3.2 Reimbursement Limit. The total reimbursement the City shall provide to the Developer for qualifying work items and activities performed under this Agreement shall not exceed a cumulative total amount of **\$51,000.00** (the "Reimbursement Limit"), regardless of the actual costs incurred or the allocation among different categories of improvements.

SECTION 4: Disbursement of Payment(s).

All payments made from the City to the Developer pursuant to this Agreement shall be subject to the following terms, limitations, and requirements.

4.1 Conditions Precedent. The City's obligation to make any reimbursement or incentive payment under this Agreement shall be expressly conditioned upon satisfaction of the following requirements, each of which shall be continuing obligations throughout the term of this Agreement:

(a) **Completion of the Approved Project Components.** The approved project components shall have been substantially completed in accordance with this Agreement, applicable laws, codes, and all City approvals.

(b) **Approval of Cost Certification.** The Developer shall have submitted to the City a completed Cost Certification Form, together with supporting documentation, and such certification shall have been reviewed and approved by the City.

(c) **Occupation and Commencement of Operations.** Occupation of the property and commencement of the provision of any contemplated services.

(e) **No Default.** The Developer shall not be in default under this Agreement, and no event shall have occurred which, with notice or the passage of time, would constitute a default.

(f) **No Liens or Encumbrances.** The Property shall be free of all liens, claims, or encumbrances other than mortgage(s) of record or other liens approved by the City in writing.

4.2 Requests for Payment. Prior to disbursement of any payment, the Developer agrees to submit Requests for Payment of the Incentive Payment(s) in substantially the same form as set forth in **Exhibit C** ("Requests for Payment"). All Requests for Payment shall be accompanied by invoices, statements, vouchers or bills for the amount requested (including

evidence of payment thereof as to any amounts for which payment or reimbursement is requested) and lien waivers for all services or materials furnished by subcontractors, except as to any retainage, related to amounts for which reimbursement is requested. It is the sole responsibility of the Developer to submit any all Requests for Payment at the time it believes all obligations of the Developer have been completed and payment may be eligible for disbursement in accordance with the terms of this Agreement.

4.2 Approval of Requests. The City shall approve or deny any Requests for Payment within 30 days of the submittal thereof. If the City denies any Request for Payment or any portion thereof, it shall state in writing the reasons therefore and provide the Developer a reasonable opportunity to clarify or correct any deficiency in the Request for Payment without penalty.

4.2 Release of Payment. Within thirty (30) days of the City's approval of any Request for Payment, the City shall release such payments to the extent monies are available in the Special Allocation Fund for the TIF District. Disbursement of payment in accordance with this Agreement will be in the form of a one-time lump sum grant payment and will only be eligible for disbursement upon completion of all components and conditions of the Redevelopment Project as verified and approved by the City, in the City's sole discretion, and not before submission of a proper Request for Payment by the Developer, of which must be approved by an authorized representative of the City.

4.3 Payment Limited to Special Allocation Fund. Notwithstanding any other term or provision of this Agreement, the City's obligations for payments pursuant to this Agreement are limited to monies in the Special Allocation Fund for the TIF District and from no other source. This Agreement does not compel the City's General Fund, or any other source of funds, to provide monies for any payment or obligation identified herein. The "Special Allocation Fund" shall be the fund or account set up by the City specifically to deposit monies collected pursuant to the TIF Act for the TIF District.

4.4 Administration Fees. The Developer agrees that all payment(s) received from the City may be subject to the deduction of an "Administration Fee" for the creation and administration of this Redevelopment Agreement and all matters related to the context of this Agreement. Administration Fees will be calculated as an amount equal to 10% of any payment made to the Developer from the City pursuant to this agreement, not to exceed a total of \$500.00. The City may waive this fee at its own discretion.

SECTION 5: Default, Remedies, and Termination of Agreement.

The Developer agrees that if any of the following events occur after the date of execution of this Agreement (the "Effective Date") and for the following five (5) consecutive years thereafter, the Developer may be considered to be in default of the Agreement, all pending

and future payments shall immediately be forfeit by the Developer, and the City will have the right to recover from the Developer certain portions of the total payments granted from the City to the Developer pursuant to this Agreement, as well as terminate the Agreement in its entirety.

5.1 Conditions of Default. The occurrence of any one or more of the following shall constitute a default by the Developer under this Agreement ("Event of Default"):

- a) Failure to Timely Perform the Redevelopment Project: The Developer fails to commence, diligently pursue, or complete the Redevelopment Project or any material portion thereof within the timeframes set forth in this Agreement, including failure to achieve Substantial Completion in accordance with the approved schedule of performance.

- c) Misuse of Funds: The Developer uses any funds disbursed pursuant to this Agreement for purposes not authorized by this Agreement or provides false or materially misleading documentation in support of a payment or reimbursement request.
- d) Failure to Submit Required Documentation: The Developer fails to submit the required cost certification, lien waivers, permits, or other documentation required as conditions precedent to disbursement of funds.
- e) Failure to Maintain Insurance or Legal Compliance: The Developer fails to maintain the required insurance coverage or violates any applicable federal, state, or local law, regulation, or ordinance in connection with the Redevelopment Project.
- f) Abandonment or Unauthorized Transfer: The Developer abandons the Redevelopment Project or transfers the Property or the Developer's interest in this Agreement without the prior written consent of the City.

- i) Failure to Pay Property Taxes: The Developer fails to pay any real estate taxes or assessments levied against the Property when due, and such failure is not cured

within thirty (30) days after written notice from the City or other authorized entity.

j) **Failure to Cure After Notice:** The Developer fails to cure any non-monetary default under this Agreement within thirty (30) days after receiving written notice from the City specifying the nature of the default (or such longer period as may be reasonably necessary if the default cannot be cured within thirty (30) days, provided that the Developer commences and diligently pursues such cure).

5.2 Continuing Obligations. The Developer's obligations to (i) maintain the Property, (ii) pay all real estate taxes and assessments when due, (iii) comply with applicable laws, codes, and regulations, and (iv) maintain insurance coverage as required herein, shall be continuing covenants and conditions for the entire duration of this Agreement and any incentive payment period. Failure to maintain any such continuing obligation shall constitute an Event of Default.

5.3 Remedies. Upon the occurrence of an Event of Default, and after providing written notice and an opportunity to cure in accordance with this Agreement, the City shall have the right to exercise any one or more of the following remedies, in addition to those available at law or in equity:

(a) Suspension of Payments.

The City may suspend any pending or future incentive payments otherwise due to the Developer until such time as the default is cured to the City's satisfaction.

(b) Termination of Agreement.

The City may terminate this Agreement by written notice to the Developer, whereupon all obligations of the City for any unpaid incentive payments shall immediately cease.

(c) Repayment of Disbursed Funds.

In the event the Developer's default occurs after receipt of one or more incentive payments, the City may require repayment of any or all amounts previously disbursed, together with interest thereon at the statutory judgment rate from the date of disbursement until repaid, if the City determines that such repayment is necessary to protect the integrity of public funds.

(d) Specific Performance or Injunctive Relief.

The City shall have the right to seek specific performance, injunctive relief, or any other equitable remedy to enforce compliance with the terms of this Agreement.

(e) Legal and Administrative Remedies.

The City may pursue any other remedies available under applicable law, including recovery of damages, costs of enforcement, and reasonable attorneys' fees incurred in connection with enforcing the terms of this Agreement.

5.4 Notice and Cure Procedure. In the event of any alleged default by the Developer, the City shall provide written notice to the Developer specifying in reasonable detail the nature of the default and the actions required to cure such default. The Developer shall have a period of thirty (30) days from receipt of such notice to cure the default, or, if the default is of a nature that cannot reasonably be cured within thirty (30) days, such additional period of time as may be reasonably necessary to complete the cure, provided that the Developer commences the cure within the initial thirty (30)-day period and diligently and continuously pursues the same to completion.

