemic; or other causes beyond the parties' reasonable control, including but not limited to, any litigation, court order or judgment resulting from any litigation affecting the validity of this Agreement (each an event of "Force Majeure"), provided that such event of Force Majeure shall not be deemed to exist as to any matter initiated or unreasonably sustained by Developer or the City in bad faith, shall not act to delay any payment obligation under this Agreement, and further provided that the party seeking an extension notifies the other party.

An extension to these deadlines may be granted with written approval from the City, of which will not be unreasonably withheld given adequate evidence of need.

1.6 Substantial Completion of the Project. The Developer agrees that in order for the Redevelopment Project to be considered substantially complete, the building(s) and Property must be prepared for performance of the proposed services, open for operation, and be in compliance with all relevant building codes, ordinances, or other regulations.

SECTION 2: Reimbursement of Eligible Costs.

Should the Developer comply with all the obligations in Section 1 and elsewhere in this Agreement in all material respects, the City agrees to reimburse the Developer for certain TIF Eligible Redevelopment Project Costs incurred during the performance of the Redevelopment Project.

2.1 TIF Eligible Redevelopment Project Costs. "TIF Eligible Redevelopment Project Costs" shall be the costs actually paid and incurred by the Developer in connection with the Redevelopment Project which are authorized to be reimbursed or paid from revenues collected pursuant to the TIF Act as provided in Section 5/11-74.4-3(q) of the TIF Act, as determined and verified by the City, in the City's reasonable discretion. For the purposes of this Agreement, TIF Eligible Redevelopment Project Costs may include, but are not limited to the work items and described and estimated in cost attached hereto as **Exhibit A**.

2.2 Cost Certification. Within thirty (30) days of substantial completion of the Redevelopment Project, Developer shall submit to the City a completed "**Project Cost Certification Form**" attached as **Exhibit B**, including supporting invoices, receipts, and lien waivers to confirm, verify, and create record of all TIF Eligible Redevelopment Project Costs incurred pursuant to the Redevelopment Project.

2.3 Review and Approval. All submitted costs may be subject to review and approval by the City. The City shall determine, in its sole reasonable discretion, which submitted costs qualify as TIF Eligible Redevelopment Project Costs as allowable under the TIF Act.

SECTION 3: Project Cost Reimbursement Terms & Structure.

Subject to the terms of this Agreement, reimbursement payments of TIF Eligible Redevelopment Project Costs from the City to the Developer shall be made available in the following forms and with the following terms and limitations:

3.1 Cost Reimbursement Structure. After substantial completion of the following indicated portions of the Redevelopment Project, the City agrees to reimburse the Developer for certain TIF Eligible Redevelopment Project Costs incurred during the completion of the Redevelopment Project ("Incentive Payments"). Such Incentive Payments shall be at the indicated reimbursement rates and reimbursement limits:

#	Work Item	Reimbursement Rate	Reimbursement Limit

3.2 Reimbursement Limit. The total reimbursement the City shall provide to the Developer for qualifying work items and activities performed under this Agreement shall not exceed a cumulative total amount of **\$16,413.75** (the "Reimbursement Limit"), regardless of the actual costs incurred or the allocation among different categories of improvements.

SECTION 4: Disbursement of Payment(s).

All payments made from the City to the Developer pursuant to this Agreement shall be subject to the following terms, limitations, and requirements.

4.1 Conditions Precedent. The City's obligation to make any reimbursement or incentive payment under this Agreement shall be expressly conditioned upon satisfaction of the following requirements, each of which shall be continuing obligations throughout the term of this Agreement:

- (a) **Completion of the Approve Project Components.** The approved project components shall have been substantially completed in accordance with this Agreement, applicable laws, codes, and all City approvals.
- (b) **Approval of Cost Certification.** The Developer shall have submitted to the City a completed Cost Certification Form, together with supporting documentation, and such certification shall have been reviewed and approved by the City.
- (c) **Occupation and Commencement of Operations.** Occupation of the property and commencement of the provision of any contemplated services.
- (e) **No Default.** The Developer shall not be in default under this Agreement, and no event shall have occurred which, with notice or the passage of time, would constitute a default.
- (f) **No Liens or Encumbrances.** The Property shall be free of all liens, claims, or encumbrances other than mortgage(s) of record or other liens approved by the City in writing.

