

Sherwood Forest Campground-Hillsboro, Illinois

Campsite Modification Request Form

In an effort to maintain a consistent standard at Sherwood Forest Campground, approval is now needed for improvements to campsites. Examples of improvements requiring approval include, but are not limited to, adding rock and/or timbers to drive areas, any structure made of wood, stone, concrete or metal (this does not include wall tents and camping tents), signs, satellite dishes mounted on posts, piping, decks, stairs, etc.

Name: _____ Site Number: _____

Date of request: _____ Daytime phone number: _____

Please describe what you are proposing to add/change at your site. Please include all important information including dimensions, location on the site where work will be done and all other pertinent information. Feel free to draw a sketch on the reverse side or to attach additional information to further describe the proposed work.

Please allow 10 days for processing.

Thank you for helping to keep Sherwood Forest Campground a presentable and safe place to stay and relax?