If the Developer fails to cure or commence curing the default within the applicable period, the City may immediately exercise any of the remedies set forth in Section 5.3 or otherwise available at law or in equity. The City shall have no obligation to provide additional notice or opportunity to cure prior to exercising its remedies in the event of a repeated or continuing default of the same nature previously noticed.

Notice shall be deemed given when delivered personally, deposited in the U.S. Mail by certified or registered mail (return receipt requested), or sent by recognized overnight courier service to the parties at their last known business addresses, or to such other address as may be designated by a party in writing.

5.5 Enforcement of Provisions. In the event of any default under this Agreement that results in either party taking action to enforce any provision hereof, the defaulting party shall be responsible for and shall reimburse the non-defaulting party upon demand for all reasonable costs and expenses incurred in connection with such enforcement, including reasonable attorneys' fees, expert fees, and court costs. This obligation shall survive the termination of this Agreement.

SECTION 6: MISCELLANEOUS PROVISIONS

6.1 No Individual Liability of the City. All covenants, stipulations, promises, agreements and obligations of the City contained herein shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the City and not of any of its Corporate Authorities, officials, agents, employees or independent contractors in their individual capacities. No member of the Corporate Authorities, officials, agents, employees or independent contractors of the City shall be personally liable to the Developer (i) in the event of a Default or Breach by any party under this Agreement, or (ii) for the payment of any portion of the Reimbursement Amount which may become due and payable under the terms of this Agreement.

6.2 City Not Liable for Developer Obligations. Notwithstanding anything herein to the contrary, the City shall not be liable to the Developer for damages of any kind or nature

whatsoever arising in any way from this Agreement, from any other obligation or agreement made in connection therewith or from any default or breach under this Agreement; provided that nothing in this Agreement shall limit otherwise permissible claims by the Developer against the TIF District or Special Allocation Fund, or actions by the Developer seeking specific performance of this Agreement or other relevant contracts in the event of a breach of this Agreement by the City.

6.3 Hold Harmless of the City. The Developer agrees to indemnify, defend and hold harmless the City, its Corporate Authorities, officials, agents, employees and independent contractors, from and against any and all suits, claims and cost of attorneys' fees, resulting from, arising out of, or in any way connected with (i) any of the Developer's obligations under or in connection with this Agreement, (ii) the performance of the Redevelopment Project, (iii) the Developer's compliance with fair labor practices including the Prevailing Wage Act if, as and when applicable to the Project, and (iv) the negligence or willful misconduct of the Developer, its officials, agents, employees or independent contractors in connection with the management, development, redevelopment, construction or installation of the Project, except as such may be caused by the intentional conduct, gross negligence, negligence or breach of this Agreement by the City, its Corporate Authorities, officials, agents, employees or independent contractors.

6.4 Provision Enforceability. If any term or provision of this Agreement is held invalid or unenforceable by a court of competent jurisdiction, such invalidity shall not affect the remaining provisions, which shall remain in full force and effect to the maximum extent permitted by law.

6.5 Assignment. Developer shall have the right to assign this Agreement to a third party such as a future buyer, lender, or other financing party, provided that the original-named Developer shall not be released from liability hereunder upon such assignment. The Developer agrees that it shall not otherwise sell, assign or otherwise transfer any of its rights and obligations under this Agreement without the prior written consent of the City, which shall not be unreasonably withheld. Any unpermitted assignment in whole or in part shall be void and shall, at the option of the City, terminate this Agreement. No such sale, assignment or transfer, including any with the City's prior written consent, shall be effective or binding on the City, however, unless and until the Developer delivers to the City a duly authorized, executed and delivered instrument which contains any such sale, assignment or transfer and the assumption of all the applicable covenants, agreements, terms and provisions of this Agreement by the applicable parties thereto.

6.6 No Joint Venture, Agency, or Partnership Created. Nothing in this Agreement nor any actions of either of the City or the Developer shall be construed by either of the City, the

Developer or any third party to create the relationship of a partnership, agency, or joint venture between or among the City and any party being the Developer.

6.7 Force Majeure. Neither the City nor Developer nor any successor in interest shall be considered in breach or default of their respective obligations under this Agreement, and times for performance of obligations hereunder shall be extended in the event of any delay caused by Force Majeure, including, without limitation, damage or destruction by fire or casualty; strike; lockout; civil disorder; war; restrictive government regulations; lack of issuance of any permits and/or legal authorization by the governmental entity necessary for Developer to proceed with construction of the Redevelopment Project or any portion thereof, including rezoning; shortage or delay in shipment of material or fuel; acts of God; pandemic or epidemic; or other causes beyond the parties' reasonable control, including but not limited to, any litigation, court order or judgment resulting from any litigation affecting the validity of this Agreement (each an event of "Force Majeure"), provided that such event of Force Majeure shall not be deemed to exist as to any matter initiated or unreasonably sustained by Developer or the City in bad faith, shall not act to delay any payment obligation under this Agreement, and further provided that the party seeking an extension notifies the other party.

6.8 Entire Agreement and Amendments. The parties hereto stipulate that each has obtained advice and consultation of legal counsel of its own choosing and have not relied upon the legal representation or opinions of the other party. All agreements between the parties are expressly set forth herein, and no statements or expressions of the separate parties previously made and not set forth in writing in this document shall be binding upon said party. The parties agree that this Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof, and that no other such agreements or representations other than those contained in this Agreement have been made by the parties. WHEREAS, pursuant to Section 1-2-1 of the Illinois Municipal Code, 65 ILCS 5/1-2-1, the City "may pass all ordinances and make all rules and regulations proper or necessary, to carry into effect the powers granted to municipalities, with such fines or penalties as may be deemed proper"; and

WHEREAS, the Illinois Municipal Code, 65 ILCS 5/11-20-7, authorizes municipalities to provide for the removal of nuisance greenery, including weeds and grass, from private property within their corporate limits when property owners, after reasonable notice, refuse or neglect to remove such nuisances; and

WHEREAS, the Illinois Municipal Code, 65 ILCS 5/11-20-15, further provides that the costs incurred by a municipality for such removal may be collected as a lien upon the property, ensuring that municipalities are reimbursed for their expenses; and

WHEREAS, the City of Hillsboro, the City of Nokomis, the City of Witt, and the City of Coffeen (collectively, the "Participating Municipalities") have each adopted ordinances regulating the height of weeds and grass and declaring excessive growth to be a public nuisance, which adversely affects the health, safety, and welfare of their residents; and

WHEREAS, the Participating Municipalities recognize that the enforcement of these ordinances requires the availability of reliable and cost-effective nuisance abatement services, including the removal of weeds and the mowing of overgrown grass; and

WHEREAS, the Participating Municipalities have determined that a joint effort to solicit bids for nuisance weed and grass abatement services will promote efficiency, reduce administrative costs, and ensure the selection of qualified contractors capable of meeting the respective needs of the Participating Municipalities; and

WHEREAS, the Illinois Intergovernmental Cooperation Act, 5 ILCS 220/1, *et seq.*, encourages and authorizes municipalities to collaborate and enter into agreements for the joint exercise of their powers and duties, including the procurement of services; and

WHEREAS, the Participating Municipalities desire to authorize their respective representatives to work together to prepare and issue a Joint Request for Qualifications & Proposals (“RFQ”) for nuisance weed and grass abatement services, to evaluate the bids received, and to each individually recommend the most responsible and responsive bidder(s) for approval by their respective governing bodies; and

SECTION 5: The representatives of each Participating Municipality may evaluate all bids received in response to the RFQ, and each Participating Municipality may make its selections based on its own criteria including, but not limited to, cost, qualifications, experience, references, and other factors deemed to be in that Participating Municipality's best interests. Each Participating Municipality shall make its own decision regarding the most responsible and responsive bidders for their City.