4.2 Requests for Payment. Prior to disbursement of any payment, the Developer agrees to

submit Requests for Payment of the Incentive Payment(s) in substantially the same form as set forth in **Exhibit C** ("Requests for Payment"). All Requests for Payment shall be accompanied by invoices, statements, vouchers or bills for the amount requested (including evidence of payment thereof as to any amounts for which payment or reimbursement is requested) and lien waivers for all services or materials furnished by subcontractors, except as to any retainage, related to amounts for which reimbursement is requested. It is the sole responsibility of the Developer to submit any all Requests for Payment at the time it believes all obligations of the Developer have been completed and payment may be eligible for disbursement in accordance with the terms of this Agreement.

4.2 Approval of Requests. The City shall approve or deny any Requests for Payment within 30 days of the submittal thereof. If the City denies any Request for Payment or any portion thereof, it shall state in writing the reasons therefore and provide the Developer a reasonable opportunity to clarify or correct any deficiency in the Request for Payment without penalty.

4.2 Release of Payment. Within thirty (30) days of the City's approval of any Request for Payment, the City shall release such payments to the extent monies are available in the Special Allocation Fund for the TIF District. Disbursement of payment in accordance with this Agreement will be in the form of a one-time lump sum grant payment and will only be eligible for disbursement upon completion of all components and conditions of the Redevelopment Project as verified and approved by the City, in the City's sole discretion, and not before submission of a proper Request for Payment by the Developer, of which must be approved by an authorized representative of the City.

4.3 Payment Limited to Special Allocation Fund. Notwithstanding any other term or provision of this Agreement, the City's obligations for payments pursuant to this Agreement are limited to monies in the Special Allocation Fund for the TIF District and from no other source. This Agreement does not compel the City's General Fund, or any other source of funds, to provide monies for any payment or obligation identified herein. The "Special Allocation Fund" shall be the fund or account set up by the City specifically to deposit monies collected pursuant to the TIF Act for the TIF District.

4.4 Administration Fees. The Developer agrees that all payment(s) received from the City may be subject to the deduction of an "Administration Fee" for the creation and administration of this Redevelopment Agreement and all matters related to the context of this Agreement. Administration Fees will be calculated as an amount equal to **10%** of any payment made to the Developer from the City pursuant to this agreement, **not to exceed a total of \$500.00**. The City may waive this fee at it's own discretion.

SECTION 5: Default, Remedies, and Termination of Agreement.

The Developer agrees that if any of the following events occur after the date of execution of this Agreement (the "Effective Date") and for the following five (5) consecutive years thereafter, the Developer may be considered to be in default of the Agreement, all pending and future payments shall immediately be forfeit by the Developer, and the City will have the right to recover from the Developer certain portions of the total payments granted from the City to the Developer pursuant to this Agreement, as well as terminate the Agreement in its entirety.

5.1 Conditions of Default. The occurrence of any one or more of the following shall constitute a default by the Developer under this Agreement ("Event of Default"):

- a) Failure to Timely Perform the Redevelopment Project: The Developer fails to commence, diligently pursue, or complete the Redevelopment Project or any material portion thereof within the timeframes set forth in this Agreement, including failure to achieve Substantial Completion in accordance with the approved schedule of performance.

- d) Failure to Submit Required Documentation: The Developer fails to submit the required cost certification, lien waivers, permits, or other documentation required as conditions precedent to disbursement of funds.
- e) Failure to Maintain Insurance of Legal Compliance: The Developer fails to maintain the required insurance coverage or violates any applicable federal, state, or local law, regulation, or ordinance in connection with the Redevelopment Project.
- f) Abandonment or Unauthorized Transfer: The Developer abandons the Redevelopment Project or transfers the Property or the Developer's interest in this Agreement without the prior written consent of the City.