SECTION 6: The joint RFQ shall be published in *The Journal-News* in successive editions based on the number of Participating Municipalities that adopt this Resolution. *The Journal-News* shall be directed to forward an invoice for one publication to each of the Participating Municipalities.

CONTRACT FOR SALE OF PROPERTY OWNED BY THE CITY OF HILLSBORO, IL

THIS PURCHASE AGREEMENT ("Agreement") dated January 20th, is made and entered into by and between **THE CITY OF HILLSBORO, ILLINOIS**, an Illinois municipal corporation (hereinafter referred to as "City" or "Seller"), and **Gregory & Marissa Cowell** (hereinafter collectively referred to "Buyer").

1. **Subject Property.** Buyer agrees to purchase, and Seller agrees to sell and convey to Buyer, subject to all the terms of this Agreement, the real estate legally described on **Exhibit 1** attached hereto and incorporated herein by reference (the "Subject Property"), together with all buildings and other improvements situated thereon, and all fixtures and other property affixed thereto, all on the terms and conditions contained herein.

2. **Purchase Price.** The purchase price of the Subject Property shall be **Twenty Thousand Four Hundred and 00/100 Dollars (\$20,400.00)** (the "Purchase Price"), which shall be paid by cashier's or certified check at Closing (hereinafter defined).

3. **Closing Date.** The closing of the transactions contemplated by this Agreement (the "Closing") shall occur within 30 days after approval of this Agreement by Resolution of the City's corporate authorities (the "Closing Date").

4. **Survey.** Seller has no obligation to provide Buyer with a survey of the Subject Property. Buyer shall purchase a survey at his/her/its own expense, which shall be provided to the City before it considers approving this Agreement.

5. **Title.** Seller represents that it is the record owner of the fee simple interest associated with the Subject Property. Seller has no obligation to provide Buyer with a title commitment or an owner's policy of title insurance covering the Subject Property; Buyer shall purchase same at his/her/its own expense, which shall in no event delay Closing or cause Closing to occur other than as set forth in this Agreement. Buyer has no right to raise any objection to, nor does Seller have any obligation to eliminate or modify, any easement, lien, imposition, encumbrance, restriction, condition, covenant, or any other matter with respect to the Subject Property, whether of record or not, or whether evidenced by a title commitment, survey, or otherwise. Buyer hereby acknowledges and agrees that all such matters are permitted encumbrances hereunder and that conveyance of the Subject Property pursuant to this Agreement will be subject thereto.

6. **Property Condition.**

(a) Buyer, by executing this Agreement, acknowledges that Seller, except as provided in Section 5 above, has not made, does not make, and specifically negates and disclaims any representations, warranties, promises, covenants, agreements, or guaranties of any kind or character whatsoever, whether express or implied, oral or written, past or present or future, of, as to, concerning, or with respect to:

- (I) The value, nature, quality, or condition of the Subject Property, including, without limitation, the water, soil, and geology;
- (ii) Any income to be derived from the Subject Property;
- (iii) The suitability of the Subject Property for any and all activities and uses which Buyer may conduct or hope to conduct thereon;
- (iv) The compliance of or by the Subject Property or its operation with any laws, rules, ordinances, or regulations of any applicable governmental authority or body;
- (v) The title, description, possession, habitability, merchantability, marketability, profitability, or fitness for a particular purpose of the Subject Property or any part thereto;
- (vi) The manner or quality of the construction or materials, if any, incorporated into the Subject Property;
- (vii) The manner, quality, state of repair, or lack of repair of the Subject Property or any portion thereof or any improvements thereto;
- (viii) The existence, quality, nature, adequacy, or physical condition of any utilities serving the Subject Property; or
- (ix) Any other matter with respect to the Subject Property and, specifically, that Seller has not made, does not make, and specifically disclaims any representations regarding compliance with any environmental protection, pollution, or land use laws, rules, regulations, orders, or requirements, including, without limitation, the disposal or existence, in or on the Subject Property or any part thereof, of any hazardous materials;

(b) Buyer has fully inspected the Subject Property to his/her/its satisfaction. The conveyance of the Subject Property is "AS IS" and "WITH ALL FAULTS", and Seller has no obligation to alter, repair, or improve the Subject Property or any portion thereof or any improvements thereto. Buyer has made, will make, or hereby waives all inspections of the Subject Property deemed necessary or appropriate by Buyer to determine the Subject Property's value and condition, including, without limitation, inspections for the presence of asbestos, pesticide residues, underground storage tanks, hazardous waste, and any other hazardous material, and all investigations to determine whether any portion of the Subject Property lies within any flood hazard area as determined by the U.S. Army Corps of Engineers or other applicable authority. Buyer's inspection of the Subject Property or waiver thereof relieves Seller of any liability to Buyer as a result of any environmental hazard on or to the Subject Property, and Buyer hereby accepts all liability therefor as between Seller and Buyer and indemnifies and holds Seller harmless from and against any and all claims, liabilities, demands, or actions incident to, resulting from, or in any way arising out of such hazard. This indemnity shall survive closing and shall not be merged therein.

(c) No warranty has arisen through trade, custom, or course of dealing with Seller.

7. Conditions to Closing.

(a) Buyer's Conditions. Buyer's obligation to consummate the transactions contemplated in this Agreement and pay the Purchase Price and accept title to the Subject Property shall be subject to the following conditions precedent on and as of the Closing Date, or the waiver thereof by the Buyer, which waiver shall be binding upon Buyer only to the extent made in writing and dated as of the Closing Date:

(i) A Warranty Deed in the manner and form agreed upon by the parties hereto, duly executed and acknowledged by Seller, and prepared at Buyer's expense; and

(ii) Such affidavits and other documents as may be required in connection with the conveyance of the Subject Property to Buyer.

(b) Seller's Conditions. Seller's obligation to consummate the transactions contemplated in this Agreement and convey the Subject Property to Buyer shall be subject to the following conditions precedent on and as of the Closing Date:

(i) Buyer's delivery of the Purchase Price, subject to adjustment of such prorations set forth in this Agreement;

(ii) Buyer's delivery of payment representing reimbursement of the City's expenses incurred for publication of the Resolution authorizing this transaction, the City's attorneys' fees (including all document preparation fees related to the negotiation, preparation, and consummation of the transactions contemplated hereby), recording fees and other fees to Montgomery County (including any parcel split), and any and all other out-of-pocket expenses paid or payable by the City and associated with the transaction contemplated by this Agreement, which shall be prepared by the City, forwarded to the title company, and paid by Buyer at Closing; and

(iii) Buyer's acceptance of Seller's deed that is subject to a covenant prohibiting disconnection of the Subject Property from Seller's municipal boundaries and a right of reversion to Seller upon violation.

8. Closing Prorations. Buyer shall pay their own attorneys' fees incurred in connection with the negotiation, preparation, and consummation of the transactions contemplated hereby, as well as the City's, as stated in 7(b)(ii) above. Buyer shall bear the cost of recording the deed of conveyance, which shall be payable to Seller as of the Closing Date, as indicated above. Except as is otherwise provided herein, all closing costs, transfer taxes, and costs of the title company, inclusive of Buyer's and Seller's customary closing charges, shall be solely borne by Buyer. Any prorations shall be made as of the Closing Date with tax proration projected from latest available tax bill, which proration shall be final as of Closing. Any installments of special assessments due and payable prior to Closing shall be paid by Seller. Any installments of special

assessments which are a lien on date of Closing but are due and payable after Closing shall be paid by Buyer. Buyer shall be responsible for any tax transfer stamps.

9. Indemnification.

(a) By Buyer. In addition to and not in lieu, place, stead and/or substitution of any other indemnity set forth elsewhere herein, Buyer shall indemnify, save, protect, defend, and hold harmless Seller and its employees, managers, officers, directors, and agents, from and against all liabilities, claims, demands and causes of action of any nature whatsoever ("Claims") arising out of Buyer's ownership of, and Buyer's activities conducted on, the Subject Property subsequent to the time of Closing, and/or Buyer's breach of its obligations, representations, warranties, or covenants hereunder. Buyer further agrees to pay any reasonable attorney's fees and expenses of Seller arising from its indemnification obligation hereunder. This covenant shall survive the closing of the transactions contemplated by this Agreement.

(b) Method of Indemnification. In the event that any claim (hereinafter "Indemnitee's Claim") which is indemnified against by or under any term, provision, section or paragraph of this Agreement is made against or received by any indemnified party (hereinafter "Indemnitee") hereunder, said Indemnitee shall notify the indemnifying party (hereinafter "Indemnitor") in writing within ninety (90) calendar days of Indemnitee's receipt of written notice of said Indemnitee's Claim; provided, however, that Indemnitee's failure to timely notify Indemnitor of Indemnitee's receipt of an Indemnitee's Claim shall not impair, void, vitiate and/or invalidate Indemnitor's indemnity hereunder nor release Indemnitor from the same, which duty, obligation and indemnity shall remain valid, binding, enforceable and in full force and effect so long as Indemnitee's delay in notifying Indemnitor does not, solely by itself, directly and materially prejudice Indemnitor's right or ability to defend the Indemnified Claim. Upon its receipt of any or all Indemnitee's Claim(s), Indemnitor shall, in its sole, absolute and unreviewable discretion, diligently and vigorously defend, compromise or settle said Indemnitee's Claim at Indemnitor's sole and exclusive cost and expense and shall promptly provide Indemnitee evidence thereof within fourteen (14) calendar days of the final, unappealable resolution of said Indemnitee's Claim. Upon the receipt of the written request of Indemnitee, Indemnitor shall within five (5) calendar days provide Indemnitee a true, correct, accurate and complete written status report regarding the then current status of said Indemnitee's Claim. Prior to an Indemnification Default (as defined herein), Indemnitee may not settle or compromise an Indemnitor's Claim without Indemnitor's prior written consent. Failure to obtain such consent shall be deemed a forfeiture by Indemnitee of its indemnification rights hereunder. In the event that Indemnitor fails or refuses to indemnify, save, defend, protect or hold Indemnitee harmless from and against an Indemnitee's Claim and/or to diligently pursue the same to its conclusion, or in the event that Indemnitor fails to timely report to Indemnitee the status of its efforts to reach a final resolution of an Indemnitee's Claim, on seven (7) calendar days prior written notice to Indemnitor during which time Indemnitor may cure any alleged default hereunder, the foregoing shall immediately, automatically and without further notice be an event of default hereunder (an "Indemnification Default") and thereafter Indemnitee may, but shall not be obligated to, immediately and without notice to Indemnitor, except such notice as may be required by law and/or rule of Court, intervene in and defend, settle and/or compromise said Indemnitee's Claim at Indemnitor's sole and exclusive cost and expense, including but not limited to attorneys' fees, and, thereafter, within seven (7) calendar days of

written demand for the same Indemnitor shall promptly reimburse Indemnitee all said Indemnitee's Claims and the reasonable costs, expenses and attorneys' fees incurred by Indemnitee to defend, settle or compromise said Indemnitee's Claims plus interest thereon from the date incurred until paid in full at the then published prime rate announced from time to time by the Wall Street Journal plus three (3%) percent.

10. Brokerage Commissions. Seller and Buyer warrant and represent to the other that it has not used any broker and, to the best of either party's knowledge, there is no entity entitled to a commission for the purchase and sale of the Subject Property.

11. Default. If Seller fails to perform any of its obligations hereunder, Buyer's exclusive remedy for such default is termination of this Agreement by written notice thereof. In no event shall Seller be liable to Buyer for any actual, punitive, speculative, or consequential damages. If Buyer fails to perform any of its obligations hereunder, Seller, in its sole and absolute discretion, may either (i) terminate this Agreement by written notice to Buyer, or (ii) bring a claim to enforce specific performance of this Agreement.

12. Notices. All notices, demands or other communications given hereunder shall be in writing and shall be deemed to have been duly delivered (i) upon the delivery (or refusal to accept delivery) by messenger or overnight express delivery service (or, if such date is not on a business day, on the business day next following such date), or (ii) on the third (3rd) business day next following the date of its mailing by certified mail, postage prepaid, at a post office maintained by the United States Postal Service, or (iii) upon the receipt by facsimile transmission or e-mail as evidenced by a receipt transmission report if requested by the recipient as follows:

Each of Seller and Buyer shall provide to the other such further assurances as may reasonably be required hereunder to effectuate the purposes of this Agreement and, without limiting the foregoing, shall execute and deliver such affidavits, certificates and other instruments as may be so required hereunder so long as the same shall not materially increase the liability of the party so executing and delivering said instrument.

(i) Severability. If any term or provision of this Agreement shall to any extent be held invalid or unenforceable, the remaining terms and provisions of this Agreement shall not be affected thereby, but, each term and provision shall be valid and be enforced to the fullest extent permitted by law.

CITY CLERK

CONTRACT FOR SALE OF PROPERTY OWNED BY THE CITY OF HILLSBORO, IL

THIS PURCHASE AGREEMENT ("Agreement") dated January 20, 2026, is made and entered into by and between **THE CITY OF HILLSBORO, ILLINOIS**, an Illinois municipal corporation (hereinafter referred to as "City" or "Seller"), and **Larry D. King** (hereinafter referred to as "Buyer").

1. **Subject Property.** Buyer agrees to purchase, and Seller agrees to sell and convey to Buyer, subject to all the terms of this Agreement, the real estate legally described on **Exhibit 1** attached hereto and incorporated herein by reference (the "Subject Property"), together with all buildings and other improvements situated thereon, and all fixtures and other property affixed thereto, all on the terms and conditions contained herein.

2. **Purchase Price.** The purchase price of the Subject Property shall be **Nineteen Thousand Seven Hundred Sixteen and 00/100 Dollars (\$19,716.00)** (the "Purchase Price"), which shall be paid by cashier's or certified check at Closing (hereinafter defined).

3. **Closing Date.** The closing of the transactions contemplated by this Agreement (the "Closing") shall occur within 30 days after approval of this Agreement by Resolution of the City's corporate authorities (the "Closing Date").

4. **Survey.** Seller has no obligation to provide Buyer with a survey of the Subject Property. Buyer shall purchase a survey at his/her/its own expense, which shall be provided to the City before it considers approving this Agreement.

5. **Title.** Seller represents that it is the record owner of the fee simple interest associated with the Subject Property. Seller has no obligation to provide Buyer with a title commitment or an owner's policy of title insurance covering the Subject Property; Buyer shall purchase same at his/her/its own expense, which shall in no event delay Closing or cause Closing to occur other than as set forth in this Agreement. Buyer has no right to raise any objection to, nor does Seller have any obligation to eliminate or modify, any easement, lien, imposition, encumbrance, restriction, condition, covenant, or any other matter with respect to the Subject Property, whether of record or not, or whether evidenced by a title commitment, survey, or otherwise. Buyer hereby acknowledges and agrees that all such matters are permitted encumbrances hereunder and that conveyance of the Subject Property pursuant to this Agreement will be subject thereto.