- j) Failure to Cure After Notice: The Developer fails to cure any non-monetary default under this Agreement within thirty (30) days after receiving written notice from the City specifying the nature of the default (or such longer period as may be reasonably necessary if the default cannot be cured within thirty (30) days, provided that the Developer commences and diligently pursues such cure).

5.2 Continuing Obligations. The Developer's obligations to (i) maintain the Property, (ii) pay all real estate taxes and assessments when due, (iii) comply with applicable laws, codes, and regulations, and (iv) maintain insurance coverage as required herein, shall be continuing covenants and conditions for the entire duration of this Agreement and any incentive payment period. Failure to maintain any such continuing obligation shall constitute an Event of Default.

5.3 Remedies. Upon the occurrence of an Event of Default, and after providing written notice and an opportunity to cure in accordance with this Agreement, the City shall have the right to exercise any one or more of the following remedies, in addition to those available at law or in equity:

(a) Suspension of Payments.

The City may suspend any pending or future incentive payments otherwise due to the Developer until such time as the default is cured to the City's satisfaction.

(b) Termination of Agreement.

The City may terminate this Agreement by written notice to the Developer, whereupon all obligations of the City for any unpaid incentive payments shall immediately cease.

(c) Repayment of Disbursed Funds.

In the event the Developer's default occurs after receipt of one or more incentive payments, the City may require repayment of any or all amounts previously disbursed, together with interest thereon at the statutory judgment rate from the date of disbursement until repaid, if the City determines that such repayment is necessary to protect the integrity of public funds.

(d) Specific Performance or Injunctive Relief.

The City shall have the right to seek specific performance, injunctive relief, or any other equitable remedy to enforce compliance with the terms of this Agreement.

(e) Legal and Administrative Remedies.

The City may pursue any other remedies available under applicable law, including recovery of damages, costs of enforcement, and reasonable attorneys' fees incurred in connection with enforcing the terms of this Agreement.

5.4 Notice and Cure Procedure. In the event of any alleged default by the Developer, the City shall provide written notice to the Developer specifying in reasonable detail the nature of the default and the actions required to cure such default. The Developer shall have a period of thirty (30) days from receipt of such notice to cure the default, or, if the default is of a nature that cannot reasonably be cured within thirty (30) days, such additional period of time as may be reasonably necessary to complete the cure, provided that the Developer commences the cure within the initial thirty (30)-day period and diligently and continuously pursues the same to completion.

If the Developer fails to cure or commence curing the default within the applicable period, the City may immediately exercise any of the remedies set forth in Section 5.3 or otherwise available at law or in equity. The City shall have no obligation to provide additional notice or opportunity to cure prior to exercising its remedies in the event of a repeated or continuing default of the same nature previously noticed.

Notice shall be deemed given when delivered personally, deposited in the U.S. Mail by certified or registered mail (return receipt requested), or sent by recognized overnight courier service to the parties at their last known business addresses, or to such other address as may be designated by a party in writing.

5.5 Enforcement of Provisions. In the event of any default under this Agreement that results in either party taking action to enforce any provision hereof, the defaulting party shall be responsible for and shall reimburse the non-defaulting party upon demand for all reasonable costs and expenses incurred in connection with such enforcement, including reasonable attorneys' fees, expert fees, and court costs. This obligation shall survive the termination of this Agreement.

SECTION 6: MISCELLANEOUS PROVISIONS

6.1 No Individual Liability of the City. All covenants, stipulations, promises, agreements and obligations of the City contained herein shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the City and not of any of its Corporate Authorities, officials, agents, employees or independent contractors in their individual capacities. No member of the Corporate Authorities, officials, agents, employees or independent contractors of the City shall be personally liable to the Developer (i) in the event of a Default or Breach by any party under this Agreement, or (ii) for the payment of any

portion of the Reimbursement Amount which may become due and payable under the terms of this Agreement.