6. **Property Condition.**

(a) Buyer, by executing this Agreement, acknowledges that Seller, except as provided in Section 5 above, has not made, does not make, and specifically negates and disclaims any representations, warranties, promises, covenants, agreements, or guaranties of any kind or character whatsoever, whether express or implied, oral or written, past or present or future, of, as to, concerning, or with respect to:

- (i) The value, nature, quality, or condition of the Subject Property, including, without limitation, the water, soil, and geology;
- (ii) Any income to be derived from the Subject Property;
- (iii) The suitability of the Subject Property for any and all activities and uses which Buyer may conduct or hope to conduct thereon;
- (iv) The compliance of or by the Subject Property or its operation with any laws, rules, ordinances, or regulations of any applicable governmental authority or body;
- (v) The title, description, possession, habitability, merchantability, marketability, profitability, or fitness for a particular purpose of the Subject Property or any part thereto;
- (vi) The manner or quality of the construction or materials, if any, incorporated into the Subject Property;
- (vii) The manner, quality, state of repair, or lack of repair of the Subject Property or any portion thereof or any improvements thereto;
- (viii) The existence, quality, nature, adequacy, or physical condition of any utilities serving the Subject Property; or
- (ix) Any other matter with respect to the Subject Property and, specifically, that Seller has not made, does not make, and specifically disclaims any representations regarding compliance with any environmental protection, pollution, or land use laws, rules, regulations, orders, or requirements, including, without limitation, the disposal or existence, in or on the Subject Property or any part thereof, of any hazardous materials;

(b) Buyer has fully inspected the Subject Property to his/her/its satisfaction. The conveyance of the Subject Property is "AS IS" and "WITH ALL FAULTS", and Seller has no obligation to alter, repair, or improve the Subject Property or any portion thereof or any improvements thereto. Buyer has made, will make, or hereby waives all inspections of the Subject Property deemed necessary or appropriate by Buyer to determine the Subject Property's value and condition, including, without limitation, inspections for the presence of asbestos, pesticide residues, underground storage tanks, hazardous waste, and any other hazardous material, and all investigations to determine whether any portion of the Subject Property lies within any flood hazard area as determined by the U.S. Army Corps of Engineers or other applicable authority. Buyer's inspection of the Subject Property or waiver thereof relieves Seller of any liability to Buyer as a result of any environmental hazard on or to the Subject Property, and Buyer hereby accepts all liability therefor as between Seller and Buyer and indemnifies and holds Seller harmless from and against any and all claims, liabilities, demands, or actions incident to, resulting from, or in any way arising out of such hazard. This indemnity shall survive closing and shall not be merged therein.

(c) No warranty has arisen through trade, custom, or course of dealing with Seller.

7. Conditions to Closing.

(a) Buyer's Conditions. Buyer's obligation to consummate the transactions contemplated in this Agreement and pay the Purchase Price and accept title to the Subject Property shall be subject to the following conditions precedent on and as of the Closing Date, or the waiver thereof by the Buyer, which waiver shall be binding upon Buyer only to the extent made in writing and dated as of the Closing Date:

(i) A Warranty Deed in the manner and form agreed upon by the parties hereto, duly executed and acknowledged by Seller, and prepared at Buyer's expense; and

(ii) Such affidavits and other documents as may be required in connection with the conveyance of the Subject Property to Buyer.

(b) Seller's Conditions. Seller's obligation to consummate the transactions contemplated in this Agreement and convey the Subject Property to Buyer shall be subject to the following conditions precedent on and as of the Closing Date:

(i) Buyer's delivery of the Purchase Price, subject to adjustment of such prorations set forth in this Agreement;

(ii) Buyer's delivery of payment representing reimbursement of the City's expenses incurred for publication of the Resolution authorizing this transaction, the City's attorneys' fees (including all document preparation fees related to the negotiation, preparation, and consummation of the transactions contemplated hereby), recording fees and other fees to Montgomery County (including any parcel split), and any and all other out-of-pocket expenses paid or payable by the City and associated with the transaction contemplated by this Agreement, which shall be prepared by the City, forwarded to the title company, and paid by Buyer at Closing; and

(iii) Buyer's acceptance of Seller's deed that is subject to a covenant prohibiting disconnection of the Subject Property from Seller's municipal boundaries and a right of reversion to Seller upon violation.

8. Closing Prorations. Buyer shall pay their own attorneys' fees incurred in connection with the negotiation, preparation, and consummation of the transactions contemplated hereby, as well as the City's, as stated in 7(b)(ii) above. Buyer shall bear the cost of recording the deed of conveyance, which shall be payable to Seller as of the Closing Date, as indicated above. Except as is otherwise provided herein, all closing costs, transfer taxes, and costs of the title company, inclusive of Buyer's and Seller's customary closing charges, shall be solely borne by Buyer. Any prorations shall be made as of the Closing Date with tax proration projected from latest available tax bill, which proration shall be final as of Closing. Any installments of special assessments due and payable prior to Closing shall be paid by Seller. Any installments of special

assessments which are a lien on date of Closing but are due and payable after Closing shall be paid by Buyer. Buyer shall be responsible for any tax transfer stamps.

9. Indemnification.

(a) By Buyer. In addition to and not in lieu, place, stead and/or substitution of any other indemnity set forth elsewhere herein, Buyer shall indemnify, save, protect, defend, and hold harmless Seller and its employees, managers, officers, directors, and agents, from and against all liabilities, claims, demands and causes of action of any nature whatsoever ("Claims") arising out of Buyer's ownership of, and Buyer's activities conducted on, the Subject Property subsequent to the time of Closing, and/or Buyer's breach of its obligations, representations, warranties, or covenants hereunder. Buyer further agrees to pay any reasonable attorney's fees and expenses of Seller arising from its indemnification obligation hereunder. This covenant shall survive the closing of the transactions contemplated by this Agreement.

(b) Method of Indemnification. In the event that any claim (hereinafter "Indemnitee's Claim") which is indemnified against by or under any term, provision, section or paragraph of this Agreement is made against or received by any indemnified party (hereinafter "Indemnitee") hereunder, said Indemnitee shall notify the indemnifying party (hereinafter "Indemnitor") in writing within ninety (90) calendar days of Indemnitee's receipt of written notice of said Indemnitee's Claim; provided, however, that Indemnitee's failure to timely notify Indemnitor of Indemnitee's receipt of an Indemnitee's Claim shall not impair, void, vitiate and/or invalidate Indemnitor's indemnity hereunder nor release Indemnitor from the same, which duty, obligation and indemnity shall remain valid, binding, enforceable and in full force and effect so long as Indemnitee's delay in notifying Indemnitor does not, solely by itself, directly and materially prejudice Indemnitor's right or ability to defend the Indemnified Claim. Upon its receipt of any or all Indemnitee's Claim(s), Indemnitor shall, in its sole, absolute and unreviewable discretion, diligently and vigorously defend, compromise or settle said Indemnitee's Claim at Indemnitor's sole and exclusive cost and expense and shall promptly provide Indemnitee evidence thereof within fourteen (14) calendar days of the final, unappealable resolution of said Indemnitee's Claim. Upon the receipt of the written request of Indemnitee, Indemnitor shall within five (5) calendar days provide Indemnitee a true, correct, accurate and complete written status report regarding the then current status of said Indemnitee's Claim. Prior to an Indemnification Default (as defined herein), Indemnitee may not settle or compromise an Indemnitor's Claim without Indemnitor's prior written consent. Failure to obtain such consent shall be deemed a forfeiture by Indemnitee of its indemnification rights hereunder. In the event that Indemnitor fails or refuses to indemnify, save, defend, protect or hold Indemnitee harmless from and against an Indemnitee's Claim and/or to diligently pursue the same to its conclusion, or in the event that Indemnitor fails to timely report to Indemnitee the status of its efforts to reach a final resolution of an Indemnitee's Claim, on seven (7) calendar days prior written notice to Indemnitor during which time Indemnitor may cure any alleged default hereunder, the foregoing shall immediately, automatically and without further notice be an event of default hereunder (an "Indemnification Default") and thereafter Indemnitee may, but shall not be obligated to, immediately and without notice to Indemnitor, except such notice as may be required by law and/or rule of Court, intervene in and defend, settle and/or compromise said Indemnitee's Claim at Indemnitor's sole and exclusive cost and expense, including but not limited to attorneys' fees, and, thereafter, within seven (7) calendar days of

written demand for the same Indemnitor shall promptly reimburse Indemnitee all said Indemnitee's Claims and the reasonable costs, expenses and attorneys' fees incurred by Indemnitee to defend, settle or compromise said Indemnitee's Claims plus interest thereon from the date incurred until paid in full at the then published prime rate announced from time to time by the Wall Street Journal plus three (3%) percent.

10. Brokerage Commissions. Seller and Buyer warrant and represent to the other that it has not used any broker and, to the best of either party's knowledge, there is no entity entitled to a commission for the purchase and sale of the Subject Property.

11. Default. If Seller fails to perform any of its obligations hereunder, Buyer's exclusive remedy for such default is termination of this Agreement by written notice thereof. In no event shall Seller be liable to Buyer for any actual, punitive, speculative, or consequential damages. If Buyer fails to perform any of its obligations hereunder, Seller, in its sole and absolute discretion, may either (i) terminate this Agreement by written notice to Buyer, or (ii) bring a claim to enforce specific performance of this Agreement.

12. Notices. All notices, demands or other communications given hereunder shall be in writing and shall be deemed to have been duly delivered (i) upon the delivery (or refusal to accept delivery) by messenger or overnight express delivery service (or, if such date is not on a business day, on the business day next following such date), or (ii) on the third (3rd) business day next following the date of its mailing by certified mail, postage prepaid, at a post office maintained by the United States Postal Service, or (iii) upon the receipt by facsimile transmission or e-mail as evidenced by a receipt transmission report if requested by the recipient as follows:

The law of this Agreement shall be the law of the State of Illinois. (d) Headings. The headings of the various Sections of this Agreement have been inserted only for the purposes of convenience, are not part of this Agreement and shall not be deemed in any manner to modify, explain, qualify or restrict any of the provisions of this Agreement.

(f) Successors and Assigns. This Agreement shall bind and inure to the benefit of the respective heirs, executors, administrators, personal representatives, successors and assigns of the parties hereto.

(g) No Third Party Beneficiaries. Nothing in this Agreement shall create or be deemed to create any third party beneficiary rights in any party or entity not a party to this Agreement.

(h) Further Assurances. Each of Seller and Buyer shall provide to the other such further assurances as may reasonably be required hereunder to effectuate the purposes of this Agreement and, without limiting the foregoing, shall execute and deliver such affidavits, certificates and other instruments as may be so required hereunder so long as the same shall not materially increase the liability of the party so executing and delivering said instrument.

(i) Severability. If any term or provision of this Agreement shall to any extent be held invalid or unenforceable, the remaining terms and provisions of this Agreement shall not be affected thereby, but, each term and provision shall be valid and be enforced to the fullest extent permitted by law.

(j) Usage. All nouns and pronouns and any variations thereof shall be deemed to refer to the masculine, feminine, neuter, singular or plural as the identity of the person or persons, firm or firms, corporation or corporations, entity or entities or any other thing or things may require, or "any" shall mean "any and all"; "or" shall mean "and/or" "including" shall mean "including without limitation".

(k) No Strict Construction. The language used in this Agreement is the language chosen by the parties to express their mutual intent, and no rule of strict construction shall be applied against any of the parties hereto.

An extension to these deadlines may be granted with written approval from the City, of which will not be unreasonably withheld given adequate evidence of need.

1.6 Substantial Completion of the Project. The Developer agrees that in order for the Redevelopment Project to be considered substantially complete, the building(s) and Property must be prepared for performance of the proposed services, open for operation, and be in compliance with all relevant building codes, ordinances, or other regulations.

SECTION 2: Reimbursement of Eligible Costs.

Should the Developer comply with all the obligations in Section 1 and elsewhere in this Agreement in all material respects, the City agrees to reimburse the Developer for certain TIF Eligible Redevelopment Project Costs incurred during the performance of the Redevelopment Project.

2.1 TIF Eligible Redevelopment Project Costs. "TIF Eligible Redevelopment Project Costs" shall be the costs actually paid and incurred by the Developer in connection with the Redevelopment Project which are authorized to be reimbursed or paid from revenues collected pursuant to the TIF Act as provided in Section 5/11-74.4-3(q) of the TIF Act, as determined and verified by the City, in the City's reasonable discretion. For the purposes of this Agreement, TIF Eligible Redevelopment Project Costs may include, but are not limited to the work items and described and estimated in cost attached hereto as **Exhibit A**.

2.2 Cost Certification. Within thirty (30) days of substantial completion of the Redevelopment Project, Developer shall submit to the City a completed "**Project Cost Certification Form**" attached as **Exhibit B**, including supporting invoices, receipts, and lien waivers to confirm, verify, and create record of all TIF Eligible Redevelopment Project Costs incurred pursuant to the Redevelopment Project.

2.3 Review and Approval. All submitted costs may be subject to review and approval by the City. The City shall determine, in its sole reasonable discretion, which submitted costs qualify as TIF Eligible Redevelopment Project Costs as allowable under the TIF Act.

SECTION 3: Project Cost Reimbursement Terms & Structure.

Subject to the terms of this Agreement, reimbursement payments of TIF Eligible Redevelopment Project Costs from the City to the Developer shall be made available in the following forms and with the following terms and limitations:

3.1 Cost Reimbursement Structure. After substantial completion of the following indicated portions of the Redevelopment Project, the City agrees to reimburse the Developer for certain TIF Eligible Redevelopment Project Costs incurred during the completion of the Redevelopment Project ("Incentive Payments"). Such Incentive Payments shall be at the indicated reimbursement rates and reimbursement limits:

#	Work Item	Reimbursement Rate	Reimbursement Limit
1	Brick & Concrete Work	100%	\$40,000
2	Roof Repairs	100%	\$22,000
3	Exterior Steps	100%	\$25,000

Specifically Excluded Project Components: Demolition Costs, Contingency Costs.

3.2 Reimbursement Limit. The total reimbursement the City shall provide to the Developer for qualifying work items and activities performed under this Agreement shall not exceed a cumulative total amount of **\$87,000.00** (the "Reimbursement Limit"), regardless of the actual costs incurred or the allocation among different categories of improvements.

SECTION 4: Disbursement of Payment(s).

All payments made from the City to the Developer pursuant to this Agreement shall be subject to the following terms, limitations, and requirements.

4.1 Conditions Precedent. The City's obligation to make any reimbursement or incentive payment under this Agreement shall be expressly conditioned upon satisfaction of the following requirements, each of which shall be continuing obligations throughout the term of this Agreement:

- (a) **Completion of the Approved Project Components.** The approved project components shall have been substantially completed in accordance with this Agreement, applicable laws, codes, and all City approvals.
- (b) **Approval of Cost Certification.** The Developer shall have submitted to the City a completed Cost Certification Form, together with supporting documentation, and such certification shall have been reviewed and approved by the City.
- (c) **Occupation and Commencement of Operations.** Occupation of the property and commencement of the provision of any contemplated services.
- (e) **No Default.** The Developer shall not be in default under this Agreement, and no event shall have occurred which, with notice or the passage of time, would constitute a default.
- (f) **No Liens or Encumbrances.** The Property shall be free of all liens, claims, or encumbrances other than mortgage(s) of record or other liens approved by the City in writing.

4.2 Requests for Payment. Prior to disbursement of any payment, the Developer agrees to submit Requests for Payment of the Incentive Payment(s) in substantially the same form as set forth in **Exhibit C** ("Requests for Payment"). All Requests for Payment shall be accompanied by invoices, statements, vouchers or bills for the amount requested (including evidence of payment thereof as to any amounts for which payment or reimbursement is requested) and lien waivers for all services or materials furnished by subcontractors, except as to any retainage, related to amounts for which reimbursement is requested. It is the sole responsibility of the Developer to submit any all Requests for Payment at the time it believes all obligations of the Developer have been completed and payment may be eligible for disbursement in accordance with the terms of this Agreement.