6.2 City Not Liable for Developer Obligations. Notwithstanding anything herein to the contrary, the City shall not be liable to the Developer for damages of any kind or nature whatsoever arising in any way from this Agreement, from any other obligation or agreement made in connection therewith or from any default or breach under this Agreement; provided that nothing in this Agreement shall limit otherwise permissible claims by the Developer against the TIF District or Special Allocation Fund, or actions by the Developer seeking specific performance of this Agreement or other relevant contracts in the event of a breach of this Agreement by the City.

6.3 Hold Harmless of the City. The Developer agrees to indemnify, defend and hold harmless the City, its Corporate Authorities, officials, agents, employees and independent contractors, from and against any and all suits, claims and cost of attorneys' fees, resulting from, arising out of, or in any way connected with **(i)** any of the Developer's obligations under or in connection with this Agreement, **(ii)** the performance of the Redevelopment Project, **(iii)** the Developer's compliance with fair labor practices including the Prevailing Wage Act if, as and when applicable to the Project, and **(iv)** the negligence or willful misconduct of the Developer, its officials, agents, employees or independent contractors in connection with the management, development, redevelopment, construction or installation of the Project, except as such may be caused by the intentional conduct, gross negligence, negligence or breach of this Agreement by the City, its Corporate Authorities, officials, agents, employees or independent contractors.

6.4 Provision Enforceability. If any term or provision of this Agreement is held invalid or unenforceable by a court of competent jurisdiction, such invalidity shall not affect the remaining provisions, which shall remain in full force and effect to the maximum extent permitted by law.

6.5 Assignment. Developer shall have the right to assign this Agreement to a third party such as a future buyer, lender, or other financing party, provided that the original-named Developer shall not be released from liability hereunder upon such assignment. The Developer agrees that it shall not otherwise sell, assign or otherwise transfer any of its rights and obligations under this Agreement without the prior written consent of the City, which shall not be unreasonably withheld. Any unpermitted assignment in whole or in part shall be void and shall, at the option of the City, terminate this Agreement. No such sale, assignment or transfer, including any with the City's prior written consent, shall be effective or binding on the City, however, unless and until the Developer delivers to the City a duly authorized, executed and delivered instrument which contains any such sale, assignment or

transfer and the assumption of all the applicable covenants, agreements, terms and provisions of this Agreement by the applicable parties thereto.

6.6 No Joint Venture, Agency, or Partnership Created. Nothing in this Agreement nor any actions of either of the City or the Developer shall be construed by either of the City, the Developer or any third party to create the relationship of a partnership, agency, or joint venture between or among the City and any party being the Developer.

6.7 Force Majeure. Neither the City nor Developer nor any successor in interest shall be considered in breach or default of their respective obligations under this Agreement, and times for performance of obligations hereunder shall be extended in the event of any delay caused by Force Majeure, including, without limitation, damage or destruction by fire or casualty; strike; lockout; civil disorder; war; restrictive government regulations; lack of issuance of any permits and/or legal authorization by the governmental entity necessary for Developer to proceed with construction of the Redevelopment Project or any portion thereof, including rezoning; shortage or delay in shipment of material or fuel; acts of God; pandemic or epidemic; or other causes beyond the parties' reasonable control, including but not limited to, any litigation, court order or judgment resulting from any litigation affecting the validity of this Agreement (each an event of "Force Majeure"), provided that such event of Force Majeure shall not be deemed to exist as to any matter initiated or unreasonably sustained by Developer or the City in bad faith, shall not act to delay any payment obligation under this Agreement, and further provided that the party seeking an extension notifies the other party.

6.8 Entire Agreement and Amendments. The parties hereto stipulate that each has obtained advice and consultation of legal counsel of its own choosing and have not relied upon the legal representation or opinions of the other party. All agreements between the parties are expressly set forth herein, and no statements or expressions of the separate parties previously made and not set forth in writing in this document shall be binding upon said party. The parties agree that this Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof, and that no other such agreements or representations other than those contained in this Agreement have been made by the parties.