4.2 Approval of Requests. The City shall approve or deny any Requests for Payment within 30 days of the submittal thereof. If the City denies any Request for Payment or any portion thereof, it shall state in writing the reasons therefore and provide the Developer a reasonable opportunity to clarify or correct any deficiency in the Request for Payment without penalty.

4.2 Release of Payment. Within thirty (30) days of the City's approval of any Request for Payment, the City shall release such payments to the extent monies are available in the Special Allocation Fund for the TIF District. Disbursement of payment in accordance with this Agreement will be in the form of a one-time lump sum grant payment and will only be eligible for disbursement upon completion of all components and conditions of the Redevelopment Project as verified and approved by the City, in the City's sole discretion, and not before submission of a proper Request for Payment by the Developer, of which must be approved by an authorized representative of the City.

4.3 Payment Limited to Special Allocation Fund. Notwithstanding any other term or provision of this Agreement, the City's obligations for payments pursuant to this Agreement are limited to monies in the Special Allocation Fund for the TIF District and from no other source. This Agreement does not compel the City's General Fund, or any other source of funds, to provide monies for any payment or obligation identified herein. The "Special Allocation Fund" shall be the fund or account set up by the City specifically to deposit monies collected pursuant to the TIF Act for the TIF District.

4.4 Administration Fees. The Developer agrees that all payment(s) received from the City may be subject to the deduction of an "Administration Fee" for the creation and administration of this Redevelopment Agreement and all matters related to the context of this Agreement. Administration Fees will be calculated as an amount equal to 10% of any payment made to the Developer from the City pursuant to this agreement, not to exceed a total of \$500.00. The City may waive this fee at its own discretion.

SECTION 5: Default, Remedies, and Termination of Agreement.

The Developer agrees that if any of the following events occur after the date of execution of this Agreement (the "Effective Date") and for the following five (5) consecutive years thereafter, the Developer may be considered to be in default of the Agreement, all pending and future payments shall immediately be forfeit by the Developer, and the City will have the right to recover from the Developer certain portions of the total payments granted from the City to the Developer pursuant to this Agreement, as well as terminate the Agreement in its entirety.

5.1 Conditions of Default. The occurrence of any one or more of the following shall constitute a default by the Developer under this Agreement ("Event of Default"):

- a) **Failure to Timely Perform the Redevelopment Project:** The Developer fails to commence, diligently pursue, or complete the Redevelopment Project or any material portion thereof within the timeframes set forth in this Agreement, including failure to achieve Substantial Completion in accordance with the approved schedule of performance.
- b) **Failure to Commence Commercial Activities:** The Developer fails to commence or cause to be commenced, commercial activities on the Property within a reasonable time after Substantial Completion or ceases operations for a continuous period of more than three (3) months without prior written consent from the City.
- c) **Misuse of Funds:** The Developer uses any funds disbursed pursuant to this Agreement for purposes not authorized by this Agreement or provides false or materially misleading documentation in support of a payment or reimbursement request.
- d) **Failure to Submit Required Documentation:** The Developer fails to submit the required cost certification, lien waivers, permits, or other documentation required as conditions precedent to disbursement of funds.
- e) **Failure to Maintain Insurance or Legal Compliance:** The Developer fails to maintain the required insurance coverage or violates any applicable federal, state, or local law, regulation, or ordinance in connection with the Redevelopment Project.
- f) **Abandonment or Unauthorized Transfer:** The Developer abandons the Redevelopment Project or transfers the Property or the Developer's interest in this Agreement without the prior written consent of the City.
- g) **Insolvency or Bankruptcy:** The Developer becomes insolvent, makes an assignment for the benefit of creditors, or files or has filed against it a petition in bankruptcy that is not dismissed within sixty (60) days.
- h) **Change in Property Tax Status:** The Property, or any portion thereof, becomes exempt from ad valorem property taxation for any reason not previously approved in writing

by the City.

- i) Failure to Pay Property Taxes: The Developer fails to pay any real estate taxes or assessments levied against the Property when due, and such failure is not cured within thirty (30) days after written notice from the City or other authorized entity.
- j) Failure to Cure After Notice: The Developer fails to cure any non-monetary default under this Agreement within thirty (30) days after receiving written notice from the City specifying the nature of the default (or such longer period as may be reasonably necessary if the default cannot be cured within thirty (30) days, provided that the Developer commences and diligently pursues such cure).

5.2 Continuing Obligations. The Developer's obligations to (i) maintain the Property, (ii) pay all real estate taxes and assessments when due, (iii) comply with applicable laws, codes, and regulations, and (iv) maintain insurance coverage as required herein, shall be continuing covenants and conditions for the entire duration of this Agreement and any incentive payment period. Failure to maintain any such continuing obligation shall constitute an Event of Default.

5.3 Remedies. Upon the occurrence of an Event of Default, and after providing written notice and an opportunity to cure in accordance with this Agreement, the City shall have the right to exercise any one or more of the following remedies, in addition to those available at law or in equity:

(a) Suspension of Payments.

The City may suspend any pending or future incentive payments otherwise due to the Developer until such time as the default is cured to the City's satisfaction.

(b) Termination of Agreement.

The City may terminate this Agreement by written notice to the Developer, whereupon all obligations of the City for any unpaid incentive payments shall immediately cease.

(c) Repayment of Disbursed Funds.

In the event the Developer's default occurs after receipt of one or more incentive payments, the City may require repayment of any or all amounts previously disbursed, together with interest thereon at the statutory judgment rate from the date of disbursement until repaid, if the City determines that such repayment is necessary to protect the integrity of public funds.

(d) Specific Performance or Injunctive Relief.

The City shall have the right to seek specific performance, injunctive relief, or any other equitable remedy to enforce compliance with the terms of this Agreement.

(e) Legal and Administrative Remedies.

The City may pursue any other remedies available under applicable law, including recovery of damages, costs of enforcement, and reasonable attorneys' fees incurred in connection with enforcing the terms of this Agreement.

5.4 Notice and Cure Procedure. In the event of any alleged default by the Developer, the City shall provide written notice to the Developer specifying in reasonable detail the nature of the default and the actions required to cure such default. The Developer shall have a period of thirty (30) days from receipt of such notice to cure the default, or, if the default is of a nature that cannot reasonably be cured within thirty (30) days, such additional period of time as may be reasonably necessary to complete the cure, provided that the Developer commences the cure within the initial thirty (30)-day period and diligently and continuously pursues the same to completion.

If the Developer fails to cure or commence curing the default within the applicable period, the City may immediately exercise any of the remedies set forth in Section 5.3 or otherwise available at law or in equity. The City shall have no obligation to provide additional notice or opportunity to cure prior to exercising its remedies in the event of a repeated or continuing default of the same nature previously noticed.

Notice shall be deemed given when delivered personally, deposited in the U.S. Mail by certified or registered mail (return receipt requested), or sent by recognized overnight courier service to the parties at their last known business addresses, or to such other address as may be designated by a party in writing.

5.5 Enforcement of Provisions. In the event of any default under this Agreement that results in either party taking action to enforce any provision hereof, the defaulting party shall be responsible for and shall reimburse the non-defaulting party upon demand for all reasonable costs and expenses incurred in connection with such enforcement, including reasonable attorneys' fees, expert fees, and court costs. This obligation shall survive the termination of this Agreement.

SECTION 6: MISCELLANEOUS PROVISIONS

6.1 No Individual Liability of the City. All covenants, stipulations, promises, agreements and obligations of the City contained herein shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the City and not of any of its Corporate Authorities, officials, agents, employees or independent contractors in their individual capacities. No member of the Corporate Authorities, officials, agents, employees or independent contractors of the City shall be personally liable to the Developer (i) in the event of a Default or Breach by any party under this Agreement, or (ii) for the payment of any

portion of the Reimbursement Amount which may become due and payable under the terms of this Agreement.

6.2 City Not Liable for Developer Obligations. Notwithstanding anything herein to the contrary, the City shall not be liable to the Developer for damages of any kind or nature whatsoever arising in any way from this Agreement, from any other obligation or agreement made in connection therewith or from any default or breach under this Agreement; provided that nothing in this Agreement shall limit otherwise permissible claims by the Developer against the TIF District or Special Allocation Fund, or actions by the Developer seeking specific performance of this Agreement or other relevant contracts in the event of a breach of this Agreement by the City.

6.3 Hold Harmless of the City. The Developer agrees to indemnify, defend and hold harmless the City, its Corporate Authorities, officials, agents, employees and independent contractors, from and against any and all suits, claims and cost of attorneys' fees, resulting from, arising out of, or in any way connected with (i) any of the Developer's obligations under or in connection with this Agreement, (ii) the performance of the Redevelopment Project, (iii) the Developer's compliance with fair labor practices including the Prevailing Wage Act if, as and when applicable to the Project, and (iv) the negligence or willful misconduct of the Developer, its officials, agents, employees or independent contractors in connection with the management, development, redevelopment, construction or installation of the Project, except as such may be caused by the intentional conduct, gross negligence, negligence or breach of this Agreement by the City, its Corporate Authorities, officials, agents, employees or independent contractors.

6.4 Provision Enforceability. If any term or provision of this Agreement is held invalid or unenforceable by a court of competent jurisdiction, such invalidity shall not affect the remaining provisions, which shall remain in full force and effect to the maximum extent permitted by law.

6.5 Assignment. Developer shall have the right to assign this Agreement to a third party such as a future buyer, lender, or other financing party, provided that the original-named Developer shall not be released from liability hereunder upon such assignment. The Developer agrees that it shall not otherwise sell, assign or otherwise transfer any of its rights and obligations under this Agreement without the prior written consent of the City, which shall not be unreasonably withheld. Any unpermitted assignment in whole or in part shall be void and shall, at the option of the City, terminate this Agreement. No such sale, assignment or transfer, including any with the City's prior written consent, shall be effective or binding on the City, however, unless and until the Developer delivers to the City a duly authorized, executed and delivered instrument which contains any such sale, assignment or

transfer and the assumption of all the applicable covenants, agreements, terms and provisions of this Agreement by the applicable parties thereto.

6.6 No Joint Venture, Agency, or Partnership Created. Nothing in this Agreement nor any actions of either of the City or the Developer shall be construed by either of the City, the Developer or any third party to create the relationship of a partnership, agency, or joint venture between or among the City and any party being the Developer.

6.7 Force Majeure. Neither the City nor Developer nor any successor in interest shall be considered in breach or default of their respective obligations under this Agreement, and times for performance of obligations hereunder shall be extended in the event of any delay caused by Force Majeure, including, without limitation, damage or destruction by fire or casualty; strike; lockout; civil disorder; war; restrictive government regulations; lack of issuance of any permits and/or legal authorization by the governmental entity necessary for Developer to proceed with construction of the Redevelopment Project or any portion thereof, including rezoning; shortage or delay in shipment of material or fuel; acts of God; pandemic or epidemic; or other causes beyond the parties' reasonable control, including but not limited to, any litigation, court order or judgment resulting from any litigation affecting the validity of this Agreement (each an event of "Force Majeure"), provided that such event of Force Majeure shall not be deemed to exist as to any matter initiated or unreasonably sustained by Developer or the City in bad faith, shall not act to delay any payment obligation under this Agreement, and further provided that the party seeking an extension notifies the other party.

6.8 Entire Agreement and Amendments. The parties hereto stipulate that each has obtained advice and consultation of legal counsel of its own choosing and have not relied upon the legal representation or opinions of the other party. All agreements between the parties are expressly set forth herein, and no statements or expressions of the separate parties previously made and not set forth in writing in this document shall be binding upon said party. The parties agree that this Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof, and that no other such agreements or representations other than those contained in this Agreement have been made by the parties. This Agreement shall be amended only in writing and effective when signed by the authorized agents of the parties.

AMENDMENTS TO THE ZONING MAP**

WHEREAS, the City of Hillsboro, Illinois (the "City") an Illinois non-home rule municipal corporation pursuant to Article VII, § 7 of the 1970 Illinois Constitution, organized and operating under the Illinois Municipal Code, 65 ILCS 5/1-1-1, *et seq.*; and

WHEREAS, on December 16, 2025, in accordance with its authority pursuant to Section 7-1-13 of the Illinois Municipal Code, 65 ILCS 5/7-1-13, the corporate authorities properly approved seven (7) ordinances annexing various unincorporated territories and parcels to the City; and

WHEREAS, said ordinances provided that each territory is zoned "R-1, Single Family Residence District" pursuant to Section 40-3-5 of the Revised Code of Ordinances of Hillsboro, Illinois (hereinafter, the "Code"); and

WHEREAS, Section 40-3-5 of the Code provides, in part, that "[a]ny territory hereafter annexed to the Municipality shall automatically be in the R-1, Single Family Residence District until duly changed by an amendment to this Code"; and

WHEREAS, pursuant to Section 11-13-19 of the Illinois Municipal Code, 65 ILCS 5/11-13-19, the corporate authorities shall cause to be published, no later than the thirty-first (31st) day of March of each year, a map clearly showing the existing zoning uses, divisions, restrictions, regulations, and classifications of such municipality for the preceding year if there were any changes in zoning uses, divisions, restrictions, regulations, and classifications; and

WHEREAS, Section 40-3-3 and Section 40-9-1(F) of the Code contain provisions similar to Section 11-13-19 of the Illinois Municipal Code; and

WHEREAS, Section 40-10-30 of the Code provides that "[t]he City Council may amend this [Zoning] Code in accordance with State law and the provisions of this Section", that "[p]roposed alterations of district boundaries * * * shall be deemed

WHEREAS, Section 40-10-32 of the Code provides that the Zoning Board of Appeals shall hold a public hearing on every proposed amendment to the Zoning Code; and

WHEREAS, Section 40-10-33 of the Code provides that the Zoning Board of Appeals shall, after the public hearing, submit its advisory report to the City Council regarding any proposed amendment to the Zoning Code; and

WHEREAS, Section 40-10-34 of the Code provides that the City Council shall act on every proposed amendment at their next regularly scheduled meeting following submission of the advisory report of the Zoning Board of Appeals and, without further public hearing, may approve or disapprove any proposed amendment or may refer it back to the Zoning Board of Appeals for further consideration; and

WHEREAS, the corporate authorities have determined that it is appropriate and in the best interests of the City and its residents to petition the Zoning Board of Appeals to consider and make recommendations regarding the proper zoning classifications of the parcels that were annexed on December 16, 2025, as described hereinbelow;

WHEREAS, the City's Zoning Administrator has considered the proper zoning classifications of the parcels that were annexed on December 16, 2025, and the corporate authorities have been presented with the Zoning Administrator's recommendations; and

WHEREAS, the corporate authorities find that the Zoning Administrator's recommendation for the parcels identified by P.I.N. 16-01-457-009 and P.I.N. 16-01-456-016, which were included in Ordinance No. 1848-D, to be reclassified from "R-1, Single Family Residence District" to "I-1, Industrial (Manufacturing)" is reasonable and would avoid spot zoning and incompatible buffers; and

WHEREAS, the corporate authorities find that the Zoning Administrator's recommendation for the parcel identified by P.I.N. 16-01-401-002, which was included in Ordinance No. 1848-E, to be reclassified from "R-1, Single Family Residence

District" to "R-2, General Residence" is reasonable and would provide for consistency and uniformity in that such reclassification would avoid spot zoning and be consistent with the zoning classification surrounding said parcel.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF HILLSBORO, MONTGOMERY COUNTY, ILLINOIS, AS FOLLOWS:
